Subject: Parks and Cultural Affairs Committee Testimony - Bill 11

I am 100% for regulating the kayak rental business and tour buses now dropping off people at Kailua Beach Park and in Lanikai. If it takes a total ban to get it done, I'm okay with that. You know whether it is constitutional or not. I'm not the expert. I'm leaving it to the City Council to realize that something MUST be done NOW, and however you do it, PLEASE do SOMETHING! It's madness to let this thing keep mushrooming into what it has. There is no end in sight. Now some of the Kailua companies are pairing up with Roberts, Maui Tours, and the Polynesian Cultural Center bringing tourists in to kayak. We are looking more and more like another Waikiki with every day that goes by.
