Subject: Haleiwa Beach Park Mauka

Hello,

I am writing in regards to the state government auctioning off the 3.4 acre parcel of land that sits mauka to Haleiwa Beach Park. I am a 41 year old homeowner in Waialua and grew up there as well. As I raise my 3 children in community, I am worried about all of the changes that are taking place in our community. Unfortunately, I see many of these changes as negatives and not resolving our existing and growing problems such as the traffic at Laniakea or the installment of sidewalks in Haleiwa. My children play soccer at Haleiwa Beach Park and we enjoy surfing at Puena Point so I am quite familiar with the usage of Haleiwa Beach Park and know how crowded the parking can become there. It would be in the best interest of the community to continue the development of a mauka side park rather than sell it to a single party who could potentially develop it into a hotel.

Mahalo for taking the time to read this.
