Subject: Purple Spot = Political Corruption

Aloha e Mr. Chang,

I am writing to urge you to vote against Bill 50 unless the purple spot is removed. Please let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from the associates of Thomas Enomoto.

The purple spot industrial park is a bad idea. It will not create new jobs. It will not be affordable. It will not support farming. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community.

Please do not let what happened to Hawaii Kai, happen to Wai`anae. Vote against the purple spot.

Mahalo.

I am writing to urge you to vote against Bill 50 unless the purple spot is removed. Please let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from the associates of Thomas Enomoto.

The purple spot industrial park is a bad idea. It will not create new jobs. It will not be affordable. It will not support farming. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community.

Please do not let what happened to Hawaii Kai, happen to Wai`anae. Vote against the purple spot.

We already import over 90% of our food. This is dangerous and reckless. We need to increase our self sufficiency not reduce it.
As a structural engineer, I have the potential to gain from increasing our sprawl, but it is not worth the cost to the island and its people to develop in this manner. I support responsible planning.

I am writing to urge you to vote against Bill 50 unless the purple spot is removed. Please let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from the associates of Thomas Enomoto.

The purple spot industrial park is a bad idea. It will not create new jobs. It will not be affordable. It will not support farming. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community.

Please do not let what happened to Hawaii Kai, happen to Wai`anae. Vote against the purple spot.

I am writing to urge you to vote against Bill 50 unless the purple spot is removed. Please let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from the associates of Thomas Enomoto.

The purple spot industrial park is a bad idea. It will not create new jobs. It will not be affordable. It will not support farming. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community.

Please do not let what happened to Hawaii Kai, happen to Wai`anae. Vote against the purple spot.

Please let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from the associates of Thomas Enomoto.

The purple spot industrial park is a bad idea. It will not create new jobs. It will not be affordable. It will not support farming. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community.

Please do not let what happened to Hawaii Kai, happen to Wai`anae. Vote against the purple spot.

Aloha e Mr. Chang,

I am writing to urge you to vote against Bill 50 unless the purple spot is removed. Please let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from the associates of Thomas Enomoto.

The purple spot industrial park is a bad idea. It will not create new jobs. It will not be affordable. It will not support farming. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community.

Please do not let what happened to Hawaii Kai, happen to Wai`anae. Vote against the purple spot.

Aloha e Mr. Chang,

I am writing to urge you to vote against Bill 50 unless the purple spot is removed. Please let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from the associates of Thomas Enomoto.

The purple spot industrial park is a bad idea. It will not create new jobs. It will not be affordable. It will not support farming. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community.

Please do not let what happened to Hawaii Kai, happen to Wai`anae. Vote against the purple spot.

Mahalo.

Subject: Purple Spot = Political Corruption

Aloha e Mr. Chang,

I am writing to urge you to vote against Bill 50 unless the purple spot is removed. Please let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from the associates of Thomas Enomoto.

The purple spot industrial park is a bad idea. It will not create new jobs. It will not be affordable. It will not support farming. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community.

Please do not let what happened to Hawaii Kai, happen to Wai`anae. Vote against the purple spot.

Mahalo.

Although I don't live in Lualualei I have friends who farm there and other places on O'ahu and I want to continue to be able to support local farmers and local produce and hope that my children will be able to do the same. We need to protect what little ag land we have left on this island!

Aloha e Stanley,

I am writing you today to strongly urge you not to vote for Bill 50 unless the purple spot is removed. Please allow your vote to be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from the associates of Thomas Enomoto.

The purple spot industrial park is a bad idea for the self-determination of the people of Waianae, and the future of food production on Oahu. Green-lighting another development will not create long-term jobs. It's merely another short-term, short-sited solution for our island. This project will not be affordable either. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland and the possibility of farming as a profession for generations to come in Waianae and it will erode the fabric of this farming community.

Please do not let what happened to Hawaii Kai, happen to Wai`anae. Vote against the purple spot.

Stanley, I voted for you because I saw you as a young, bright, and energetic candidate that would eschew the old-style politics of the past in Hawaii. Please do not allow more farmland - the precious little we have left - to be paved over on our beautiful island.

Mahalo.

Aloha e Mr. Chang,

I am writing to urge you to vote against Bill 50 unless the purple spot is removed. Please let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from the associates of Thomas Enomoto.

The purple spot industrial park is a bad idea. It will not create new jobs. It will not be affordable. It will not support farming. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community.

Please do not let what happened to Hawaii Kai, happen to Wai`anae. Vote against the purple spot.

Mahalo.

Aloha e Mr. Chang,

I am writing to urge you to vote against Bill 50 unless the purple spot is removed. Please let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from the associates of Thomas Enomoto.

The purple spot industrial park is a bad idea. It will not create new jobs. It will not be affordable. It will not support farming. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community.

Please do not let what happened to Hawaii Kai, happen to Wai`anae. Vote against the purple spot.

Mahalo.

I am writing to urge you to vote against Bill 50 unless the purple spot is removed. Please let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from the associates of Thomas Enomoto.

The purple spot industrial park is a bad idea. It will not create new jobs. It will not be affordable. It will not support farming. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community.

Please do not let what happened to Hawaii Kai, happen to Wai`anae. Vote against the purple spot.

Aloha e Mr. Chang,

I am writing to urge you to vote against Bill 50 unless the purple spot is removed. Please let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from the associates of Thomas Enomoto.

The purple spot industrial park is a bad idea. It will not create new jobs. It will not be affordable. It will not support farming. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community.

Please do not let what happened to Hawaii Kai, happen to Wai`anae. Vote against the purple spot.

Mahalo.
