To whom it may concern,

Please VOTE NO ON BILL 11. Limiting access to Hawaii's beaches seems very foolish, and you will be setting a dangerous precedent by doing so. What's next? Closing beach access, right of ways, etc...

While I am sure there are wealthy, influential people trying to make Kailua beach their own, please keep Kailua beach open for all to enjoy. Just remember, the wealthy only have so many votes, and thinking that these votes will get you re-elected is extremely short sighted.

Thank you,
Mark Cornish
