**Subject:** Resolution 12 - 143 To The City Council APPROVING THE SALE OF THE HALEIWA REGIONAL PARK VACANT PARCELS BY SEALED BIDDING BETWEEN THE TWO ABUTTING PROPERTY OWNERS,

I have had the opportunity to review the process taking place as to the Haleiwa Park remnant vacant parcels sales and fully concur with transaction as it will benefit the community going forward as coherent land use and the City and County of Honolulu from revenue generation. As currently structured the parcels do help any entity.

City Administration Seeks Council Approval to sell Hale'iwa remnant parcels.

The City Administration has sent RESOLUTION 12-143 to the City Council as below asking Council approval to sell the remnant parcels..

**APPROVING THE SALE OF THE HALEIWA REGIONAL PARK VACANT PARCELS BY SEALED BIDDING BETWEEN THE TWO ABUTTING PROPERTY OWNERS, TMK: 6-2-03:17, 19, 20, 22, 35, AND 38, INCLUSIVE.**

**{ For a complete review of all the details and reasons of the Administration to sell, read the attached Transmittal Letter and Resolution }**

The City Council Budget Committee will hear this Resolution 12-143 on **Monday, June 25, 2012 at 1 pm at City Hall in the Committee Meeting Room.**

This Resolution requests approval from the City Council supporting the City Administration's position to sell the controversial Hale'iwa Regional Park remnant parcels.

The remnant parcels, obtained over 42 years ago, were originally planned to be part of a Haleiwa Regional Park, in a Master Plan that never materialized as proposed and was canceled sometime in 1970. The Carlisle Administration has taken a similar position, as previous administrations have taken over 42 years, that it will not spend any city dollars on these remnant parcels.

- If you have a position on this issue, please consider sending testimony as to your position on Resolution 12-143.
- Even a short e-mail letting the Council know what you think is important would be very helpful.
- You may also consider attending the hearing on Monday, June 25 at 1 pm to express your position directly to the Budget Committee.

It is important that we all get involved as this decision could have an impact on Hale'iwa and its future.

Please send testimony regarding Resolution 12-143 or plan on attending the hearing on Monday, June 25 at 1:00 pm to express your views on the Resolution

Please let us know if you would like additional information.
