CITY CLERK
HONOLULU, HAWAII

Testimony in SUPPORT of BILL 11, CD1

Dear Honolulu City Council Members,
I am in support of Bill 11, CD1 banning all commercial activity at Kailua's beach parks.
Please stop the escalating illegal activities that are degrading the beaches for all residents and visitors.

Attached are photos I took on a day in June. That day I counted 63 kayak carts by the Kaelepulu pedestrian bridge, and that's from just one company. I have been hit more than once by these kayaks while swimming in the swim area.
Please stop this greed!

Respectfully, Jean Stromberg
