SUPPORT BILL 11 CD1

Previous oral and written testimony on record.

Additional comments and recommendations:

All Kayak rentals made by non-residents should pay a \$5 environmental impact fee. The funds to be used to hire enforcement personnel, and South Kaleheo Avenue crossing guard.

Director Cabato testified that there are currently ONLY 3 ACTIVE permits for commercial activity in Kailua Beach Park ... for windsurfing.

What about the active permits for non movie industry photography, i.e. weddings, commercials, special promotions, etc.?

What about active permits for weddings?

What about active permits for yoga instruction?

Please respect the overwhelming testimony of those whom you are elected to represent and BAN ALL COMMERCIAL ACTIVITIES.
