**Subject:** Favor of Bill 11

I am a born and raised Kailua resident and I AM IN FAVOR of Bill 11...There needs to be a balance for this kayak/tour bus problem that has spiraled out of control. The kayak and tour business's have taken advantage of Kailua and the residents who want to enjoy these beaches and islands without trying to make a buc. Mokulua islands and Flat Island should not be used to make these companies money. 100-150 kayaks a day on these islands is disgusting! Did we forget these are Bird Sanctuaries. Also the safety issue on land with buses in the bike lane along with the kayak drop offs in the bike lane, etc etc.. It all needs to stop. Please pass Bill 11 today!!!!
