TO AMEND CHAPTER 9, REVISED ORDINANCES OF HONOLULU 1990, AS AMENDED, RELATING TO TERMINATE RECYCLING RESIDUE DISCOUNT

BE IT ORDAINED by the People of the City and County of Honolulu:

SECTION 1. Purpose. The purpose of this ordinance is to end financial support to private, commercial recycling companies disposing of recycling residue at H-POWER or Waimanalo Gulch Sanitary Landfill.

SECTION 2. Section 9-4.2(c) and Section 9-4.2(e), Revised Ordinances of Honolulu 1990, as amended, are repealed.

SECTION 3. Section 9-4.2(d), Revised Ordinances of Honolulu 1990, as amended, is amended to read as follows:

(d) Exemption. Any eleemosynary or charitable organization which has been determined by the Internal Revenue Service to qualify as a tax-exempt organization under the provisions of Section 501(c)(3) of the Internal Revenue Code and which recovers post-consumer waste materials for charitable use through a donated merchandise program, generating residue as a byproduct of its charitable function, shall be exempt from the disposal and special handling charges of subsections (a) and (b), [the recycling residue charges of subsection (c),] and the fees of subsection (f). [The eleemosynary organization shall meet conditions (1) through (6) of subsection (c). The residue shall be clearly marked at the time of disposal to indicate it as the property of the eleemosynary organization and shall not be commingled with waste from any source other than that of the eleemosynary organization. In the event that an eleemosynary organization contracts with a private business to dispose of residue in compacted form or otherwise, the private business shall be initially charged the standard disposal fees for the disposal of the residue. The exemption to disposal fees shall be applied to the private business's account after the eleemosynary organization submits a monthly report to the chief engineer documenting dates and numbers of loads of residue dispatched to the disposal sites.]
