APPROVE

June 23, 2012

Mrs, Ann Kobayashi, Councilmember
Honolulu City Council
Honolulu, Hawaii 96814

Dear Councilmember Kobayashi,

I am in favor of the Resolution 12-143, asking for the approval to sell the vacant lands that were purchased over 40 years ago to become a part of the Haleiwa Regional Park, which never happened.

The City budget does not have the funds to maintain the parks that they have, much less, vacant lands.

Please vote in favor of Resolution 12-143.

Thank you,
