Subject: Parks and Cultural Affairs Committee Testimony

In Support of Bill 11 CD

It has come to our attention that there is an amended Bill 11 to prohibit tourist buses from dropping off tourists at Kailua and Kalama beaches and to prohibit vendor permits at either of those beaches. We support this amended bill and would like your help in getting it passed. Kailua is a small town without the resources to handle the number of tourists these buses drop off at the beaches. It adds to the trash and pollution at our beaches and reduces our quality of living.

I am assuming that the information that we were given about this bill is factual. If not, please let us know. Thank you for your time.
