CITY CLERK  
HONOLULU, HAWAII

**Subject: Bill 50, CD2 - Amending the Wai`anae Sustainable Communities Plan.**  
(Amending Chapter 24, Article 9, Revised Ordinances of Honolulu and replacing the Wai`anae Sustainable Communities Plan.)

I support **Bill 50, CD2** **WITHOUT** amendments.

The industrial park designation in Lualualei Valley needs to be kept in the Wai`anae Sustainable Communities Plan to be sure that a light industrial park remains an option for the community.

We need to fix the high incidence of homelessness, unemployment, and poverty in our community and bringing jobs closer to home can help fix these issues.

This project is a win for everyone and needs to move forward as quickly as possible.

Please approve **Bill 50, CD2** **WITHOUT** further amendments or delays.

Sincerely.....

PETITION 18  
COUNCIL

Members of the City Council

**Subject: Bill 50, CD2 - Amending the Wai`anae Sustainable Communities Plan.** (Amending Chapter 24, Article 9, Revised Ordinances of Honolulu and replacing the Wai`anae Sustainable Communities Plan.)

I support **Bill 50, CD2** **WITHOUT** amendments.

The industrial park designation in Lualualei Valley should remain in the Wai`anae Sustainable Communities Plan to be sure that a light industrial park remains an option for our community.

Tropic Land's I-1 zoning allows motion picture and television production studios, some of which that have expressed an interest in this project. Since I am trained in video production technology, along with a bunch of my friends and classmates, this would fit well with my career direction and could possibly allow me to work closer to home.

People working with technology know the potential of video production work and the benefits it can bring to our community.

Please approve **Bill 50, CD2** **WITHOUT** amendments or delays.

Sincerely.....
