Aloha e Mr. Cachola,

I am writing to urge you to vote against Bill 50 unless the purple spot is removed. Please let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from Clyde Kaneshiro and the Sand Island Business Association.

The purple spot industrial park is a bad idea. It will not create new jobs. It will not be affordable. It will not support farming. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community.

Please do not let what happened to Kalihi, happen to Wai`anae. Vote against the purple spot.

Mahalo.

We already import over 90% of our food. This is dangerous and reckless. We need to increase our self sufficiency not reduce it.
As a structural engineer, I have the potential to gain from increasing our sprawl, but it is not worth the cost to the island and its people to develop in this manner. I support responsible planning.

Aloha e Mr. Cachola,

I am writing to urge you to vote against Bill 50 unless the purple spot is removed. Please let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from Clyde Kaneshiro and the Sand Island Business Association.

The purple spot industrial park is a bad idea. It will not create new jobs. It will not be affordable. It will not support farming. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community.

Please do not let what happened to Kalihi, happen to Wai`anae. Vote against the purple spot.

Mahalo.

Aloha e Mr. Cachola,

I am writing to urge you to vote against Bill 50 unless the purple spot is removed. PLEASE let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from Clyde Kaneshiro and the Sand Island Business Association.

The purple spot industrial park is a really, really bad idea. It will not create new jobs. It will not be affordable. It will not support farming! It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community. It's obviously a lose/lose situation.

PLEASE do not let what happened to Kalihi, happen to Wai`anae. Vote against the purple spot!

Mahalo.

Aloha e Mr. Cachola,

I am writing to urge you to vote against Bill 50 unless the purple spot is removed. Please let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from Clyde Kaneshiro and the Sand Island Business Association.

The purple spot industrial park is a bad idea. It will not create new jobs. It will not be affordable. It will not support farming. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community.

Please do not let what happened to Kalihi, happen to Wai`anae. Vote against the purple spot.

Mahalo.

I am writing to urge you to vote against Bill 50 unless the purple spot is removed. Please let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from Clyde Kaneshiro and the Sand Island Business Association.

The purple spot industrial park is a bad idea. It will not create new jobs. It will not be affordable. It will not support farming. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community.

Please do not let what happened to Kalihi, happen to Wai`anae. Vote against the purple spot.

Aloha e Mr. Cachola,

I am writing to urge you to vote against Bill 50 unless the purple spot is removed. Please let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from Clyde Kaneshiro and the Sand Island Business Association.

The purple spot industrial park is a bad idea. It will not create new jobs. It will not be affordable. It will not support farming. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community.

Please do not let what happened to Kalihi, happen to Wai`anae. Vote against the purple spot.

Mahalo.

Aloha e Mr. Cachola,

I am highly dismayed by the proposal to allow some of the state's best farmland to industrial use. No only is the single road to Waianae too congested, but the people of the state, particularly on Oahu, need access to locally produced foods!

Aloha e Mr. Cachola,

I am writing to urge you to vote against Bill 50 unless the purple spot is removed. Please let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from Clyde Kaneshiro and the Sand Island Business Association.

The purple spot industrial park is a bad idea. It will not create new jobs. It will not be affordable. It will not support farming. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community.

Please do not let what happened to Kalihi, happen to Wai`anae. Vote against the purple spot.

Mahalo.

Subject: Purple Spot = Political Corruption

Aloha e Mr. Cachola,

I am writing to urge you to vote against Bill 50 unless the purple spot is removed. Please let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from Clyde Kaneshiro and the Sand Island Business Association.

The purple spot industrial park is a bad idea. It will not create new jobs. It will not be affordable. It will not support farming. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community.

Please do not let what happened to Kalihi, happen to Wai`anae. Vote against the purple spot.

Mahalo.

Aloha e Mr. Cachola,

I am writing to urge you to vote against Bill 50 unless the purple spot is removed. Please let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from Clyde Kaneshiro and the Sand Island Business Association.

The purple spot industrial park is a bad idea. It will not create new jobs. It will not be affordable. It will not support farming. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community.

Please do not let what happened to Kalihi, happen to Wai`anae. Vote against the purple spot.

Mahalo.

Aloha e Mr. Cachola,

I am writing to urge you to vote against Bill 50 unless the purple spot is removed. Please let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from Clyde Kaneshiro and the Sand Island Business Association.

The purple spot industrial park is a bad idea. It will not create new jobs. It will not be affordable. It will not support farming. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community.

Please do not let what happened to Kalihi, happen to Wai`anae. Vote against the purple spot.

Aloha e Mr. Cachola,

I am writing to urge you to vote against Bill 50 unless the purple spot is removed. Please let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from Clyde Kaneshiro and the Sand Island Business Association.

The purple spot industrial park is a bad idea. It will not create new jobs. It will not be affordable. It will not support farming. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community.

Please do not let what happened to Kalihi, happen to Wai`anae. Vote against the purple spot.

Mahalo.

Please let your vote be swayed by the residents of Wai`anae most directly affected by the urbanization of farmland, and not the political campaign contributions you have received from Clyde Kaneshiro and the Sand Island Business Association.

The purple spot industrial park is a bad idea. It will not create new jobs. It will not be affordable. It will not support farming. It will be expensive to build. It will drastically worsen traffic on Farrington Highway. It will destroy productive farmland. It will erode the fabric of this farming community.

Please do not let what happened to Kalihi, happen to Wai`anae. Vote against the purple spot.

Mahalo.
