Our Association Name 3/8/17

Financial Accountability For Rail mass Transit

Item No. 5
Bill 3, CD1

R

Bill 3 CD1 is premature for passage because the legislature has not agreed to extend the ½ % excise tax perpetually for the city's rail due to Mayor Caldwell not being able to be financially accountable for current, and future expenses for the rail's construction, administrative costs, and maintenance costs.

Please oppose Bill 3 CD1

Transportation Surcharge

Is Premature For Passage
