1. Name of the District. The name of this special improvement district ("District") shall be the "City and County of Honolulu Special Improvement District No. 3 (Waikiki Beach)." It shall commonly be referred to as the "Waikiki Beach Special Improvement District" or the "Waikiki Beach SID."

2. Term of the District. The initial term of the District is for five years, which is automatically renewed unless an ordinance terminating the District is adopted, in which case operations of the District shall cease, except that the term of the District cannot expire until all debt service on bonds and incidental expenses and supplemental services expenses are fully paid or irrevocable provision for such payment has been made.

3. Boundaries of the District. The boundaries of the District are shown on the map attached hereto as Exhibit 1 and made a part hereof: The District shall include the area generally bounded by the Ala Wai Canal/Ala Wai Boat Harbor, Kapahulu Avenue to Kalakaua Avenue and seaward to include the Kapahulu Groin, and the shoreline from the Ala Wai Canal up to and including the Kapahulu Groin. Directors of the District Association ("Board"), which will execute the responsibilities and activities prescribed in this Plan on behalf of the District Association.

(a) *IRC 501(c)(3)* Status. The District Association will be organized exclusively for charitable and educational purposes as specified in Section 501(c)(3) of the Internal Revenue Code of 1954, as amended.

(ix) The chair of Waikiki Neighborhood Board No. 9, or such chair's designated representative, shall be a nonvoting member.

6. Supplemental Services. The following supplemental services are intended to be provided and financed by the District:

(a) Development of a Waikiki Beach Management Plan ("WBMP") to direct the coordinated management of Waikiki Beach among various public and private stakeholders toward the long term sustainability of Waikiki Beach;

(b) Funding of a WBMP project manager to oversee development of the WBMP;

(c) Implementation of the WBMP, including coordination of contributions of private funding to specific Waikiki Beach improvement projects; and

(d) Funding of a WBMP implementation coordinator to oversee and coordinate implementation of the WBMP overall and as to specific Waikiki Beach improvement projects.

7. Incidental Expenses. The incidental expenses of the District that shall be paid with special assessments and other revenues of the District include management and administration expenses, other operating support expenses, and expenses incurred by the Waikiki Improvement Association and the City in the establishment and management of the District (including, without limitation, enabling legislation and this Plan). Incidental expenses, as more fully described in Section 10 below, incurred by the City for the initial set-up will be included in the Waikiki Beach SID Setup, and services provided on an on-going basis will be identified separately as "City Administrative Expenses" in the Budget.

8. Budget.

(a) *Fiscal Year.* The Waikiki Beach SID's fiscal year shall be from July 1 of each year through June 30 the following year ("Fiscal Year"). The first Fiscal Year shall be from July 1, 2015 through June 30, 2016. A proposed budget for each Fiscal Year ("Budget") shall set forth the total amount proposed to be expended for the supplemental services and incidental expenses for such Fiscal Year.

(b) *Budget for the First Fiscal* Year. The proposed Budget for the first Fiscal Year is as follows. The Board shall, as soon as reasonably practicable

after the commencement of the term of the District, adopt the actual Budget for the first Fiscal Year, which shall not exceed the proposed Budget set forth below:

REVENUES Assessments		
Private Landowners	$	605,000
Total Revenues	$	605,000
EXPENSES		
Supplemental Services		
Waikiki Beach Management Plan Development	$	50,000
Waikiki Beach Management Plan Project Manager	$	125,000
Waikiki Beach Groin Replacement Contribution	$	325,000
Incidental Expenses		
Waikiki Beach SID Setup	$	45,000
Waikiki Improvement Association Management Fee	$	30,000
City Administrative Expenses	$	30,000
Reserve	$	0.00
Total Expenses	**$**	**605,000**
Total Fiscal Year 2015 - 2016	**$**	**605,000**

(c) *Subsequent Fiscal Year Budgets.* The Board shall, at least sixty (60) days prior to the beginning of each Fiscal Year (other than the first Fiscal Year), adopt a Budget for that Fiscal Year. Each Budget shall:

(i) Reasonably itemize the purposes for which monies are proposed to be expended by the District Association;

(ii) Specify the amount, if any, proposed to be expended by the District Association for debt service, if any; and

(iii) Set forth the total amount proposed to be expended.

(d) *Expenditures No Greater Than Collections and Surplus.* The total annual expenditures in any Fiscal Year's Budget shall be no greater than the aggregate amount of all monies that the District Association proposes to collect for that Fiscal Year from all funding sources permitted under this Plan and any surplus from the previous Fiscal Year.

(e) *Compliance With Budget.* The District Association shall make no expenditure other than in accordance with and pursuant to:

(i) A Budget which has been approved by the Board; and

(ii) The provisions of law and this Plan, if any, providing for the satisfaction of outstanding obligations of the District Association.

(f) *Modifications to Budget.* The Board may revise the line items within any Budget; provided, however, that debt service obligations for the subject Fiscal Year shall be satisfied. If, in any Fiscal Year, the revenues and surplus of the District are not equal to or greater than, in the aggregate, the amount required to cover the expenditures for that Fiscal Year, the Board may choose not to implement any or all of the non-debt service expenditures set forth in the Budget.

(g) *Reimbursement of Advances.* The Waikiki Improvement Association ("WIA") has advanced and will advance, prior to the receipt by the District Association of the first Fiscal Year's Assessments (defined below), funds to establish and administer the Waikiki Beach SID. The District Board will enter into an agreement with WIA to repay such advanced funds on such terms as shall be determined by the Board. Nothing in this Plan shall preclude the Board from approving Budgets that contain expenditures to reimburse WIA for the funds it advanced to establish the Waikiki Beach SID.

9. Sources of Funding.

(a) *Generally.* The proposed sources of funding for all (i) supplemental services, and (ii) incidental expenses of the SID contemplated in this Plan, shall be the sources of funding described in this section. Subject to requirements of law, the Board may apply all monies derived from the sources of funding permitted herein toward funding any expenditure permitted under this Plan.

(b) *Assessments.*

(i) Except when funds are otherwise available and except to the extent exempted by law or this Plan, a special assessment sufficient to pay for the costs of the supplemental services and incidental expenses will be annually levied against each parcel of land in the District. Such assessments shall be called the "Assessments."

(ii) The Assessment for each parcel of land (as defined in Revised Ordinances of Honolulu (1990) section 36-1.1) in the District for the first Fiscal Year shall be based on a rate of 7.63 cents for every $1,000 of "Assessed Value" of each such parcel of land, as indicated on the City's real property tax assessment list prepared for the tax year corresponding with the applicable Fiscal Year. "Assessed Value" means

the gross value of a parcel of land assessed by the real property tax office of the City, including the assessed value of any improvements on that parcel of land.

(iii) The Assessments for subsequent Fiscal Years shall be made in accordance with Revised Ordinances of Honolulu (1990) section 36-3.2.

(iv) The following parcels of land shall not be assessed under this Plan:

(1) Parcels of land that are classified by the City for real property tax purposes as "residential" or "residential A"; provided, however, that any parcel of land or any condominium apartment that is classified "residential" or "residential A" on the basis that it is a "transient vacation unit" that has a "nonconforming use certificate" under the City's zoning code shall be assessed under this Plan.

(2) Parcels of land owned by the United States or the State of Hawaii; provided, however, that property and leases of government property subject to real property taxation under Revised Ordinances of Honolulu (1990) sections 8-10.17, 8-10.18 and 8-10.19, shall be assessed under this Plan.

(3) Parcels of land that are exempt from the payment of real property taxes under Revised Ordinances of Honolulu (1990) section 8- 10.10(b)(3) because of use for church purposes, but only so long as such parcels are exempt from the payment of real property taxes.

(4) Parcels of land that are exempt from the payment of real property taxes as set forth in Hawaii Revised Statutes Chapter 239, but only so long as such parcels are exempt from the payment of real property taxes.

(v) Parcels of land owned by the City shall be assessed under this Plan. The Assessment on City land for each Fiscal Year shall be determined by mutual agreement of the Board and City Administration and subject to Council appropriation; provided, however, that it is intended that the level of City support shall remain constant and that no City land shall be foreclosed if the Board and City Administration do not agree on or the Council does not appropriate the Assessment for a Fiscal Year.

(vi) Parcels of land that are exempt from the payment of real property taxes but that are not exempt from the levy of special assessments under this Plan shall be assessed under this Plan as if such parcels were not exempt from the payment of real property taxes, and the

City Department of Budget and Fiscal Services shall determine the assessed value of such parcels for such purpose.

(c) *Notice of Assessment.* The City, through its Department of Budget and Fiscal Services, shall notify landowners of the Assessment in accordance with Revised Ordinances of Honolulu (1990) section 36-3.6. After the first Fiscal Year's notice of Assessment, notices of Assessment shall be given annually as of a date to be set by the Director of Budget and Fiscal Services.

(d) *Donations.* The Board, on behalf of the District Association, may accept grants and donations from private institutions, the City, other public entities, individuals, and other not-for-profit organizations.

(e) *Other.* The District Association may obtain revenues from any other sources of funding not heretofore mentioned in accordance with law.

(f) *Bonds.* Bonds are not planned at this time to finance supplemental improvements in the District.

10. City Services. As its contribution to the success of and in support of the District Association's mission statement, the City shall, on behalf of and for the District Association, (i) provide the initial set-up for the Assessments, which expense shall be paid for by the Association up to $10,000; (ii) annually process the Assessments; (iii) levy and collect the Assessments and disburse the Assessments to the District Association, and (iv) enforce and foreclose on the lien of the Assessments in such manner and at such times agreed to by the City and the Board in writing. Except for the initial setup, the cost for these services, identified in the Plan as "City Administrative Expenses" is estimated and stated in the Budget under the category of Incidental Expenses. In subsequent fiscal year budgets, City Administrative Expenses will be estimated at $30,000 or 5% of Total Revenues, whichever is greater. The provisions in this section shall be reviewed every five years and the results reported to the City Council.

11. Indemnification and Insurance.

(a) The District Association shall indemnify, defend, and hold harmless the City and its officers and employees against any claim arising out of an act or omission of the District Association or its Board, directors, officers, employees, contractors, or agents in executing this Plan or otherwise performing the duties of the District.

(b) The District Association also shall obtain and maintain in force insurance against liability arising out of an act or omission of the District Association or its Board, directors, officers, or employees in executing this Plan or otherwise performing the duties of the District. The Board shall have the authority to determine what level of insurance coverage is sufficient for the District Association.

This subsection shall not be construed as preventing the District Association from obtaining and maintaining in force other classes or types of insurance.
