Greetings,

I just signed the following petition addressed to: Honolulu City Council and Mayor of Honolulu.

-----  
URGE City Council (& Mayor) that parks should be kept in public hands

City Seeks to Close and Sell Popular Well-Used Beach Park in Haleiwa The City Council Budget Committee will hear Resolution 12-143 on Monday, June 25, 2012 at 1 pm at City Hall in the Committee Meeting Room. This Resolution attempts to secure City Council approval of the City's plan to conduct a Park closure and sale of the 3.4 acre Haleiwa Beach Park Mauka.

To our knowledge this is the first time an actively used City Park would be closed and sold to a private interest.  
If possible please consider sending testimony opposing Resolution 12-143 and this drastic action. You may also consider attending the hearing on Monday, June 25 at 1 pm to express your support for the concept that "Public Park Lands Not For Sale."

Sincerely,

We are visiting Oahu again for the summer and visit Haleiwa a lot. This public space should remain for the public! There is plenty of private land but little land left for regular folks and future generations. Some things should remain the same!

Thanks,

**Subject:** URGE City Council (& Mayor) that parks should be kept in public hands

Greetings,

I just signed the following petition addressed to: Honolulu City Council and Mayor of Honolulu.

-----  
URGE City Council (& Mayor) that parks should be kept in public hands

City Seeks to Close and Sell Popular Well-Used Beach Park in Haleiwa The City Council Budget Committee will hear Resolution 12-143 on Monday, June 25, 2012 at 1 pm at City Hall in the Committee Meeting Room. This Resolution attempts to secure City Council approval of the City's plan to conduct a Park closure and sale of the 3.4 acre Haleiwa Beach Park Mauka.

To our knowledge this is the first time an actively used City Park would be closed and sold to a private interest.  
If possible please consider sending testimony opposing Resolution 12-143 and this drastic action. You may also consider attending the hearing on Monday, June 25 at 1 pm to express your support for the concept that "Public Park Lands Not For Sale."

-----  
Sincerely,

Jessica DelaCruz

Greetings,

I just signed the following petition addressed to: Honolulu City Council and Mayor of Honolulu.

-----  
URGE City Council (& Mayor) that parks should be kept in public hands

City Seeks to Close and Sell Popular Well-Used Beach Park in Haleiwa The City Council Budget Committee will hear Resolution 12-143 on Monday, June 25, 2012 at 1 pm at City Hall in the Committee Meeting Room. This Resolution attempts to secure City Council approval of the City's plan to conduct a Park closure and sale of the 3.4 acre Haleiwa Beach Park Mauka.

To our knowledge this is the first time an actively used City Park would be closed and sold to a private interest.

If possible please consider sending testimony opposing Resolution 12-143 and this drastic action. You may also consider attending the hearing on Monday, June 25 at 1 pm to express your support for the concept that "Public Park Lands Not For Sale."

-----  
Sincerely,

Ashley Kaonon

Sincerely,

The public land is in front of an ANCIENT HAWAIIAN FISHPOND that the community is working hard to restore. The sale to a Hotel developer will significantly restrict the access and the overall vision of growing the area into a vibrant community gathering place that allows all to connect to the fishpond and the educational/cultural vision that the community is working hard to restore.

Greetings,

I just signed the following petition addressed to: Honolulu City Council and Mayor of Honolulu.

-----  
URGE City Council (& Mayor) that parks should be kept in public hands

City Seeks to Close and Sell Popular Well-Used Beach Park in Haleiwa The City Council Budget Committee will hear Resolution 12-143 on Monday, June 25, 2012 at 1 pm at City Hall in the Committee Meeting Room. This Resolution attempts to secure City Council approval of the City's plan to conduct a Park closure and sale of the 3.4 acre Haleiwa Beach Park Mauka.

To our knowledge this is the first time an actively used City Park would be closed and sold to a private interest.

If possible please consider sending testimony opposing Resolution 12-143 and this drastic action. You may also consider attending the hearing on Monday, June 25 at 1 pm to express your support for the concept that "Public Park Lands Not For Sale."

Sincerely,

-----  
Sincerely,

ALL PARKS ARE TO BE KEPT IN PUBLIC HANDS! As being part of the Hui O hee nalu club, my family and I have spent many hours cleaning this park from run down & homeless living there, picking up trash and making it as beautiful as is now. We all are doing this because this is where my family and I spend many days for family time. Also a great educational tool to teach my children community service is done with love, respect for the land, and personal enjoyment of a job well done. Please keep this land to the public who deserves this land. We don't need more land taken away from the Hawaiians/locals. We have so little to have, dont take away my family and many others family destination away from the hustle and bustle of life. This beach park is our serenity and helped us build a strong family foundation.
