**Subject:** Public Park Lands Not For Sale

RECEIVED  
CITY CLERK  
C & C OF HONOLULU  
2012 JUN 20 PM 1:09

Aloha. Please consider opposing Resolution 12-143. Public parks should not be for sale. Recently approved community plans designate Haleiwa Beach Park Mauka and the North Shore as important recreational resources for the people of Oahu. Please give the community a chance to continue to partner with the City on the stewardship of this 3.4 acre coastal park before taking the drastic action of closing it and selling it.

ALL PARKS ARE TO BE KEPT IN PUBLIC HANDS! As being part of the Hui O hee nalu club, my family and I have spent many hours cleaning this park from run down & homeless living there, picking up trash and making it as beautiful as is now. We all are doing this because this is where my family and I spend many days for family time. Also a great educational tool to teach my children community service is done with love, respect for the land, and personal enjoyment of a job well done. Please keep this land to the public who deserves this land. We don't need more land taken away from the Hawaiians/locals. We have so little to have, dont take away my family and many others family destination away from the hustle and bustle of life. This beach park is our serenity and helped us build a strong family foundation.
