No. 06-182

RESOLUTION

ADOPTING A REVISION TO THE PUBLIC INFRASTRUCTURE MAP FOR THE CENTRAL OAHU DEVELOPMENT PLAN AREA, WAHIAWA, OAHU, HAWAII.

WHEREAS, the Public Infrastructure Map ("Map") for the Central Oahu Development Plan area was adopted by the Council in Resolution 2003-63, CD1; and

WHEREAS, among the symbols included on the Map was a sewage treatment plant modification symbol for the Wahiawa Wastewater Treatment Plant Modification project; and

WHEREAS, in July 2005 the Department of Planning and Permitting gave written notice to the City Council and then deleted this symbol administratively, after confirming with the Department of Design and Construction that the completion of the upgrade of the plant to tertiary treatment in 2002 effectively removed any need for this symbol; and

WHEREAS, in March 2006 the Department of Design and Construction notified the Department of Planning and Permitting that it was pursuing further modifications to the treatment plant and that a map symbol was once again needed; and

WHEREAS, Chapter 4, Article 8, Revised Ordinances of Honolulu (ROH) 1990, as amended, requires that substantial modifications to any major public facility such as a sewage treatment plant be shown on the appropriate public infrastructure map for a development plan area before the Council may appropriate land acquisition or construction funds for the modifications; and

WHEREAS, the City Council finds that the placement of the appropriate sewage treatment plant modification symbol on the Map is necessary to fund the construction of the planned improvements; and

WHEREAS, the Wahiawa Wastewater Treatment Plant Modifications project shown in Exhibit A is consistent with the adopted *Oahu General Plan,* the Central Oahu Sustainable Communities Plan, and the appropriate functional plans; now, therefore,

BE IT RESOLVED by the Council of the City and County of Honolulu that the Central Oahu Public Infrastructure Map, adopted on March 19, 2003 as Resolution 2003-63, CD1, be revised to include a sewage treatment plant modification symbol for this project; and
