Subject: Council Meeting Testimony

I strongly urge all Council members to vote to override Mayor Carlisle's veto of Bill 11 CD1. The reason given by the Mayor that the Bill is not consistent with the City Charter is itself not consistent with changes that have been made to the Charter. In addition, if the Mayor wants to allow filming by TV and movie companies, he can easily submit a Bill to do so.

The Kailua community has been waiting for more than six years for something to be done about the proliferation of commercial activities using public property at Kailua Beach Park, there is no valid reasons for further delay. It is time to move forward with this solution to a serious problem.
