Dear Councilmember Berg,

Please support Bill 11 CD1 by passing it out of the Parks and Cultural Affairs Committee without changes.

Bill 11 CD1 will ban commercial use at Kailua Beach Park thereby ensuring compliance with the 1996 Environmental Assessment for Kailua Beach Park, ensuring that our taxpayer dollars don't continue to go to unnecessary kayak rescues, ensuring the health and safety of our residents and visitors at Kailua Beach Park, and ensuring that Kailua Beach Park will be preserved for recreational activities and families and not ruined by commercial activities.

The 1996 EA states that tour buses are not allowed, yet I witness daily one tour bus (Royal Star) after another disgorging 40-50 tourists at a time in the beach park. The restroom facilities have become a disgrace and I implore you to stop further degradation of this valuable resource.

Sincerely,

Francine Hagstrom
