**Subject:** Testimony in Support of Bill 5 Relating to Public Parks

I am testifying IN SUPPORT of Bill 5 (2011), CD1 FD1 (proposed) Relating to Public Parks.

While I support the visitor industry, the number of tour buses and kayak trailers using Kailua Beach Park on weekends has increased substantially over the past few years.

Since no permits will be issued for commercial activities (except filming activities) at Kailua Beach Park and Kalama Beach Park on Sundays, any tour bus or rental business operating in the park on that day will obviously be illegal. This will allow the police to issue tickets and better enforce the existing law.

Mahalo for the work you do for the people of Oahu.
