**Subject:** Public parks should not be for sale

When will the insanity stop ???

You are to represent the people & NOT private developers.

STOP selling out the islands especially the beaches.

Please **OPPOSE** Resolution 12-143. Public parks should not be for sale. Recently approved community plans designate Haleiwa Beach Park Mauka and the North Shore as important recreational resources for the people of Oahu. Please give the community a chance to continue to partner with the City on the stewardship of this 3.4 acre coastal park before taking the drastic action of closing it and selling it.
