Bill 11 Support

Aloha Council Members,

It is with a long history of involvement in Kailua and Kailua beach parks that I render support of Bill 11. I remember the many hearings in 1996 where, as President of Lani-Kailua Outdoor Circle, I spoke to the preservation of the open space at Kailua Beach Park. We at The Outdoor Circle were very proud of the Council Members for making the decision to preserve and protect this jewel of the windward coastline. The law enacted then has been proudly upheld and championed by much of our Lanikai and Kailua community. It is a shame that city mandated enforcement has been less so.

Many of us remember the further protection promised: no tour busses. This added protection was added by your Council for safety reasons concerning traffic and parking issues. How is it that we have been subjected to eluded enforcement for so long? There is an answer to this pressing problem. It is to over-ride the Mayor's veto and enact Bill 11.

Mahalo,  
Alexandra Avery
