RECEIVED  
CITY CLERK  
C & C OF HONOLULU  
2012 SEP 12 AM 8:39

Dear Chair Martin and Councilmembers:

Subject: Resolutions Authorizing the Lease of City-Owned Properties for Special Needs Housing Under Section 28-3.5, Revised Ordinances of Honolulu

The Department of Community Services is pleased to transmit for your consideration, four (4) Resolutions authorizing the execution of Leases with various nonprofit agencies for the operation of housing and facilities to assist persons with special needs. The Leases will be executed pursuant to Section 28-3.5, Revised Ordinances of Honolulu (ROH).

By way of background, the Department of Community Services issued a Request for Proposals (RFP) on March 23 and 30, 2012, for the lease of four City-owned properties for use as special needs housing. One (1) proposal was received for each property. All proposals were from the current Lessees.

The evaluations of these proposals were performed by the staff of the Department of Community Services, and no external evaluation was done. This was because: 1) there were no competing proposals; 2) only the current Lessees submitted proposals; 3) there were no complaints from the public regarding the housing programs operated by these nonprofits; and 4) the Department of Budget and Fiscal Services' Federal Grants office did not notify us that there were any outstanding monitoring issues concerning any of these four (4) nonprofits or the conditions of their current Leases.

The Department of Community Services has recommended that three (3) of the Leases be executed with five (5)-year lease terms. We have recommended that one (1) Lease be executed for a 25 year term, as allowed under Section 28-4.1, ROH, if the Lessee agrees to expend \$25,000 or more in renovations or improvements, and the City Council finds that the extended lease term is in the public interest.

In accordance with Section 28-3.5(d), ROH, a written report was submitted to the City Clerk on June 1, 2012, identifying the proposals and selection of the nonprofit agencies for the public record. The transmittal included a copy of the Public Notice advertising the RFP.

In accordance with Section 28-3.5, ROH, a public hearing was held on July 3, 2012, regarding the City's proposal to lease City-owned property to housing and human services providers at nominal lease rents. No written testimony was received, and there were no comments made at the hearing regarding method of payment for the lease rents.

The Leases to be executed and the programs to be operated at each property are described below:

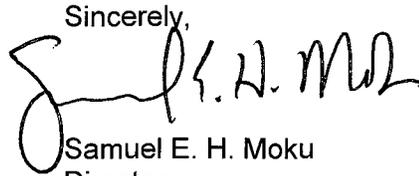

- 1) **Transitional Apartments at a confidential location of Oahu**  
Property Description: A three-story apartment building containing 6 two-bedroom units, and one unit is reserved for the resident manager, on a 6,677 square foot lot  
Lessee: **Child and Family Service**

Lease Rent: \$100 per month

Property Description: A two-story multifamily apartment building with 25 one-bedroom and 9 two-bedroom units on a 26,394 square foot lot. Also includes 27 parking stalls, an elevator, laundry rooms, and a multi-purpose room and administrative offices

Lease Term: 25 years  
Lease Rent: \$1.00 per year (with a minimum of \$25,000 or more in capital improvements)  
Program Description: The provision of transitional housing for homeless families with children under 19 years of age;
- 3) **710 Kunawai Lane, Honolulu, Hawaii, 96817**; Tax Map Key: 1-7-037: 044

All of these projects will principally serve persons of low or moderate income (less than 80% of median income). These projects further the goal of the City's Special Needs Housing Program of assisting persons with physical, mental, or social challenges to live as independently as possible within our community. Each of these projects is operated by an established nonprofit agency with a history of providing services to our community and has established track records of assisting their clients.

Additionally, the Department of Community Services has certified that the leasing of these properties has been performed according to Section 28-3.5, Revised Ordinances of Honolulu. A copy of a "Certification for the Record" is attached.

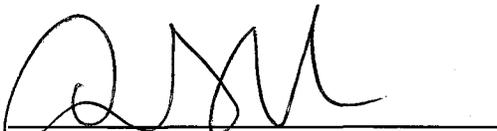

Your favorable consideration of the attached Resolutions and Leases will be appreciated. If you need further information or have any questions, please feel free to contact me at 768-7760.

Sincerely,

If the City makes such repairs, Lessee shall pay to the City the cost thereof plus interest at the rate of twelve percent (12%) per annum on demand. 20. INDEMNITY. Lessee will indemnify and defend the City, and hold the City harmless against all claims whatsoever for: (a) failure of Lessee or its agents and employees to make any required disclosures in connection with the Property to users or any other person as required by law; (b) any misrepresentations made by Lessee or its agents and employees in connection with the Property to any person; (c) the failure of Lessee or its occupants, its clients, agents, employees, tenants, contractors, or subcontractors to observe all applicable laws and covenants as stated in Section 8., above, (d) the failure of Lessee to observe and perform its obligations stated in this Lease; and (e) loss or damage, including property damage, bodily injury, and wrongful death, arising out of or in connection with the use or occupancy of the Property by Lessee or any client, tenant, occupant, or other person claiming by, through or under Lessee, or any accident or fire on the Property, or any nuisance made or suffered thereon, or any failure by Lessee to keep the Property in a safe condition, or any other liability whatsoever on account of the Property, or on account of the acts or omissions of Lessee, its employees, agents, contractors, subcontractors, tenants, occupants, clients, or any other persons present upon the Property in connection with Lessee's use or occupancy thereof. In connection with the foregoing, the Lessee will reimburse the City for all its costs and expenses including but not limited to reasonable attorneys' fees incurred in connection with the defense of any such claims, and will hold all goods, materials, furniture, fixtures, equipment, machinery and other property whatsoever within the Property at the sole risk of Lessee and hold the City harmless for any loss or damage thereto by any cause whatsoever.

21. LIENS. Lessee will keep the Property free of all liens and encumbrances arising out of its activities. Should any such lien or encumbrance attach to the Property then: (a) Lessee shall immediately notify the City of such attachment, and (b) Lessee shall pay the claim and cause the same to be satisfied and discharged of record, and if Lessee shall not pay the same and cause it to be satisfied and discharged of record promptly, City may, at its option, pay the same and any amount paid by the City shall become immediately due and payable by Lessee to City as additional rent. Lessee will indemnify and hold the City harmless against such lien or encumbrance and all expenses incurred by the City including but not limited to reasonable attorneys' fees.

22. SURRENDER. At the end of the Term, Lessee will peaceably deliver up to the City

possession of the Property and all improvements in good condition except for reasonable wear and tear, free and clear of encumbrances which shall include, without being limited to, all claims, liens, charges or liabilities.

23. CONDEMNATION. In case at any time or times during the Term, the Property or any part thereof shall be required, taken, or condemned by any authority having the power of eminent domain, then and in every such case the estate and interest of Lessee in the Property so required, taken or condemned shall at once cease and terminate, and Lessee shall not by reason thereof be entitled to any claim against the City or others for compensation or indemnity for the leasehold interest, and all compensation and damages payable for or on account of the Property or portion thereof shall be payable to and be the sole property of the City.

24. TRANSFER BY CITY. City may transfer, assign, or sell this Lease, or any interest in this Lease or the Property, at any time, with prior notice to Lessee, upon which transfer, assignment or sale, City shall be released of all liability hereunder. Lessee shall attorn to the transferee, assignee, or purchaser, and shall perform all obligations required to be performed by Lessee under this Lease after the date Lessee is notified of the transfer, assignment, or sale, as though the transferee, assignee or purchaser was the original Lessor named in this Lease.

25. PROTECTION OF MORTGAGEE. During the existence of any mortgage of this Lease, to which the City has consented in writing, the City will not terminate this Lease because of any default by Lessee if, within a period of 30 days after the City has mailed written notice to the mortgagee of intention to terminate this Lease at the last known address thereof, such mortgagee shall either cure such default or, if the same cannot be cured by the payment of money, shall undertake in writing to perform all the terms of this Lease until this Lease is sold upon foreclosure. Upon such undertaking, the City will not terminate this Lease within such further time as may be required by the mortgagee to complete the foreclosure process provided that such process is pursued and completed diligently. Ownership by the same person of both the fee and leasehold estates in the Property shall not effect the merger thereof without the prior written consent of any mortgagee to such merger.

26. DEFAULT. Lessee shall be in default of its obligations under this Lease upon occurrence of any of the following events (hereinafter called "events of default"):

1. Failure to Pay Rent. Lessee's failure to pay rent or other charges required to be paid by Lessee under this Lease within ten days of its due date; or

2. Failure to Comply. Lessee's failure to comply with any other provision of this Lease which Lessee is obligated to comply with within thirty days of written notice from City to Lessee of such non-compliance, provided that if the cure cannot be completed within thirty days, then so long as Lessee has commenced the action to comply and diligently prosecutes the same, Lessee shall not be in default; or

3. Abandonment. Lessee's abandonment of the Property, for a period of 30 consecutive days or more; or

4. Assignment to Creditors. Lessee's assignment of this Lease for the benefit of creditors; or

5. Writ of Execution. Lessee's interest in this Lease, or any interest in it, being taken under a writ of execution; or

6. Bankruptcy. Lessee's seeking voluntarily or the filing of an involuntary bankruptcy against Lessee, seeking the protection of the bankruptcy laws of the United States or any similar law for the relief of debtors; or

7. Breach of Covenant. Lessee's breach of any covenant, warranty, promise or representation herein contained and the continuance of such breach for a period of thirty days after written notice to Lessee; or

8. Misrepresentation. Any material representation or warranty of Lessee contained herein or any material representation to City concerning the financial condition or credit standing of either Lessee or any party ("Guarantor") obligated to City under any agreement guaranteeing performance of any of the obligations of Lessee referred to herein proves to be false or misleading, or City reasonably determines that its position as City is threatened by reason of a material adverse change in the financial condition or credit standing of either Lessee or of any Guarantor.

27. REMEDIES.

1. Interest and Late Payment Charge. If Lessee shall be delinquent in payment of the rent or the payment of any other charge required to be paid by Lessee under this Lease, Lessee shall pay, with each overdue payment, interest on the overdue payment at the rate of twelve percent (12%) per year. In addition to interest, Lessee shall also pay to City a late fee equal to five percent (5%) of the overdue payment to cover City's administration costs of processing such overdue payment.

2. Remedies Upon Default. Upon occurrence of any event of default, City may exercise any of the following remedies:

a. Re-entry: Termination. City may elect to terminate this Lease, but only by specific written notice of its election to Lessee, and may terminate the rights of Lessee to this Lease and the Property, and may reenter the Property to take possession of it;

b. Re-entry: No Termination. Without terminating this Lease, City may reenter the Property and occupy it and may, but is not obligated to, relet any portion or all of the Property for the account of Lessee; provided that City may terminate this Lease at any time after Lessee's default, even if City has relet any portion of the Property for the account of Lessee.

c. Cure. City may but shall not be obligated to cure any event of default and to charge Lessee for the cost of effecting such cure.

3. Exercising City's Remedies. Upon City exercising any of its above-listed remedies, Lessee agrees to the following:

a. Removal of Persons and Property. If City reenters the Property, it may remove all persons from the Property by any lawful means available. City may also remove all property of Lessee from the Property, and may enforce its right against that property, or may store the property at the expense of Lessee, or may dispose of the property if Lessee does not reclaim the property within 30 days after City has re-entered the Property.

b. No Termination. City's re-entry into the Property or its action to obtain possession of the Property shall not be deemed to constitute a termination of this Lease Agreement, or a termination of Lessee's obligation to pay rent or any other charge required to be paid by Lessee under this Lease Agreement, or a termination of any other liability of Lessee under this Lease Agreement including but not limited to Lessee's liability for damages.

c. Reletting. If City elects to relet the Property to a replacement Lessee, with or without terminating this Lease Agreement, City may enter into an agreement with the replacement Lessee for such rent and on such terms as City in its sole discretion deems appropriate. City may repair or alter the Property to suit the purposes of the replacement Lessee or to enable City to relet the Property or any portion of the Property.

d. Application of Rent. City shall apply the rent and other payments received from the replacement Lessee, in the following order and priority: (1) to the costs incurred by City to recover possession of the Property, including but not limited to reasonable attorney's fees and costs; (2) to the costs

incurred by City to relet the Property, including but not limited to the costs of repairs and alterations, and broker's commissions; (3) to the unpaid rent and other payments required to be paid by Lessee under this Lease Agreement. If there shall be a surplus, City may retain such surplus to pay subsequent amounts which become due and payable by Lessee under this Lease Agreement, and if there shall be any surplus at the expiration of this Lease Agreement, City shall pay such surplus to Lessee at the expiration of this Lease Agreement. If there shall be any deficiency between the rent and payments received from the replacement Lessee and the amount required to pay the items described in subparagraphs (1), (2), and (3) of this paragraph, Lessee shall be liable to City for such deficiency.

e. Legal Action. City may initiate legal action against Lessee at any time to recover amounts owed to City under this Lease Agreement, even though such action is initiated prior to termination of this Lease Agreement or prior to a final determination of amounts owed to City by Lessee. Initiating an action pursuant to this provision shall not be deemed a termination of this Lease Agreement and shall not preclude City from initiating subsequent actions against Lessee to recover any amounts due from Lessee.

f. Additional Remedies. If City terminates this Lease Agreement, then in addition to any other remedy available to City, City may recover from Lessee either (1) all damage sustained by City as a result of Lessee's default, and (2) the amount by which the total rent and other amounts payable for the remainder of the term of this Lease Agreement exceed the rent that City can be expected to receive for the Property for such period, together with the costs of recovering possession of the Property, the anticipated costs of reletting the Property, and reasonable attorney's fees and costs incurred by City.

g. Remedies Cumulative. The remedies available to the City are cumulative and not exclusive, and the exercise of any remedy by City shall not preclude its exercise of any other available remedies.

h. Costs and Attorney's Fees. City shall be entitled to recover from Lessee all costs incurred by City in enforcing any provision of this Lease which Lessee is required to comply with, including but not limited to reasonable attorney's fees and costs.

## 28. SURRENDER: HOLDING OVER.

1. Surrender. Upon expiration or earlier termination of this Lease Agreement, Lessee shall immediately vacate and surrender the Property to City, together with all improvements, additions and fixtures then on the Property, whether installed by City or by Lessee, including any air conditioning units or systems, all in good condition, ordinary wear and tear excepted; provided that City, at its option, may require Lessee to remove any or all improvements, additions and fixtures installed by Lessee in the Property, in which event Lessee shall do so and shall restore the Property to its original condition at the commencement of this Lease Agreement within seven days following the expiration or earlier termination of this Lease Agreement. Lessee shall remove all of its personal property before surrendering the Property and shall repair any damage to the Property caused thereby. Lessee's obligation to observe or perform this covenant shall survive the expiration or other termination of the term of this Lease Agreement. Personal property is defined as inventory, operating equipment or other property not affixed to the Property.

2. Failure to Restore. If Lessee fails to complete the removal and the restoration in the manner and within the time specified, City may complete such removal and restoration in which event Lessee shall be liable to City for all costs incurred by City which amount shall be immediately due and payable after notice to Lessee by City of the amount due.

3. Holding Over. If Lessee remains in possession of the Property after the expiration or earlier termination of this Lease Agreement without the consent of City, Lessee shall be liable (1) for two times the fair market rent for the premises, determined as of the expiration or earlier termination of this Lease Agreement, (2) for all other charges payable by Lessee pursuant to other provisions of this Lease Agreement, and (3) for all other damages City may sustain as a result of such wrongful holdover. Acceptance

of rent or other payments by City from Lessee during any holdover period shall not be deemed to create a new tenancy in favor of Lessee, but to the contrary, City may initiate action against Lessee at any time to recover possession of the Property, and to recover all damages sustained by City as a result of Lessee's wrongful holdover.

29. DISSOLUTION OF LESSEE. In the event of the corporate dissolution of Lessee, the City may terminate this Lease.

30. HAZARDOUS SUBSTANCES. Lessee shall not cause, permit, or allow the storage, use, escape, disposal or release of any hazardous substances or materials in or about the Property by Lessee, Lessee's agents, employees, contractors, invitees or licensees, except in full compliance with all hazardous materials laws. Hazardous substances and materials shall include those described in the Hazardous Materials Laws. "Hazardous Materials Laws" shall include, but not be limited to, the Comprehensive Environmental Response Compensation and Liability Act of 1980, as amended, 42 U.S.C. Section 9601 et seq., the Resource Conservation and Recovery Act, as amended, 42 USC Section 6901 et seq., the Hazardous Materials Transportation Act, the Clean Water Act, the Clean Air Act, the Toxic Substances Control Act and the Safe Drinking Water Act, the Hawaii Environmental Response Law, Hawaii Revised Statutes Chapter 128D, as well as any similar state and local laws and ordinances and regulations now or hereafter adopted, published and/or promulgated pursuant thereto as the same may be amended from time to time. If any lender or governmental agency shall ever require testing to ascertain whether or not there has been any storage, presence or release of hazardous substances or materials, then the reasonable costs thereof shall be reimbursed by Lessee to the City upon demand as additional charges if such requirement applies to the Property. In addition, Lessee shall execute affidavits, representations and the like from time to time at the City's request concerning Lessee's best knowledge and belief regarding the presence of hazardous substances or materials on the Property. In all events, Lessee shall defend, indemnify and hold harmless the City, its employees, agents, successors and assigns from and against any claims, demands, actions, lawsuits, proceedings, losses, damages, liabilities, fines, penalties, judgments, awards, costs and expenses directly or indirectly arising out of or attributable to the use, generation, manufacture, treatment, handling, refining, production, processing, storage, release, threatened release, discharge, disposal, removal or presence of hazardous substances or materials on or under or about the Property by Lessee or attributable to Lessee including, but not limited to any damages, the cost of clean up or detoxification of the Property and the preparation and implementation of any closure or remedial or other required plans and all reasonable costs and expenses incurred by the City in connection with such items including, but not limited to, attorneys' fees and costs. The foregoing covenants shall survive the expiration or earlier termination of this Lease.

31. ADA COMPLIANCE. As between the City and Lessee, Lessee shall be responsible for ensuring that the Property, all alterations and improvements in the Property, and Lessee's use and occupancy of the Property complies with the requirements of the Americans with Disabilities Act of 1990 (42 U.S.C. 12181, et seq.), and all regulations promulgated thereunder, and all amendments, revisions or modifications thereto now or hereafter adopted or in effect therewith (the "ADA"). However, Lessee shall not make any such alterations or improvements except in accordance with the provisions of Sections 11 and 16.

32. SEXUAL HARASSMENT POLICY FOR EMPLOYER HAVING A CONTRACT WITH THE CITY. All entities having a contract with the City (referred to in this Section as a "Contractor") must comply with the Revised Ordinances of Honolulu, 1990, Chapter 1, Article 18 ("Article 18") on sexual harassment. All Contractors shall have and enforce a policy prohibiting sexual harassment. The Contractor's sexual harassment policy must set forth the same or greater protection than those contained or required by the ordinance. The ordinance is applicable to the Contractor's business and includes the following:

- a. Prohibitions against an officer's or employee's sexual harassment of the following:
  - (1) Another officer or employee of the employer;
  - (2) An individual under consideration for employment with the employer; or
  - (3) An individual doing business with the employer;

b. A provision prohibiting a management or supervisory officer or employee from knowingly permitting a subordinate officer or employee to engage in the sexual harassment prohibited under Subdivision a of the ordinance;

c. A prohibition against retaliation towards an officer, employee, or individual who has complained of sexual harassment, conducted an investigation of a complaint, or acted as a witness during an investigation of a complaint;

d. A prohibition against a malicious false complaint of sexual harassment by an officer, employee, or individual;

e. Provisions allowing an officer, employee, or individual to make a sexual harassment complaint to an appropriate management, supervisory, or personnel officer or employee;

f. Procedures for investigating a sexual harassment complaint in an unbiased, fair, and discreet manner with appropriate safeguards to maintain confidentiality and protection from embarrassment;

g. A provision requiring the use of the "reasonable person of the same gender standard," to determine if sexual harassment has occurred. Under the standard, sexual harassment shall be deemed to have occurred if the alleged offender's conduct would be considered sexual harassment from the perspective of a reasonable person of the same gender as the alleged victim. If the alleged victim is a woman, the "reasonable person of the same gender standard" shall be equivalent to and may be called the "reasonable woman standard;"

h. Disciplinary action which may be imposed on an officer or employee who committed a prohibited act; and

i. For a Contractor with at least five (5) employees, a provision requiring the annual viewing of a video on the sexual harassment policy by each management or supervisory officer or employee.

The policy required under this section shall be in effect for at least the duration of the Contractor's contract with the City. The action of the bidder or proposer in submitting its bid, proposal or signing of the contract shall constitute its pledge and acceptance of the provisions for the sexual harassment policy as required by Article 18. Article 18 is on file and available for viewing in the Purchasing Division. Contractors needing a copy must pick up the copy from the Office of the City Clerk, Room 203, City Hall, 530 South King Street, Honolulu, Hawaii, 96813.

All such amendments shall be within the general scope of this Agreement. The City shall provide all such amendments in writing to the Lessee. The Lessee agrees that it shall immediately take any and all reasonable steps to comply with such amendments.

Those designated terms shall have the same meaning throughout this Agreement, unless otherwise specifically stated or clearly inappropriate in the context.

K. Force Majeure. If any party is prevented from performing its obligations stated in this Agreement by any event not within the reasonable control of that party, including, but not limited to an act of God, public enemy, or war, fire, an act or failure to act of a government entity (except on the part of the City), unavailability of materials, or actions by or against labor unions, it shall not be in default in the performance of its obligations stated in this Agreement. PROVIDED, HOWEVER, any party delayed by such an event shall request an extension of time to perform its obligations stated in this Agreement by notifying the party to which it is obligated within ten days following the event. If the notified party agrees that the event was the cause of the delay, the time to perform the obligations stated in this Agreement shall be extended by the number of days of delay caused by the event. If the required notice is not given by the delayed party, no time extension shall be granted.

L. Gender: Number. In this Agreement, the use of any gender shall include all genders and the use of any number in reference to nouns and pronouns shall include the singular or plural, as the context dictates.

the parties hereto arising out of or relating to this Agreement, the prevailing party shall be entitled to recover from the non-prevailing party its reasonable expenses, including attorneys' fees and costs.

S. No Waiver. No consent or waiver, expressed or implied, by either party to or of any breach or default by the other party in the performance of its obligations hereunder, shall be valid unless in writing. No such consent or waiver shall be deemed or construed to be a consent or waiver to or of any other breach or default in the performance by such other party of any other obligations of such party hereunder. The failure of any party to declare the other party in default shall not constitute a waiver by such party of its rights hereunder, irrespective of how long such failure continues.

T. Notice. Any notice required or permitted by the provisions of this Agreement to be given by a party to any other party, shall be written and either shall be delivered personally or mailed postage prepaid by certified mail, return receipt requested, to each other party at the address and to the person designated below. ### CDBG Management Agreement Management and Monitoring Requirements CDBG-Assisted Rental Housing

Lessee Name: \_\_\_\_\_

Property Name: Transitional Apartments

A. Project-Specific Requirements:

1. CDBG National Objective

The entire Property shall be used exclusively as transitional housing for abused spouses and children. No dwelling units shall be used for or be converted to non-housing uses.

2. National Objective Period/Period of Affordability

The Owner shall manage the Property in compliance with the CDBG regulations, any CDBG agreements with the City, and these Guidelines for \_\_\_\_\_ years.

3. Target Group

One-hundred percent (specify the percentage) of the households must be low- and moderate-income households at the time of first occupancy of a rental unit. A low- and moderate-income household is defined as a household, the income of which does not exceed 80% of the median income for Honolulu, adjusted for household size and periodically revised and published by the U. S. Department of Housing and Urban Development (HUD).

4. Definition of Income.

The Owner hereby elects to use the following definition of income (check one) when determining, certifying, and recertifying the household incomes of the tenants on the Property:

Section 8

IRS Form 1040

U.S. Census long form

B. Property Standards.

1. The Owner shall maintain the Property in accordance with the City's housing and building codes.
2. The Owner shall inspect dwelling units annually for compliance with the codes.
3. The Owner shall file the inspection reports, signed by tenants and inspector, as evidence that the unit meets the codes.

C. Tenant Selection Procedures

1. The Owner shall comply with Federal regulations pertaining to affirmative marketing, fair housing, and equal opportunity (24 CFR 1.4; 24 CFR 570.506(g); 24 CFR 570.602; and 24 CFR 92.351).
  - a. In general, the Property must serve all persons without regards to race, color, national origin, religion, sex, handicap, or familial status.
  - b. No person shall be denied the benefits of the Property because of familial status, age, or disability.
  - c. The HUD Fair Housing logo shall be placed on the Property's housing application forms, brochures, advertisements, and rental agreements. The HUD Fair Housing Poster shall be displayed in the Project's administrative office.
  - d. The Owner shall provide the City with a completed and updated HUD Form 935.2A Affirmative Fair Housing Marketing Plan. The Owner must actively market and reach out to all persons, especially those persons that, for various reasons, are least likely to apply. Special needs housing (e.g., transitional housing for the homeless or disabled) is not exempt from these regulations.
  - e. The Owner shall annually complete and provide to the City HUD Form 27061 Race and Ethnic Data Reporting Form.
  - f. The Owner shall maintain and provide to the City records of the number of female single heads of households and the number of male single heads of households that the Project served over its program year.
2. The Owner shall notify prospective clients in writing that the Property is subject to CDBG regulations.
3. The Owner must adopt written tenant selection policies and criteria that:
  - a. Are consistent with the purpose of providing housing for low- and moderate-income households.
  - b. Provide for the selection of applicants from a written waiting list in the chronological order of their application, insofar as is practicable.
  - c. Provide for applications to be date- and time-stamped.

- d. Give prompt written notification to any rejected applicant of the grounds for any rejection.

D. Household Income

1. Definition. The Owner shall comply with the regulation stated at 24 CFR 570.3, Definition of "income," which says:

*Income.* For the purpose of determining whether a family or household is low- and moderate-income under subpart C of this part, [Owner] may select any of the three definitions listed below for each activity, except that integrally related activities of the same type and qualifying under the same paragraph of Sec. 570.208(a) shall use the same definition of income. The option to choose a definition does not apply to activities that qualify under Sec. 570.208(a)(1) (Area benefit activities), except when the recipient carries out a survey under Sec. 570.208(a)(1)(vi). Activities qualifying under Sec. 570.208(a)(1) generally must use the area income data supplied to recipients by HUD.

- a. The three definitions are as follows:

- (1) Section 8. "Annual income" as defined under the Section 8 Housing Assistance Payments program at 24 CFR 813.106 (except that if the CDBG assistance being provided is homeowner rehabilitation under Sec. 570.202, the value of the homeowner's primary residence may be excluded from any calculation of Net Family Assets); or
- (2) Census. Annual income as reported under the Census long-form for the most recent available decennial Census. This definition includes:
  - (A) Wages, salaries, tips, commissions, etc.;
  - (B) Self-employment income from own nonfarm business, including proprietorships and partnerships;
  - (C) Farm self-employment income;
  - (D) Interest, dividends, net rental income, or income from estates or trusts;
  - (E) Social Security or railroad retirement;
  - (F) Supplemental Security Income, Aid to Families with Dependent Children, or other public assistance or public welfare programs;
  - (G) Retirement, survivor, or disability pensions; and
  - (H) Any other sources of income received regularly, including Veterans' (VA) payments, unemployment compensation, and alimony; or
- (3) IRS 1040. Adjusted gross income as defined for purposes of reporting under Internal Revenue Service (IRS) Form 1040 for individual Federal annual income tax purposes.

2. Estimating Annual Income.

Estimate the annual income of a family or household by projecting the prevailing rate of income of each person at the time assistance is provided for the individual, family, or household (as applicable). Estimated annual income shall include income from all family or household members, as applicable. Income or asset enhancement derived from the CDBG-assisted activity shall not be considered in calculating estimated annual income.

3. If the household is a minor or person that does not have a personal income, the household income of that household's guardian or parents must not exceed 80 percent of the Honolulu median income.

4. All households, including elderly, abused, homeless, and severely disabled, etc., must be fully income certified to qualify to live in the Property. No households in CDBG-assisted housing may be presumed to be of low- to moderate-income.

(See 24 CFR 570.208 (a)(2)(i)(A), which states that the beneficiaries of "activities involving the acquisition, construction or rehabilitation of property for housing" may not be presumed to be of low- and moderate income.)

5. Frequency of full income certification; choice of definitions of income; period of validity of income certification.

a. Frequency of full income certification.

The Owner shall determine and certify incomes of tenants initially, upon the tenants' entrance into the Property, and recertify incomes at least annually thereafter.

b. Documentation of income.

The Owner shall place documentation in the tenant files, signed by Owner and applicant, to the effect that the Owner determined, certified, and recertified the applicant's income, including the updated income amount, date of recertification.

c. Choice of definitions of income

i. Rental Rates Based on Income

- (A) If the rents in the Property are based on the tenants' ability to pay, that is, if the tenant never pays more than 30 percent of income for rent, then the Owner *must* use the Section 8 definition of income and calculate the tenants' Section 8 *adjusted income* as defined by HUD at various places, including:

<http://www.hud.gov/offices/cpd/affordablehousing/training/web/calculator/adjustedincome>

(B) If the rents in the Property are *not* based on the tenants' ability to pay, then the Owner may choose among three definitions of income stated in 24 CFR 570.3 "Income."

ii. Using the IRS Definition of Income.

(A) If, and only if, the Owner elects to use the IRS definition of income (see: *Technical Guide for Determining Income and Allowances for the HOME Program*, Third Edition, January 2006, The United States Department of Housing and Urban Development, page 17):

- (i) The Owner may use the household income figure shown either on IRS short form 1040EZ or on IRS Form 1040.
- (ii) The tax return may be used as proof of income.
- (iii) The income certification is valid up to 12 months from the date of income certification.

(B) If the Owner *does not* elect to use the IRS definition of income:

- (i) As described in the definition of "income" quoted above, the Owner shall "Estimate the annual income of a family or household by projecting the prevailing rate of income of each person at the time assistance is provided for the individual, family, or household (as applicable)..."
- (ii) The Owner may not use an applicant's income tax return or other forms of "self-certification" as the sole or primary means of determining income. The Owner shall determine income using documents from third parties and the methodology prescribed in the HOME income calculator, or its equivalent, at the following website

<http://www.hud.gov/offices/cpd/affordablehousing/training/calculator/adjustedincome/index.cfm>

- (iii) The initial income certification is valid up to 6 months from the date of income certification. Recertifications of income are valid for 12 months from the date of recertification.

iii. Third-Party Certifications

In lieu of the method prescribed in the above-cited definition of "income," the Owner may verify and document a household's income by obtaining a written statement from the administrator of

another government program (such as Section 8 program); by comparing the household's income against the current schedule of household income limits published by the U.S. Department of Housing and Urban Development; and by placing the written statement and comparison with Honolulu's 80% of median income limits in the household's file. This written statement is described as follows:

"Obtain a written statement from the administrator of a government program under which the family receives benefits and which examines each year the annual income of the family. The statement must indicate the tenant's family size and state the amount of the family's annual income; or alternatively, the statement must indicate the current dollar limit for very low- or low-income families for the family size of the tenant and state that the tenant's annual income does not exceed this limit."

(24 CFR 92.203(a)(1)(iii))

The intent of securing this written statement is to document for any future auditor that the household's income was (a) certified by another government agency and (b) does not exceed 80% of the Honolulu median income.

6. Over-income households.

Households that are determined to be over-income upon annual income recertification may not be evicted from the Property solely for being over-income. However, the rents that the Property charges to such over-income households need no longer be those that are affordable to low- to moderate-income persons, as such rents are defined below.

E. Rents

1. In accordance with 24 CFR 570.208(a)(3), the City declares that affordable rents that are charged to the Property's target group, namely, low- and moderate-income persons, for the use of dwelling units on the Property may not exceed the current HUD Fair Market Rents appropriate to the units' size. Such "affordable" rent need not be lower than the HUD Fair Market Rent that was in effect at the time of initial rent-up. This guideline shall not prevent the Owner from complying with other rental guidelines that prescribe a lower rent.

(24 CFR 570.208(a)(3) states, "For rental housing, occupancy by low and moderate income households must be at affordable rents to qualify under this criterion. The recipient shall adopt and make public its standards for determining 'affordable rents' for this purpose."

2. An affordable rent for a bedroom in a Group Home is the current HUD Fair Market Rent for a single-family dwelling unit with the same number of bedrooms as the group home, divided equally between the number of bedrooms in the group home.

For example the rent for one bedroom in a 6-bedroom group home, for which the 2005 HUD Fair Market Rent is \$2,295, will be \$2,295 divided by 6, or \$383.

Such affordable rent need not ever be lower than the HUD Fair Market Rent that was in effect at the time of initial rent-up. Using this same example, if a bedroom in the group home is occupied by a resident manager or otherwise not occupied by a client, the rent will be determined using the Fair Market Rent of a 5-bedroom dwelling unit.

3. There are no restrictions on the rents that may be charged to households, the incomes of which no longer qualify as low- to moderate-income households.
4. The rents that are charged to low- to moderate-income households must include utilities as HUD defines utilities. Low- to moderate-income clients that pay for utilities should be given the appropriate, current Section 8 utility allowance(s).
5. Any rent changes must be in accordance with the terms of the Project's rental agreement.

F. CDBG Program Income

1. The Owner shall calculate and return CDBG program income to the City at least annually in the form of a cashier's check made out to the City and County of Honolulu. The City retains the exclusive right to the use and disposition of CDBG program income.
2. CDBG program income is the gross income from rents derived by the Owner, less the costs incidental to the generation of the income.

(See 24 CFR 570.500(a)(1)(iii and iv), which states,

Program income includes, but is not limited to, the following:...(iii) Gross income from the use or rental of real...property acquired by the recipient or by a subrecipient with CDBG funds, less costs incidental to generation of the income; (iv) gross income from the use or rental of real property, owned by the recipient or by a subrecipient, that was constructed or improved with CDBG funds, less costs incidental to generation of the income....)

3. "Gross income" is defined as the total annual income of the Property from all sources, including, but not limited to, apartment rents, laundry, vending machines, parking stall rents, interest income, or subsidies (e.g., Section 8 housing payments and Section 236 interest subsidies). "Gross income" does not include private or government grants secured by the Owner or program fees that the Owner charges to its clients, specifically to provide non-housing services such as counseling to its clients on the Property.
4. "Costs incidental to the generation of such income" means the expenses involved in operating and maintaining the property, including such expenses as salaries for operating and maintenance staff, utilities, janitorial supplies, repairs,...., and costs collecting fees and charges. (*Program Income Training Bulletin* See HUD Office of Community Planning and Development, April 1990)
5. "Costs incidental to the generation of income" also include:

Cost of insurance.

Cost of maintenance.

Reasonable management fees.

Cost of security.

Deposits into operating or maintenance reserves, as limited below.

6. Costs incidental to the generation of income do not include:
  - a. Depreciation. Depreciation, while actually deemed an allowable operating cost, must always equal \$0.00 when calculating program income in the Property.
  - b. Debt service payments.
  - c. Any costs that are deemed unallowable in Attachment B to OMB Circulars A-122 or A-87. Unallowable costs are not considered costs incidental to the generation of income.
  - d. The salaries of staff that perform non-housing, non-maintenance related duties on the Property.
  - e. Other costs deemed ineligible, in the sole discretion of the City.

G. Reserve Accounts

1. Replacement reserves shall not be funded with CDBG program income.  
(See Attachment B to OMB Circulars A-122 and A-87.) Item 9, Attachment B, to OMB Circular A-122 states:

9. *Contingency provisions.* Contributions to a contingency reserve or any similar provision made for events the occurrence of which cannot be foretold with certainty as to time, intensity, or with an assurance of their happening, are unallowable.

To finance capital improvements to the project, including the removal of architectural barriers, the Owner shall seek other sources of funding including private loans or applications for CDBG funding to the City.

2. Residual receipts reserves shall not be funded with CDBG program income. Residual receipts are CDBG program income and should be returned to the City's CDBG program.
3. Operating or maintenance reserves may be funded with the CDBG portion of the gross income.
  - a. The maximum level of funding in these reserves shall not exceed the greater of:

- i. One year's worth of allowable maintenance and repair costs, defined as the average of the last two years maintenance and repair costs; or
- ii. The number of rental units in the project multiplied by \$2,000.
- b. With the prior approval of the implementing agency and the Federal Grants Branch, these amounts may be adjusted to accommodate normal increases in operating costs.
- c. The amounts in any reserves that are funded with the non-CDBG or non-HOME portion of the Property's gross income are not subject to these guidelines.

#### H. Reports

1. The Owner shall maintain a Rental Project Compliance Report using an Excel spreadsheet. This report should contain the information listed below. The Owner shall transmit this Report to the City annually. During the Term, the City may, at its own expense and in its sole discretion, keep all buildings now or hereafter erected on the Property, insured against loss or damage by fire with extended coverage. If there is any casualty to the Property normally covered by such insurance, the City shall have the sole discretion to determine whether to repair, rebuild, or replace the building. The City shall provide written notice to Lessee of such election, at which time Lessee shall, after payment to the City of all accrued rent and unpaid taxes and all other required payments, be relieved of any further obligation hereunder. Lessee will provide the City with current certificates of insurance for all policies and/or coverages required herein. The City reserves the right to review these requirements from time to time and require additional amounts or types of insurance.

Lessee shall pay to the City on demand all costs, including reasonable attorneys' fees, incurred by the City in enforcing any of the terms of this Lease, in remedying any breach of the terms of this Lease by Lessee, in recovering possession of the Property, in collecting any delinquent rent, taxes or other charges hereunder payable by Lessee, or in connection with any litigation commenced by or against Lessee to which the City shall be made a party without any fault on its part.

20. INDEMNITY. Lessee will indemnify and defend the City, and hold the City harmless against all claims whatsoever for: (a) failure of Lessee or its agents and employees to make any required disclosures in connection with the Property to users or any other person as required by law; (b) any misrepresentations made by Lessee or its agents and employees in connection with the Property to any person; (c) the failure of Lessee or its occupants, its clients, agents, employees, tenants, contractors, or subcontractors to observe all applicable laws and covenants as stated in Section 8., above, (d) the failure of Lessee to observe and perform its obligations stated in this Lease; and (e) loss or damage, including property damage, bodily injury, and wrongful death, arising out of or in connection with the use or occupancy of the Property by Lessee or any client, tenant, occupant, or other person claiming by, through or under Lessee, or any accident or fire on the Property, or any nuisance made or suffered thereon, or any failure by Lessee to keep the Property in a safe condition, or any other liability whatsoever on account of the Property, or on account of the acts or omissions of Lessee, its employees, agents, contractors, subcontractors, tenants, occupants, clients, or any other persons present upon the Property in connection with Lessee's use or occupancy thereof. 21. LIENS. Lessee will keep the Property free of all liens and encumbrances arising out of its activities. Should any such lien or encumbrance attach to the Property then: (a) Lessee shall immediately

notify the City of such attachment, and (b) Lessee shall pay the claim and cause the same to be satisfied and discharged of record, and if Lessee shall not pay the same and cause it to be satisfied and discharged of record promptly, City may, at its option, pay the same and any amount paid by the City shall become immediately due and payable by Lessee to City as additional rent. Lessee will indemnify and hold the City harmless against such lien or encumbrance and all expenses incurred by the City including but not limited to reasonable attorneys' fees.

In case at any time or times during the Term, the Property or any part thereof shall be required, taken, or condemned by any authority having the power of eminent domain, then and in every such case the estate and interest of Lessee in the Property so required, taken or condemned shall at once cease and terminate, and Lessee shall not by reason thereof be entitled to any claim against the City or others for compensation or indemnity for the leasehold interest, and all compensation and damages payable for or on account of the Property or portion thereof shall be payable to and be the sole property of the City.

24. TRANSFER BY CITY. City may transfer, assign, or sell this Lease, or any interest in this Lease or the Property, at any time, with prior notice to Lessee, upon which transfer, assignment or sale, City shall be released of all liability hereunder. Lessee shall attorn to the transferee, assignee, or purchaser, and shall perform all obligations required to be performed by Lessee under this Lease after the date Lessee is notified of the transfer, assignment, or sale, as though the transferee, assignee or purchaser was the original Lessor named in this Lease.

25. PROTECTION OF MORTGAGEE. During the existence of any mortgage of this Lease, to which the City has consented in writing, the City will not terminate this Lease because of any default by Lessee if, within a period of 30 days after the City has mailed written notice to the mortgagee of intention to terminate this Lease at the last known address thereof, such mortgagee shall either cure such default or, if the same cannot be cured by the payment of money, shall undertake in writing to perform all the terms of this Lease until this Lease is sold upon foreclosure. Upon such undertaking, the City will not terminate this Lease within such further time as may be required by the mortgagee to complete the foreclosure process provided that such process is pursued and completed diligently. Ownership by the same person of both the fee and leasehold estates in the Property shall not effect the merger thereof without the prior written consent of any mortgagee to such merger.

26. DEFAULT. Lessee shall be in default of its obligations under this Lease upon occurrence of any of the following events (hereinafter called "events of default"):

1. Failure to Pay Rent. Lessee's failure to pay rent or other charges required to be paid by Lessee under this Lease within ten days of its due date; or

8. Misrepresentation. Any material representation or warranty of Lessee contained herein or any material representation to City concerning the financial condition or credit standing of either Lessee or any party ("Guarantor") obligated to City under any agreement guaranteeing performance of any of the obligations of Lessee referred to herein proves to be false or misleading, or City reasonably determines that its position as City is threatened by reason of a material adverse change in the financial condition or credit standing of either Lessee or of any Guarantor.

27. REMEDIES.

1. Interest and Late Payment Charge. If Lessee shall be delinquent in payment of the rent or the payment of any other charge required to be paid by Lessee under this Lease, Lessee shall pay, with each overdue payment, interest on the overdue payment at the rate of twelve percent (12%) per year. In addition to interest, Lessee shall also pay to City a late fee equal to five percent (5%) of the overdue payment to cover City's administration costs of processing such overdue payment.

2. Remedies Upon Default. Upon occurrence of any event of default, City may exercise any of the following remedies:

a. Re-entry: Termination. City may elect to terminate this Lease, but only by specific written notice of its election to Lessee, and may terminate the rights of Lessee to this Lease and the Property, and may reenter the Property to take possession of it;

b. Re-entry: No Termination. Without terminating this Lease, City may reenter the Property and occupy it and may, but is not obligated to, relet any portion or all of the Property for the account of Lessee; provided that City may terminate this Lease at any time after Lessee's default, even if City has relet any portion of the Property for the account of Lessee.

c. Cure. City may but shall not be obligated to cure any event of default and to charge Lessee for the cost of effecting such cure.

3. Exercising City's Remedies. Upon City exercising any of its above-listed remedies, Lessee agrees to the following:

a. Removal of Persons and Property. If City reenters the Property, it may remove all persons from the Property by any lawful means available. City may also remove all property of Lessee from the Property, and may enforce its right against that property, or may store the property at the expense of Lessee, or may dispose of the property if Lessee does not reclaim the property within 30 days after City has re-entered the Property.

b. No Termination. City's re-entry into the Property or its action to obtain possession of the Property shall not be deemed to constitute a termination of this Lease Agreement, or a termination of Lessee's obligation to pay rent or any other charge required to be paid by Lessee under this Lease Agreement, or a termination of any other liability of Lessee under this Lease Agreement including but not limited to Lessee's liability for damages.

c. Reletting. If City elects to relet the Property to a replacement Lessee, with or

without terminating this Lease Agreement, City may enter into an agreement with the replacement Lessee for such rent and on such terms as City in its sole discretion deems appropriate. City may repair or alter the Property to suit the purposes of the replacement Lessee or to enable City to relet the Property or any portion of the Property.

d. Application of Rent. City shall apply the rent and other payments received from the replacement Lessee, in the following order and priority: (1) to the costs incurred by City to recover possession of the Property, including but not limited to reasonable attorney's fees and costs; (2) to the costs incurred by City to relet the Property, including but not limited to the costs of repairs and alterations, and broker's commissions; (3) to the unpaid rent and other payments required to be paid by Lessee under this Lease Agreement. If there shall be a surplus, City may retain such surplus to pay subsequent amounts which become due and payable by Lessee under this Lease Agreement, and if there shall be any surplus at the expiration of this Lease Agreement, City shall pay such surplus to Lessee at the expiration of this Lease Agreement. If there shall be any deficiency between the rent and payments received from the replacement Lessee and the amount required to pay the items described in subparagraphs (1), (2), and (3) of this paragraph, Lessee shall be liable to City for such deficiency.

e. Legal Action. City may initiate legal action against Lessee at any time to recover amounts owed to City under this Lease Agreement, even though such action is initiated prior to termination of this Lease Agreement or prior to a final determination of amounts owed to City by Lessee. Initiating an action pursuant to this provision shall not be deemed a termination of this Lease Agreement and shall not preclude City from initiating subsequent actions against Lessee to recover any amounts due from Lessee.

f. Additional Remedies. If City terminates this Lease Agreement, then in addition to any other remedy available to City, City may recover from Lessee either (1) all damage sustained by City as a result of Lessee's default, and (2) the amount by which the total rent and other amounts payable for the remainder of the term of this Lease Agreement exceed the rent that City can be expected to receive for the Property for such period, together with the costs of recovering possession of the Property, the anticipated costs of reletting the Property, and reasonable attorney's fees and costs incurred by City.

g. Remedies Cumulative. The remedies available to the City are cumulative and not exclusive, and the exercise of any remedy by City shall not preclude its exercise of any other available remedies.

h. Costs and Attorney's Fees. City shall be entitled to recover from Lessee all costs incurred by City in enforcing any provision of this Lease which Lessee is required to comply with, including but not limited to reasonable attorney's fees and costs.

## 28. SURRENDER: HOLDING OVER.

1. Surrender. Upon expiration or earlier termination of this Lease Agreement, Lessee shall immediately vacate and surrender the Property to City, together with all improvements, additions and fixtures then on the Property, whether installed by City or by Lessee, including any air conditioning units or systems, all in good condition, ordinary wear and tear excepted; provided that City, at its option, may require Lessee to remove any or all improvements, additions and fixtures installed by Lessee in the Property, in which event Lessee shall do so and shall restore the Property to its original condition at the commencement of this Lease Agreement within seven days following the expiration or earlier termination of this Lease Agreement. Lessee shall remove all of its personal property before surrendering the Property and shall repair any damage to the Property caused thereby. Lessee's obligation to observe or perform this covenant shall survive the expiration or other termination of the term of this Lease Agreement. Personal property is defined as inventory, operating equipment or other property not affixed to the Property.

2. Failure to Restore. If Lessee fails to complete the removal and the restoration in the manner and within the time specified, City may complete such removal and restoration in

which event Lessee shall be liable to City for all costs incurred by City which amount shall be immediately due and payable after notice to Lessee by City of the amount due.

3. Holding Over. If Lessee remains in possession of the Property after the expiration or earlier termination of this Lease Agreement without the consent of City, Lessee shall be liable (1) for two times the fair market rent for the premises, determined as of the expiration or earlier termination of this Lease Agreement, (2) for all other charges payable by Lessee pursuant to other provisions of this Lease Agreement, and (3) for all other damages City may sustain as a result of such wrongful holdover. Acceptance of rent or other payments by City from Lessee during any holdover period shall not be deemed to create a new tenancy in favor of Lessee, but to the contrary, City may initiate action against Lessee at any time to recover possession of the Property, and to recover all damages sustained by City as a result of Lessee's wrongful holdover.

29. DISSOLUTION OF LESSEE. In the event of the corporate dissolution of Lessee, the City may terminate this Lease.

30. HAZARDOUS SUBSTANCES. Lessee shall not cause, permit, or allow the storage, use, escape, disposal or release of any hazardous substances or materials in or about the Property by Lessee, Lessee's agents, employees, contractors, invitees or licensees, except in full compliance with all hazardous materials laws. Hazardous substances and materials shall include those described in the Hazardous Materials Laws. "Hazardous Materials Laws" shall include, but not be limited to, the Comprehensive Environmental Response Compensation and Liability Act of 1980, as amended, 42 U.S.C. Section 9601 et seq., the Resource Conservation and Recovery Act, as amended, 42 USC Section 6901 et seq., the Hazardous Materials Transportation Act, the Clean Water Act, the Clean Air Act, the Toxic Substances Control Act and the Safe Drinking Water Act, the Hawaii Environmental Response Law, Hawaii Revised Statutes Chapter 128D, as well as any similar state and local laws and ordinances and regulations now or hereafter adopted, published and/or promulgated pursuant thereto as the same may be amended from time to time. If any lender or governmental agency shall ever require testing to ascertain whether or not there has been any storage, presence or release of hazardous substances or materials, then the reasonable costs thereof shall be reimbursed by Lessee to the City upon demand as additional charges if such requirement applies to the Property. In addition, Lessee shall execute affidavits, representations and the like from time to time at the City's request concerning Lessee's best knowledge and belief regarding the presence of hazardous substances or materials on the Property. In all events, Lessee shall defend, indemnify and hold harmless the City, its employees, agents, successors and assigns from and against any claims, demands, actions, lawsuits, proceedings, losses, damages, liabilities, fines, penalties, judgments, awards, costs and expenses directly or indirectly arising out of or attributable to the use, generation, manufacture, treatment, handling, refining, production, processing, storage, release, threatened release, discharge, disposal, removal or presence of hazardous substances or materials on or under or about the Property by Lessee or attributable to Lessee including, but not limited to any damages, the cost of clean up or detoxification of the Property and the preparation and implementation of any closure or remedial or other required plans and all reasonable costs and expenses incurred by the City in connection with such items including, but not limited to, attorneys' fees and costs. The foregoing covenants shall survive the expiration or earlier termination of this Lease.

31. ADA COMPLIANCE. As between the City and Lessee, Lessee shall be responsible for ensuring that the Property, all alterations and improvements in the Property, and Lessee's use and occupancy of the Property complies with the requirements of the Americans with Disabilities Act of 1990 (42 U.S.C. 12181, et seq.), and all regulations promulgated thereunder, and all amendments, revisions or modifications thereto now or hereafter adopted or in effect therewith (the "ADA"). However, Lessee shall not make any such alterations or improvements except in accordance with the provisions of Sections 11 and 16.

32. SEXUAL HARASSMENT POLICY FOR EMPLOYER HAVING A CONTRACT WITH THE CITY. All entities having a contract with the City (referred to in this Section as a "Contractor") must comply with the Revised Ordinances of Honolulu, 1990, Chapter 1, Article 18 ("Article 18") on sexual harassment. All Contractors shall have and enforce a policy prohibiting sexual harassment. The Contractor's sexual

- a. Prohibitions against an officer's or employee's sexual harassment of the following:
  - (1) Another officer or employee of the employer;
  - (2) An individual under consideration for employment with the employer; or
  - (3) An individual doing business with the employer;
- b. A provision prohibiting a management or supervisory officer or employee from knowingly permitting a subordinate officer or employee to engage in the sexual harassment prohibited under Subdivision a of the ordinance;
- c. A prohibition against retaliation towards an officer, employee, or individual who has complained of sexual harassment, conducted an investigation of a complaint, or acted as a witness during an investigation of a complaint;

Under the standard, sexual harassment shall be deemed to have occurred if the alleged offender's conduct would be considered sexual harassment from the perspective of a reasonable person of the same gender as the alleged victim. If the alleged victim is a woman, the "reasonable person of the same gender standard" shall be equivalent to and may be called the "reasonable woman standard;"
- h. Disciplinary action which may be imposed on an officer or employee who committed a prohibited act; and
- i. For a Contractor with at least five (5) employees, a provision requiring the annual viewing of a video on the sexual harassment policy by each management or supervisory officer or employee.

Article 18 is on file and available for viewing in the Purchasing Division. Contractors needing a copy must pick up the copy from the Office of the City Clerk, Room 203, City Hall, 530 South King Street, Honolulu, Hawaii, 96813.

**MANAGEMENT AGREEMENT  
HOME INVESTMENT PARTNERSHIPS  
PROGRAM (HOME)-ASSISTED RENTAL HOUSING**

Lessee Name: \_\_\_\_\_

Property Name: 2019 Vancouver Drive

The Lessee agrees as follows:

1. 2019 VANCOUVER DRIVE shall be managed as a HOME-assisted rental housing project. The Lessee shall comply with all applicable HOME regulations and HUD's January 2009 guidelines entitled "Compliance in HOME Rental Projects: A Guide for Property Owners" (hereafter "Guide"). (The latter guidebook is on the web at: <http://www.hud.gov/offices/cpd/affordablehousing/library/modelguides/2009/2009homere ntalpo.cfm>)
2. This Agreement summarizes the main points in the aforementioned regulations and Guide, but does not substitute for them. If there is a conflict, the regulations and Guide take precedence over this Agreement.
3. The lessee shall manage the Property in compliance with the HOME regulations for \_\_\_\_\_ years.
4. The Property has \_\_\_\_\_ dwelling units total (HOME-assisted plus non-HOME-assisted).  
\_\_\_\_ Studio    \_\_\_\_ 1-Bedroom    \_\_\_\_ 2-Bedroom    \_\_\_\_ 3-Bedroom
5. The Property has \_\_\_\_\_ dwelling units that are designated as HOME-assisted units.  
\_\_\_\_ Studio    \_\_\_\_ 1-Bedroom    \_\_\_\_ 2-Bedroom    \_\_\_\_ 3-Bedroom    Low HOME Units  
\_\_\_\_ Studio    \_\_\_\_ 1-Bedroom    \_\_\_\_ 2-Bedroom    \_\_\_\_ 3-Bedroom    High HOME Units
6. The Property's HOME-assisted units are (check one):  
\_\_\_\_ fixed    \_\_\_\_ floating  
  
If the HOME units are fixed, then the designated HOME units are listed as follows: \_\_\_\_\_ (List each unit individually, by apartment number.
7. If there is any conflict, the HOME regulations and guidelines take precedence over the Hawaii Landlord Tenant Code.
8. While a transitional housing project may not be subject to the Hawaii Landlord Tenant Code, it is still wholly subject to the HOME regulations and the Guide.

9. HOME rental projects, including transitional housing projects and 2019 VANCOUVER DRIVE, shall charge rent. The rent may be nominal. The Lessor may charge program or service fees; provided, however, that it charges for program or service fees separately from the rent.
10. The total cost to the tenant of rent plus utility costs plus any mandatory fees (including mandatory fees for parking, programs, food, or services) shall not exceed the HOME rent limits. HUD revises the HOME rent limits annually; the Lessee shall annually obtain and use the latest rent limits.
11. HOME rental projects, including 2019 VANCOUVER DRIVE, may provide programs and services to their tenants.
12. HOME rental projects, including HOME transitional housing projects and 2019 VANCOUVER DRIVE, may require tenants to participate in the programs and accept services as a condition of living in the project; however, before doing so, they must secure the City's prior written approval of any mandatory programs and services. (The City, in turn, must secure HUD's written approval of the programs and services.)
13. HOME transitional rental housing projects must provide supportive services; and they must secure the City's prior written approval of the services.
14. With the exception noted below, HOME transitional rental housing projects may require the tenants to accept services as a condition of living in the project.
15. HOME-assisted group homes for people with disabilities and HOME-assisted SROs for people with disabilities may require the disabled tenants to accept some services as a condition of living in the project; however, they may not require the disabled tenants to accept "disability-related services" as a condition of living in the project.
16. All HOME rental projects, including transitional housing projects and 2019 VANCOUVER DRIVE, must execute lease agreements with tenants. A program agreement does not substitute for a lease agreement. If it so desires, Lessee may execute a separate program agreement with tenants in addition to a lease agreement.
17. The HOME lease agreement, including that for transitional housing projects and 2019 VANCOUVER DRIVE, shall meet the specifications and contain the disclosures stated in the Guide. The City will be satisfied that the lease agreement complies if the Lessee uses the language in the attached sample "Addendum to Lease Agreement," attached as Attachment A to this Management Agreement.
18. All HOME rental projects, including transitional housing projects and 2019 VANCOUVER DRIVE, must comply with the HOME regulation at 24 CFR 92.253(c), which requires the Lessee to give 30-days written notice to any tenant before terminating the tenant's occupancy, regardless of any provision to the contrary in the Hawaii Landlord Tenant Code. The lease agreement shall contain a provision to this effect.
19. The lease agreement shall state whether any fee-based services are optional or required. The lease agreement must identify the amount of the additional fees or surcharges separately from the basic HOME rent for each tenant.
20. The lease agreement shall be for at least one year.
21. The Lessee shall maintain the property in accordance with the housing, plumbing, building, and fire codes in the Revised Ordinances of Honolulu.

22. The Lessee shall inspect the units for compliance every year, using a checklist.
23. When selecting tenants, the Lessee shall date- and time-stamp applications and use a waiting list system with written procedures.
24. The Lessee shall maintain contacts with as many service agencies as possible to refer clients to the project.
25. The Lessee shall post the HUD Fair Housing poster in a site accessible and visible to tenants. The Lessee shall use the HUD Fair Housing Logo on its lease agreement and marketing materials.
26. Every five years, the Lessee shall update its HUD Form 935.2A, the Affirmative Fair Housing Marketing Plan, and provide it to the City.
27. Every year, the Lessee shall provide the City a report on the race and ethnicity of all the tenants served during the program year.
28. Every year, the Lessee shall provide the City a report of the number households headed by single females and households headed by single males.
29. The Lessee shall certify the income of every household who enters the project. Only households with incomes of less than 60 percent of the Honolulu median income are eligible to enter into the project.
30. At least 20 percent of the HOME units must be occupied by tenants who have incomes below 50 percent of the Honolulu median income.
31. Every year, the Lessee shall fully re-certify every tenant's income.
32. When certifying incomes, the Lessee shall use the latest schedule of income limits published by HUD.
33. When certifying incomes, the Lessee shall select one definition of income from those listed below and apply it consistently to all households:
  - Section 8
  - IRS Form 1040
  - U.S. Census long form
34. Every year, the Lessee shall provide the City with a 12-month cash flow that shows the revenues and expenses of the project. If audited financial statements and audit reports available, the Lessee shall provide those to the City.
35. Every year, the Lessee shall provide the City with any insurance certificates required in its contract.
36. Throughout the year, the Lessee shall maintain the HOME Rental Project Compliance Report using an Excel spreadsheet, in a form that is specified by or otherwise acceptable to the City, and provide this report to the City annually. Such a form attached as Attachment B to this Management Agreement.

Attachment A: Addendum to HOME-Assisted Housing Properties  
Tenant Lease Agreement

The Landlord and Tenant agree as follows:

A. Notwithstanding any provisions to the contrary, the following provisions are made a part of the lease agreement between the Landlord and the Tenant:

1. Income Eligibility/Annual Income Recertification.

The Landlord retains right to recertify the tenant's HOME income-eligibility on an annual basis. The tenant's failure to cooperate in the income recertification process constitutes a violation of the lease. Deliberately providing false information can result in termination of the lease.

2. HOME Rent Restrictions/Rent Increases

Rents are subject to the rent restrictions of the HOME Program. The Landlord retains right to adjust rents in accordance with the HOME Rent limits.

All tenants of a HOME-assisted unit must meet HOME income eligibility requirements at the time of occupancy. At least 20 percent of the HOME-assisted rental units must be occupied by very low income families (families who have annual incomes that are at or below 50 percent of the area median income) with rents at or below the Low HOME Rent limit. The balance of the units (80 percent of the HOME-assisted rental units) may be occupied by families who have annual incomes that are at or below 60 percent of the area median income with rents at or below the High HOME Rent limit.

A HOME unit may be rented to a family with Section 8 tenant-based rental assistance at either the Low HOME or High HOME rent limits.

If any existing HOME tenant's income increases above 80 percent of the area median income, i.e., no longer qualifies as a low-income family, that tenant must pay as rent:

The lesser of the amount payable by the tenant under any applicable State or local law or 30 percent of the family's "adjusted income," as that term is defined in the HOME program regulations; or

If the tenant occupies a HOME-assisted unit that has been allocated low-income housing tax credits ("LIHTC"), the rent payable under the LIHTC program for that unit; or

If the HOME units are designated as "floating," an amount that does not exceed the market rent for comparable units in the neighborhood that are not HOME-assisted.

3. Lease Renewal

The Landlord may choose not to renew a Tenant's lease for good cause, as defined in the body of the lease or rental agreement. Good cause is also defined to include any reason for termination of the lease or rental agreement.

The Landlord must give the Tenant a written notice at least 30 days before the tenant must vacate the unit.

4. Lease Term

The term for this Tenant Lease Agreement shall be for not less than one year, unless the Tenant and the Landlord mutually agreed, in writing, upon a shorter term under a separate written agreement to be maintained in the Tenant's file with the Tenant Lease Agreement. Under no circumstances may the lease term be for less than 30 days.

5. Annual Unit Inspection

Landlord retains the right to inspect, and to permit the City and County of Honolulu and the U.S. Department of Housing and Urban Development to inspect, HOME-assisted units during the HOME affordability period.

6. Accessible Units

If the Tenant occupies, but does not have need for, an accessible unit, the Landlord retains the right to require the Tenant to move into a comparable non-accessible unit, should a person with a disability need the accessible unit.

7. The Tenant shall pay the following costs to occupy a unit in the Project:

Cost to Tenant	Mandatory	Optional
Rent	\$	\$
Electricity	\$	\$
Water/Sewer	\$	\$
Gas	\$	\$
Parking	\$	\$
Telephone	\$	\$
Cable TV	\$	\$
Food	\$	\$
Service or Program Fee 1:	\$	\$
Service or Program Fee 2:	\$	\$
Service or Program Fee 3:	\$	\$
Other:	\$	\$
Other:	\$	\$
Other:	\$	\$
<b>TOTAL:</b>	\$	\$

The total mandatory costs to occupy a dwelling unit total: \$\_\_\_\_\_.

B. Any agreement by the Tenant to any of the following provisions shall be unenforceable. Any such agreement contained in the Lease or Rental Agreement between Landlord and Tenant is prohibited by the HOME regulation at 24 CFR 92.253 and is void.

1. Agreement by tenant to be sued, to admit guilt, or to a judgment in favor of the Landlord brought in connection with the lease.
2. Agreement by the tenant that the Landlord may seize or sell personal property of household members without notice to the tenant and a court decision on the rights of the parties.
3. Agreement by the tenant not to hold the Landlord or the Landlord's agents legally responsible for any action or failure to act, whether intentional or negligent.
4. Agreement of the tenant that the Landlord may institute a lawsuit without notice to the tenant.
5. Agreement of the tenant that the Landlord may evict the tenant or household members without instituting a civil court proceeding in which the tenant has the opportunity to present a defense, or before a court decision on the rights of the parties.
6. Agreement by the tenant to waive any right to a trial by jury.
7. Agreement by the tenant to waive the tenant's right to appeal or to otherwise challenge in court a court decision in connection with the lease.
8. Agreement by the tenant to pay attorney's fees or other legal costs, even if the tenant wins in a court proceeding by the Landlord against the tenant. The tenant, however, may be obligated to pay costs if the tenant loses.

Notwithstanding the foregoing, the Landlord may dispose of personal property left by a Tenant who has vacated a property and may obligate the Tenant to pay attorney's fees or other legal costs where the Tenant loses a court proceeding by the Landlord against the Tenant.

4. AMENDMENTS TO FACILITATE FINANCING. This Lease and any other documents relating to the Property may be amended to comply with reasonable changes requested by a permanent lender financing the Property, if approved by the City, in advance. In addition to the provision stated in section 33.F. below, if the prior approval of DCS is required by provisions of this instrument, DCS will promptly review the request, will give Lessee specific reasons why a request may be denied, and will work with Lessee to attempt to remedy the reasons for a denial.

6. PAYMENT OF TAXES AND ASSESSMENTS. Lessee shall pay, before the same become delinquent, all real property taxes and assessments for which the Property is liable during the Term, whether payable by the City or Lessee. Taxes and assessments shall be prorated between the City and Lessee as of the dates of commencement and expiration of the Term. 12. WASTE AND UNLAWFUL USE. Lessee will not make or suffer any strip, waste, or unlawful, improper, or offensive use of the Property.

13. INSPECTION. The City and its agents may enter and inspect the Property at all reasonable times during the Term. Subject to the provisions of Sections 9 and 10 above, Lessee shall, at its own expense, repair all defects in the Property within 30 days after the City gives written notice thereof to Lessee, or shall, if any repair cannot reasonably be completed within 30 days, commence such repair within that time period and act with diligence until the repair is completed. If Lessee shall fail to commence or complete the repairs within the period provided above, the City may make such repairs. If the City makes such repairs, Lessee shall pay to the City the cost thereof plus interest at the rate of twelve percent (12%) per annum on demand. The City shall not be responsible to Lessee for any loss or damage that may be caused to the Property or business of Lessee by reason thereof.

14. AUDITS. All of Lessee's records relating to the Property will be available for examination during normal business hours by the City, HUD, and/or representatives of the Comptroller General of the United States.

During the Term, Lessee shall be responsible for any and all loss or damage to Lessee's personal property, including all goods, materials, supplies, tools, machinery, equipment, furnishings, or other property, and at Lessee's discretion, may insure such property. Lessee waives any right of recovery against the City for any loss or damage to Lessee's property.

During the Term, the City may, at its own expense and in its sole discretion, keep all buildings now or hereafter erected on the Property, insured against loss or damage by fire with extended coverage. If there is any casualty to the Property normally covered by such insurance, the City shall have the sole discretion to determine whether to repair, rebuild, or replace the building. The City shall provide written notice to Lessee of such election, at which time Lessee shall, after payment to the City of all accrued rent and unpaid taxes and all other required payments, be relieved of any further obligation hereunder. The City waives any right of recovery against Lessee for any casualty to the Property unless caused, in whole or in part, by the Lessee.

Lessee shall report the occurrence of any loss or damage to the Property to the City as soon as practicable within 48 hours after such occurrence.

18. LIABILITY INSURANCE. Lessee will procure and maintain at all times during the term of this Lease any and all insurance required under any federal, state or local law, statute, ordinance, or rules and regulations as may be applicable to Lessee's operations and activities hereunder, including but not limited to workers compensation insurance. In addition, Lessee shall procure and maintain Commercial General Liability (CGL) insurance covering the premises, covering against bodily injury and property damage, with limits of not less than \$1,000,000 per occurrence and general aggregate, with the following extensions: (1) contractual liability to cover liability assumed under this Lease; (2) personal injury liability with the "employee" and "contractual" exclusions deleted; and (3) products and completed operations coverage. Lessee will provide the City with current certificates of insurance for all policies and/or coverages required herein. The City reserves the right to review these requirements from time to time and require additional amounts or types of insurance.

19. CITY'S COSTS AND EXPENSES. Lessee shall pay to the City on demand all costs, including reasonable attorneys' fees, incurred by the City in enforcing any of the terms of this Lease, in remedying any breach of the terms of this Lease by Lessee, in recovering possession of the Property, in collecting any delinquent rent, taxes or other charges hereunder payable by Lessee, or in connection with any litigation commenced by or against Lessee to which the City shall be made a party without any fault on its part.

20. INDEMNITY. Lessee will indemnify and defend the City, and hold the City harmless against all claims whatsoever for: (a) failure of Lessee or its agents and employees to make any required disclosures in connection with the Property to users or any other person as required by law; (b) any misrepresentations made by Lessee or its agents and employees in connection with the Property to any person; (c) the failure of Lessee or its occupants, its clients, agents, employees, tenants, contractors, or subcontractors to observe all applicable laws and covenants as stated in Section 8., above, (d) the failure of Lessee to observe and perform its obligations stated in this Lease; and (e) loss or damage, including property damage, bodily injury, and wrongful death, arising out of or in connection with the use or occupancy of the Property by Lessee or any client, tenant, occupant, or other person claiming by, through or under Lessee, or any accident or fire on the Property, or any nuisance made or suffered thereon, or any failure by Lessee to keep the Property in a safe condition, or any other liability whatsoever on account of the Property, or on account of the acts or omissions of Lessee, its employees, agents, contractors, subcontractors, tenants, occupants, clients, or any other persons present upon the Property in connection with Lessee's use or occupancy thereof. In connection with the foregoing, the Lessee will reimburse the City for all its costs and expenses including but not limited to reasonable attorneys' fees incurred in connection with the defense of any such claims, and will hold all goods, materials, furniture, fixtures, equipment, machinery and other property whatsoever within the Property at the sole risk of Lessee and hold the City harmless for any loss or damage thereto by any cause whatsoever.

21. LIENS. Lessee will keep the Property free of all liens and encumbrances arising out of its activities. Should any such lien or encumbrance attach to the Property then: (a) Lessee shall immediately notify the City of such attachment, and (b) Lessee shall pay the claim and cause the same to be satisfied and discharged of record, and if Lessee shall not pay the same and cause it to be satisfied and discharged of record promptly, City may, at its option, pay the same and any amount paid by the City shall become immediately due and payable by Lessee to City as additional rent. Lessee will indemnify and hold the City harmless against such lien or encumbrance and all expenses incurred by the City including but not limited to reasonable attorneys' fees.

22. SURRENDER. At the end of the Term, Lessee will peaceably deliver up to the City

possession of the Property and all improvements in good condition except for reasonable wear and tear, free and clear of encumbrances which shall include, without being limited to, all claims, liens, charges or liabilities.

23. CONDEMNATION. In case at any time or times during the Term, the Property or any part thereof shall be required, taken, or condemned by any authority having the power of eminent domain, then and in every such case the estate and interest of Lessee in the Property so required, taken or condemned shall at once cease and terminate, and Lessee shall not by reason thereof be entitled to any claim against the City or others for compensation or indemnity for the leasehold interest, and all compensation and damages payable for or on account of the Property or portion thereof shall be payable to and be the sole property of the City.

24. TRANSFER BY CITY. City may transfer, assign, or sell this Lease, or any interest in this Lease or the Property, at any time, with prior notice to Lessee, upon which transfer, assignment or sale, City shall be released of all liability hereunder. Lessee shall attorn to the transferee, assignee, or purchaser, and shall perform all obligations required to be performed by Lessee under this Lease after the date Lessee is notified of the transfer, assignment, or sale, as though the transferee, assignee or purchaser was the original Lessor named in this Lease.

25. PROTECTION OF MORTGAGEE. During the existence of any mortgage of this Lease, to which the City has consented in writing, the City will not terminate this Lease because of any default by Lessee if, within a period of 30 days after the City has mailed written notice to the mortgagee of intention to terminate this Lease at the last known address thereof, such mortgagee shall either cure such default or, if the same cannot be cured by the payment of money, shall undertake in writing to perform all the terms of this Lease until this Lease is sold upon foreclosure. Upon such undertaking, the City will not terminate this Lease within such further time as may be required by the mortgagee to complete the foreclosure process provided that such process is pursued and completed diligently. Ownership by the same person of both the fee and leasehold estates in the Property shall not effect the merger thereof without the prior written consent of any mortgagee to such merger.

26. DEFAULT. Lessee shall be in default of its obligations under this Lease upon occurrence of any of the following events (hereinafter called "events of default"):

1. Failure to Pay Rent. Lessee's failure to pay rent or other charges required to be paid by Lessee under this Lease within ten days of its due date; or

2. Failure to Comply. Lessee's failure to comply with any other provision of this Lease which Lessee is obligated to comply with within thirty days of written notice from City to Lessee of such non-compliance, provided that if the cure cannot be completed within thirty days, then so long as Lessee has commenced the action to comply and diligently prosecutes the same, Lessee shall not be in default; or

3. Abandonment. Lessee's abandonment of the Property, for a period of 30 consecutive days or more; or

4. Assignment to Creditors. Lessee's assignment of this Lease for the benefit of creditors; or

5. Writ of Execution. Lessee's interest in this Lease, or any interest in it, being taken under a writ of execution; or

6. Bankruptcy. Lessee's seeking voluntarily or the filing of an involuntary bankruptcy against Lessee, seeking the protection of the bankruptcy laws of the United States or any similar law for the relief of debtors; or

7. Breach of Covenant. Lessee's breach of any covenant, warranty, promise or representation herein contained and the continuance of such breach for a period of thirty days after written notice to Lessee; or

8. Misrepresentation. Any material representation or warranty of Lessee contained herein or any material representation to City concerning the financial condition or credit standing of either Lessee or any party ("Guarantor") obligated to City under any agreement guaranteeing performance of any of the obligations of Lessee referred to herein proves to be false or misleading, or City reasonably determines that its position as City is threatened by reason of a material adverse change in the financial condition or credit standing of either Lessee or of any Guarantor.

27. REMEDIES.

1. Interest and Late Payment Charge. If Lessee shall be delinquent in payment of the rent or the payment of any other charge required to be paid by Lessee under this Lease, Lessee shall pay, with each overdue payment, interest on the overdue payment at the rate of twelve percent (12%) per year. In addition to interest, Lessee shall also pay to City a late fee equal to five percent (5%) of the overdue payment to cover City's administration costs of processing such overdue payment.

2. Remedies Upon Default. Upon occurrence of any event of default, City may exercise any of the following remedies:

a. Re-entry: Termination. City may elect to terminate this Lease, but only by specific written notice of its election to Lessee, and may terminate the rights of Lessee to this Lease and the Property, and may reenter the Property to take possession of it;

b. Re-entry: No Termination. Without terminating this Lease, City may reenter the Property and occupy it and may, but is not obligated to, relet any portion or all of the Property for the account of Lessee; provided that City may terminate this Lease at any time after Lessee's default, even if City has relet any portion of the Property for the account of Lessee.

c. Cure. City may but shall not be obligated to cure any event of default and to charge Lessee for the cost of effecting such cure.

3. Exercising City's Remedies. Upon City exercising any of its above-listed remedies, Lessee agrees to the following:

a. Removal of Persons and Property. If City reenters the Property, it may remove all persons from the Property by any lawful means available. City may also remove all property of Lessee from the Property, and may enforce its right against that property, or may store the property at the expense of Lessee, or may dispose of the property if Lessee does not reclaim the property within 30 days after City has re-entered the Property.

b. No Termination. City's re-entry into the Property or its action to obtain possession of the Property shall not be deemed to constitute a termination of this Lease Agreement, or a termination of Lessee's obligation to pay rent or any other charge required to be paid by Lessee under this Lease Agreement, or a termination of any other liability of Lessee under this Lease Agreement including but not limited to Lessee's liability for damages.

c. Reletting. If City elects to relet the Property to a replacement Lessee, with or without terminating this Lease Agreement, City may enter into an agreement with the replacement Lessee for such rent and on such terms as City in its sole discretion deems appropriate. City may repair or alter the Property to suit the purposes of the replacement Lessee or to enable City to relet the Property or any portion of the Property.

d. Application of Rent. City shall apply the rent and other payments received from the replacement Lessee, in the following order and priority: (1) to the costs incurred by City to recover possession of the Property, including but not limited to reasonable attorney's fees and costs; (2) to the costs

incurred by City to relet the Property, including but not limited to the costs of repairs and alterations, and broker's commissions; (3) to the unpaid rent and other payments required to be paid by Lessee under this Lease Agreement. If there shall be a surplus, City may retain such surplus to pay subsequent amounts which become due and payable by Lessee under this Lease Agreement, and if there shall be any surplus at the expiration of this Lease Agreement, City shall pay such surplus to Lessee at the expiration of this Lease Agreement. If there shall be any deficiency between the rent and payments received from the replacement Lessee and the amount required to pay the items described in subparagraphs (1), (2), and (3) of this paragraph, Lessee shall be liable to City for such deficiency.

e. Legal Action. City may initiate legal action against Lessee at any time to recover amounts owed to City under this Lease Agreement, even though such action is initiated prior to termination of this Lease Agreement or prior to a final determination of amounts owed to City by Lessee. Initiating an action pursuant to this provision shall not be deemed a termination of this Lease Agreement and shall not preclude City from initiating subsequent actions against Lessee to recover any amounts due from Lessee.

f. Additional Remedies. If City terminates this Lease Agreement, then in addition to any other remedy available to City, City may recover from Lessee either (1) all damage sustained by City as a result of Lessee's default, and (2) the amount by which the total rent and other amounts payable for the remainder of the term of this Lease Agreement exceed the rent that City can be expected to receive for the Property for such period, together with the costs of recovering possession of the Property, the anticipated costs of reletting the Property, and reasonable attorney's fees and costs incurred by City.

g. Remedies Cumulative. The remedies available to the City are cumulative and not exclusive, and the exercise of any remedy by City shall not preclude its exercise of any other available remedies.

h. Costs and Attorney's Fees. City shall be entitled to recover from Lessee all costs incurred by City in enforcing any provision of this Lease which Lessee is required to comply with, including but not limited to reasonable attorney's fees and costs.

## 28. SURRENDER: HOLDING OVER.

1. Surrender. Upon expiration or earlier termination of this Lease Agreement, Lessee shall immediately vacate and surrender the Property to City, together with all improvements, additions and fixtures then on the Property, whether installed by City or by Lessee, including any air conditioning units or systems, all in good condition, ordinary wear and tear excepted; provided that City, at its option, may require Lessee to remove any or all improvements, additions and fixtures installed by Lessee in the Property, in which event Lessee shall do so and shall restore the Property to its original condition at the commencement of this Lease Agreement within seven days following the expiration or earlier termination of this Lease Agreement. Lessee shall remove all of its personal property before surrendering the Property and shall repair any damage to the Property caused thereby. Lessee's obligation to observe or perform this covenant shall survive the expiration or other termination of the term of this Lease Agreement. Personal property is defined as inventory, operating equipment or other property not affixed to the Property.

2. Failure to Restore. If Lessee fails to complete the removal and the restoration in the manner and within the time specified, City may complete such removal and restoration in which event Lessee shall be liable to City for all costs incurred by City which amount shall be immediately due and payable after notice to Lessee by City of the amount due.

3. Holding Over. If Lessee remains in possession of the Property after the expiration or earlier termination of this Lease Agreement without the consent of City, Lessee shall be liable (1) for two times the fair market rent for the premises, determined as of the expiration or earlier termination of this Lease Agreement, (2) for all other charges payable by Lessee pursuant to other provisions of this Lease Agreement, and (3) for all other damages City may sustain as a result of such wrongful holdover. Acceptance

of rent or other payments by City from Lessee during any holdover period shall not be deemed to create a new tenancy in favor of Lessee, but to the contrary, City may initiate action against Lessee at any time to recover possession of the Property, and to recover all damages sustained by City as a result of Lessee's wrongful holdover.

29. DISSOLUTION OF LESSEE. In the event of the corporate dissolution of Lessee, the City may terminate this Lease.

30. HAZARDOUS SUBSTANCES. Lessee shall not cause, permit, or allow the storage, use, escape, disposal or release of any hazardous substances or materials in or about the Property by Lessee, Lessee's agents, employees, contractors, invitees or licensees, except in full compliance with all hazardous materials laws. Hazardous substances and materials shall include those described in the Hazardous Materials Laws. "Hazardous Materials Laws" shall include, but not be limited to, the Comprehensive Environmental Response Compensation and Liability Act of 1980, as amended, 42 U.S.C. Section 9601 et seq., the Resource Conservation and Recovery Act, as amended, 42 USC Section 6901 et seq., the Hazardous Materials Transportation Act, the Clean Water Act, the Clean Air Act, the Toxic Substances Control Act and the Safe Drinking Water Act, the Hawaii Environmental Response Law, Hawaii Revised Statutes Chapter 128D, as well as any similar state and local laws and ordinances and regulations now or hereafter adopted, published and/or promulgated pursuant thereto as the same may be amended from time to time. If any lender or governmental agency shall ever require testing to ascertain whether or not there has been any storage, presence or release of hazardous substances or materials, then the reasonable costs thereof shall be reimbursed by Lessee to the City upon demand as additional charges if such requirement applies to the Property. In addition, Lessee shall execute affidavits, representations and the like from time to time at the City's request concerning Lessee's best knowledge and belief regarding the presence of hazardous substances or materials on the Property. In all events, Lessee shall defend, indemnify and hold harmless the City, its employees, agents, successors and assigns from and against any claims, demands, actions, lawsuits, proceedings, losses, damages, liabilities, fines, penalties, judgments, awards, costs and expenses directly or indirectly arising out of or attributable to the use, generation, manufacture, treatment, handling, refining, production, processing, storage, release, threatened release, discharge, disposal, removal or presence of hazardous substances or materials on or under or about the Property by Lessee or attributable to Lessee including, but not limited to any damages, the cost of clean up or detoxification of the Property and the preparation and implementation of any closure or remedial or other required plans and all reasonable costs and expenses incurred by the City in connection with such items including, but not limited to, attorneys' fees and costs. The foregoing covenants shall survive the expiration or earlier termination of this Lease.

31. ADA COMPLIANCE. As between the City and Lessee, Lessee shall be responsible for ensuring that the Property, all alterations and improvements in the Property, and Lessee's use and occupancy of the Property complies with the requirements of the Americans with Disabilities Act of 1990 (42 U.S.C. 12181, et seq.), and all regulations promulgated thereunder, and all amendments, revisions or modifications thereto now or hereafter adopted or in effect therewith (the "ADA"). However, Lessee shall not make any such alterations or improvements except in accordance with the provisions of Sections 11 and 16.

32. SEXUAL HARASSMENT POLICY FOR EMPLOYER HAVING A CONTRACT WITH THE CITY. All entities having a contract with the City (referred to in this Section as a "Contractor") must comply with the Revised Ordinances of Honolulu, 1990, Chapter 1, Article 18 ("Article 18") on sexual harassment. All Contractors shall have and enforce a policy prohibiting sexual harassment. The Contractor's sexual harassment policy must set forth the same or greater protection than those contained or required by the ordinance. The ordinance is applicable to the Contractor's business and includes the following:

- a. Prohibitions against an officer's or employee's sexual harassment of the following:
  - (1) Another officer or employee of the employer;
  - (2) An individual under consideration for employment with the employer; or
  - (3) An individual doing business with the employer;

- b. A provision prohibiting a management or supervisory officer or employee from knowingly permitting a subordinate officer or employee to engage in the sexual harassment prohibited under Subdivision a of the ordinance;
- c. A prohibition against retaliation towards an officer, employee, or individual who has complained of sexual harassment, conducted an investigation of a complaint, or acted as a witness during an investigation of a complaint;
- d. A prohibition against a malicious false complaint of sexual harassment by an officer, employee, or individual;
- e. Provisions allowing an officer, employee, or individual to make a sexual harassment complaint to an appropriate management, supervisory, or personnel officer or employee;
- f. Procedures for investigating a sexual harassment complaint in an unbiased, fair, and discreet manner with appropriate safeguards to maintain confidentiality and protection from embarrassment;
- g. A provision requiring the use of the "reasonable person of the same gender standard," to determine if sexual harassment has occurred. Under the standard, sexual harassment shall be deemed to have occurred if the alleged offender's conduct would be considered sexual harassment from the perspective of a reasonable person of the same gender as the alleged victim. If the alleged victim is a woman, the "reasonable person of the same gender standard" shall be equivalent to and may be called the "reasonable woman standard;"
- h. Disciplinary action which may be imposed on an officer or employee who committed a prohibited act; and
- i. For a Contractor with at least five (5) employees, a provision requiring the annual viewing of a video on the sexual harassment policy by each management or supervisory officer or employee.

The policy required under this section shall be in effect for at least the duration of the Contractor's contract with the City. The action of the bidder or proposer in submitting its bid, proposal or signing of the contract shall constitute its pledge and acceptance of the provisions for the sexual harassment policy as required by Article 18. Article 18 is on file and available for viewing in the Purchasing Division. Contractors needing a copy must pick up the copy from the Office of the City Clerk, Room 203, City Hall, 530 South King Street, Honolulu, Hawaii, 96813.

### CDBG Management Agreement Management and Monitoring Requirements CDBG-Assisted Rental Housing

Lessee Name: \_\_\_\_\_

Property Name: 710 Kunawai Lane

A. Project-Specific Requirements:

1. CDBG National Objective

The entire Property shall be used exclusively as a group home for the elderly, aged 62 years and over. No dwelling units shall be used for or be converted to non-housing uses.

2. National Objective Period/Period of Affordability

The Owner shall manage the Property in compliance with the CDBG regulations, any CDBG agreements with the City, and these Guidelines for \_\_\_\_\_ years.

3. Target Group

One-hundred percent (specify the percentage) of the households must be low- and moderate-income households at the time of first occupancy of a rental unit. A low- and moderate-income household is defined as a household, the income of which does not exceed 80% of the median income for Honolulu, adjusted for household size and periodically revised and published by the U. S. Department of Housing and Urban Development (HUD).

4. Definition of Income.

The Owner hereby elects to use the following definition of income (check one) when determining, certifying, and recertifying the household incomes of the tenants on the Property:

Section 8

IRS Form 1040

U.S. Census long form

B. Property Standards.

1. The Owner shall maintain the Property in accordance with the City's housing and building codes.
2. The Owner shall inspect dwelling units annually for compliance with the codes.
3. The Owner shall file the inspection reports, signed by tenants and inspector, as evidence that the unit meets the codes.

C. Tenant Selection Procedures

1. The Owner shall comply with Federal regulations pertaining to affirmative marketing, fair housing, and equal opportunity (24 CFR 1.4; 24 CFR 570.506(g); 24 CFR 570.602; and 24 CFR 92.351).
  - a. In general, the Property must serve all persons without regards to race, color, national origin, religion, sex, handicap, or familial status.
  - b. No person shall be denied the benefits of the Property because of familial status, age, or disability.
  - c. The HUD Fair Housing logo shall be placed on the Property's housing application forms, brochures, advertisements, and rental agreements. The HUD Fair Housing Poster shall be displayed in the Project's administrative office.
  - d. The Owner shall provide the City with a completed and updated HUD Form 935.2A Affirmative Fair Housing Marketing Plan. The Owner must actively market and reach out to all persons, especially those persons that, for various reasons, are least likely to apply. Special needs housing (e.g., transitional housing for the homeless or disabled) is not exempt from these regulations.
  - e. The Owner shall annually complete and provide to the City HUD Form 27061 Race and Ethnic Data Reporting Form.
  - f. The Owner shall maintain and provide to the City records of the number of female single heads of households and the number of male single heads of households that the Project served over its program year.
2. The Owner shall notify prospective clients in writing that the Property is subject to CDBG regulations.
3. The Owner must adopt written tenant selection policies and criteria that:
  - a. Are consistent with the purpose of providing housing for low- and moderate-income households.
  - b. Provide for the selection of applicants from a written waiting list in the chronological order of their application, insofar as is practicable.
  - c. Provide for applications to be date- and time-stamped.

- d. Give prompt written notification to any rejected applicant of the grounds for any rejection.

D. Household Income

- 1. Definition. The Owner shall comply with the regulation stated at 24 CFR 570.3, Definition of "income," which says:

*Income.* For the purpose of determining whether a family or household is low- and moderate-income under subpart C of this part, [Owner] may select any of the three definitions listed below for each activity, except that integrally related activities of the same type and qualifying under the same paragraph of Sec. 570.208(a) shall use the same definition of income. The option to choose a definition does not apply to activities that qualify under Sec. 570.208(a)(1) (Area benefit activities), except when the recipient carries out a survey under Sec. 570.208(a)(1)(vi). Activities qualifying under Sec. 570.208(a)(1) generally must use the area income data supplied to recipients by HUD.

- a. The three definitions are as follows:

- (1) Section 8. "Annual income" as defined under the Section 8 Housing Assistance Payments program at 24 CFR 813.106 (except that if the CDBG assistance being provided is homeowner rehabilitation under Sec. 570.202, the value of the homeowner's primary residence may be excluded from any calculation of Net Family Assets); or
- (2) Census. Annual income as reported under the Census long-form for the most recent available decennial Census. This definition includes:
  - (A) Wages, salaries, tips, commissions, etc.;
  - (B) Self-employment income from own nonfarm business, including proprietorships and partnerships;
  - (C) Farm self-employment income;
  - (D) Interest, dividends, net rental income, or income from estates or trusts;
  - (E) Social Security or railroad retirement;
  - (F) Supplemental Security Income, Aid to Families with Dependent Children, or other public assistance or public welfare programs;
  - (G) Retirement, survivor, or disability pensions; and
  - (H) Any other sources of income received regularly, including Veterans' (VA) payments, unemployment compensation, and alimony; or
- (3) IRS 1040. Adjusted gross income as defined for purposes of reporting under Internal Revenue Service (IRS) Form 1040 for individual Federal annual income tax purposes.

2. Estimating Annual Income.

Estimate the annual income of a family or household by projecting the prevailing rate of income of each person at the time assistance is provided for the individual, family, or household (as applicable). Estimated annual income shall include income from all family or household members, as applicable. Income or asset enhancement derived from the CDBG-assisted activity shall not be considered in calculating estimated annual income.

3. If the household is a minor or person that does not have a personal income, the household income of that household's guardian or parents must not exceed 80 percent of the Honolulu median income.

4. All households, including elderly, abused, homeless, and severely disabled, etc., must be fully income certified to qualify to live in the Property. No households in CDBG-assisted housing may be presumed to be of low- to moderate-income.

(See 24 CFR 570.208 (a)(2)(i)(A), which states that the beneficiaries of "activities involving the acquisition, construction or rehabilitation of property for housing" may not be presumed to be of low- and moderate income.)

5. Frequency of full income certification; choice of definitions of income; period of validity of income certification.

a. Frequency of full income certification.

The Owner shall determine and certify incomes of tenants initially, upon the tenants' entrance into the Property, and recertify incomes at least annually thereafter.

b. Documentation of income.

The Owner shall place documentation in the tenant files, signed by Owner and applicant, to the effect that the Owner determined, certified, and recertified the applicant's income, including the updated income amount, date of recertification.

c. Choice of definitions of income

i. Rental Rates Based on Income

- (A) If the rents in the Property are based on the tenants' ability to pay, that is, if the tenant never pays more than 30 percent of income for rent, then the Owner *must* use the Section 8 definition of income and calculate the tenants' Section 8 *adjusted income* as defined by HUD at various places, including:

<http://www.hud.gov/offices/cpd/affordablehousing/training/web/calculator/adjustedincome>

- (B) If the rents in the Property are *not* based on the tenants' ability to pay, then the Owner may choose among three definitions of income stated in 24 CFR 570.3 "Income."

ii. Using the IRS Definition of Income.

- (A) If, and only if, the Owner elects to use the IRS definition of income (see: *Technical Guide for Determining Income and Allowances for the HOME Program*, Third Edition, January 2006, The United States Department of Housing and Urban Development, page 17):

- (i) The Owner may use the household income figure shown either on IRS short form 1040EZ or on IRS Form 1040.
- (ii) The tax return may be used as proof of income.
- (iii) The income certification is valid up to 12 months from the date of income certification.

- (B) If the Owner *does not* elect to use the IRS definition of income:

- (i) As described in the definition of "income" quoted above, the Owner shall "Estimate the annual income of a family or household by projecting the prevailing rate of income of each person at the time assistance is provided for the individual, family, or household (as applicable)..."
- (ii) The Owner may not use an applicant's income tax return or other forms of "self-certification" as the sole or primary means of determining income. The Owner shall determine income using documents from third parties and the methodology prescribed in the HOME income calculator, or its equivalent, at the following website

<http://www.hud.gov/offices/cpd/affordablehousing/training/calculator/adjustedincome/index.cfm>

- (iii) The initial income certification is valid up to 6 months from the date of income certification. Recertifications of income are valid for 12 months from the date of recertification.

iii. Third-Party Certifications

In lieu of the method prescribed in the above-cited definition of "income," the Owner may verify and document a household's income by obtaining a written statement from the administrator of

another government program (such as Section 8 program); by comparing the household's income against the current schedule of household income limits published by the U.S. Department of Housing and Urban Development; and by placing the written statement and comparison with Honolulu's 80% of median income limits in the household's file. This written statement is described as follows:

"Obtain a written statement from the administrator of a government program under which the family receives benefits and which examines each year the annual income of the family. The statement must indicate the tenant's family size and state the amount of the family's annual income; or alternatively, the statement must indicate the current dollar limit for very low- or low-income families for the family size of the tenant and state that the tenant's annual income does not exceed this limit."

(24 CFR 92.203(a)(1)(iii))

The intent of securing this written statement is to document for any future auditor that the household's income was (a) certified by another government agency and (b) does not exceed 80% of the Honolulu median income.

6. Over-income households.

Households that are determined to be over-income upon annual income recertification may not be evicted from the Property solely for being over-income. However, the rents that the Property charges to such over-income households need no longer be those that are affordable to low- to moderate-income persons, as such rents are defined below.

E. Rents

1. In accordance with 24 CFR 570.208(a)(3), the City declares that affordable rents that are charged to the Property's target group, namely, low- and moderate-income persons, for the use of dwelling units on the Property may not exceed the current HUD Fair Market Rents appropriate to the units' size. Such "affordable" rent need not be lower than the HUD Fair Market Rent that was in effect at the time of initial rent-up. This guideline shall not prevent the Owner from complying with other rental guidelines that prescribe a lower rent.

(24 CFR 570.208(a)(3) states, "For rental housing, occupancy by low and moderate income households must be at affordable rents to qualify under this criterion. The recipient shall adopt and make public its standards for determining 'affordable rents' for this purpose."

2. An affordable rent for a bedroom in a Group Home is the current HUD Fair Market Rent for a single-family dwelling unit with the same number of bedrooms as the group home, divided equally between the number of bedrooms in the group home.

For example the rent for one bedroom in a 6-bedroom group home, for which the 2005 HUD Fair Market Rent is \$2,295, will be \$2,295 divided by 6, or \$383.

Such affordable rent need not ever be lower than the HUD Fair Market Rent that was in effect at the time of initial rent-up. Using this same example, if a bedroom in the group home is occupied by a resident manager or otherwise not occupied by a client, the rent will be determined using the Fair Market Rent of a 5-bedroom dwelling unit.

3. There are no restrictions on the rents that may be charged to households, the incomes of which no longer qualify as low- to moderate-income households.
4. The rents that are charged to low- to moderate-income households must include utilities as HUD defines utilities. Low- to moderate-income clients that pay for utilities should be given the appropriate, current Section 8 utility allowance(s).
5. Any rent changes must be in accordance with the terms of the Project's rental agreement.

F. CDBG Program Income

1. The Owner shall calculate and return CDBG program income to the City at least annually in the form of a cashier's check made out to the City and County of Honolulu. The City retains the exclusive right to the use and disposition of CDBG program income.
2. CDBG program income is the gross income from rents derived by the Owner, less the costs incidental to the generation of the income.

(See 24 CFR 570.500(a)(1)(iii and iv), which states,

Program income includes, but is not limited to, the following:...(iii) Gross income from the use or rental of real...property acquired by the recipient or by a subrecipient with CDBG funds, less costs incidental to generation of the income; (iv) gross income from the use or rental of real property, owned by the recipient or by a subrecipient, that was constructed or improved with CDBG funds, less costs incidental to generation of the income....)

3. "Gross income" is defined as the total annual income of the Property from all sources, including, but not limited to, apartment rents, laundry, vending machines, parking stall rents, interest income, or subsidies (e.g., Section 8 housing payments and Section 236 interest subsidies). "Gross income" does not include private or government grants secured by the Owner or program fees that the Owner charges to its clients, specifically to provide non-housing services such as counseling to its clients on the Property.
4. "Costs incidental to the generation of such income" means the expenses involved in operating and maintaining the property, including such expenses as salaries for operating and maintenance staff, utilities, janitorial supplies, repairs,...., and costs collecting fees and charges. (*Program Income Training Bulletin* See HUD Office of Community Planning and Development, April 1990)
5. "Costs incidental to the generation of income" also include:

Cost of insurance.

Cost of maintenance.

Reasonable management fees.

Cost of security.

Deposits into operating or maintenance reserves, as limited below.

6. Costs incidental to the generation of income do not include:
  - a. Depreciation. Depreciation, while actually deemed an allowable operating cost, must always equal \$0.00 when calculating program income in the Property.
  - b. Debt service payments.
  - c. Any costs that are deemed unallowable in Attachment B to OMB Circulars A-122 or A-87. Unallowable costs are not considered costs incidental to the generation of income.
  - d. The salaries of staff that perform non-housing, non-maintenance related duties on the Property.
  - e. Other costs deemed ineligible, in the sole discretion of the City.

G. Reserve Accounts

1. Replacement reserves shall not be funded with CDBG program income.  
  
(See Attachment B to OMB Circulars A-122 and A-87.) Item 9, Attachment B, to OMB Circular A-122 states:
  9. *Contingency provisions.* Contributions to a contingency reserve or any similar provision made for events the occurrence of which cannot be foretold with certainty as to time, intensity, or with an assurance of their happening, are unallowable.  
To finance capital improvements to the project, including the removal of architectural barriers, the Owner shall seek other sources of funding including private loans or applications for CDBG funding to the City.
2. Residual receipts reserves shall not be funded with CDBG program income. Residual receipts are CDBG program income and should be returned to the City's CDBG program.
3. Operating or maintenance reserves may be funded with the CDBG portion of the gross income.
  - a. The maximum level of funding in these reserves shall not exceed the greater of:

- i. One year's worth of allowable maintenance and repair costs, defined as the average of the last two years maintenance and repair costs; or
- ii. The number of rental units in the project multiplied by \$2,000.
- b. With the prior approval of the implementing agency and the Federal Grants Branch, these amounts may be adjusted to accommodate normal increases in operating costs.
- c. The amounts in any reserves that are funded with the non-CDBG or non-HOME portion of the Property's gross income are not subject to these guidelines.

H. Reports

1. The Owner shall maintain a Rental Project Compliance Report using an Excel spreadsheet. This report should contain the information listed below. The Owner shall transmit this Report to the City annually. It should show all the tenants that the Property served over the Property's fiscal year, not just those tenants that are currently occupying the units.
  1. Time period covered by Report
  2. Unit #
  3. No. of bedrooms in Unit
  4. Tenant Name
  5. No. of people in household
  6. Is this a Section 8 tenant or other subsidized tenant

  10. Move in Date

2. The Owner shall annually provide to the City a report showing the calculation of any CDBG program income due to the City, accompanied by a cashiers check for any amount due.
3. The Owner shall complete and annually transmit to the City HUD form 27061, Race and Ethnicity reporting.
4. Pursuant to 24 CFR 570.506(g)(2), the Owner shall annually transmit to the City a report on the number of single-headed and female-headed households that the Property served.
5. The Owner shall annually transmit to the City the results of any third party audit of the Property. If the audit does not break out the Property separately, the Owner shall also transmit the Property's unaudited financial statements in addition to the audited statements. The financial statements should enable the monitoring agent to determine the amounts in the Property's reserve accounts.

6. The Owner shall annually transmit to the City an annual program report in a form specified by the City.
7. The Owner shall annually transmit to the City any other documents that are required by the agreements between the Owner and the City, e.g., insurance certificates.

I. Files and records

1. The Property's tenant files should contain:
  - a. Evidence that the unit was inspected in accordance with the City's building codes.
  - b. Evidence that the incomes of each unit's successive tenants were calculated, certified, and annually recertified.

Lessee shall pay, before the same become delinquent, all real property taxes and assessments for which the Property is liable during the Term, whether payable by the City or Lessee. Taxes and assessments shall be prorated between the City and Lessee as of the dates of commencement and expiration of the Term. If any assessment is made under any betterment or improvement law which is payable in installments, Lessee shall pay only such installments, together with interest, which are due and payable during the Term.

10. IMPROVEMENTS REQUIRED BY LAW. Subject to Section 11 below, Lessee shall build, maintain, and repair, at its sole expense, all improvements which may be required by law in connection with its use of the Property.

11. CONSTRUCTION OF IMPROVEMENTS. Lessee will not construct any structure or other improvements on the Property with an aggregate value greater than \$1,000, alter the Property, or place any signs on the Property, without the prior written consent of the City.

12. WASTE AND UNLAWFUL USE. Lessee will not make or suffer any strip, waste, or unlawful, improper, or offensive use of the Property.

13. INSPECTION. The City and its agents may enter and inspect the Property at all reasonable times during the Term. Subject to the provisions of Sections 9 and 10 above, Lessee shall, at its own expense, repair all defects in the Property within 30 days after the City gives written notice thereof to Lessee, or shall, if any repair cannot reasonably be completed within 30 days, commence such repair within that time period and act with diligence until the repair is completed. If Lessee shall fail to commence or complete the repairs within the period provided above, the City may make such repairs. If the City makes such repairs, Lessee shall pay to the City the cost thereof plus interest at the rate of twelve percent (12%) per annum on demand. The City shall not be responsible to Lessee for any loss or damage that may be caused to the Property or business of Lessee by reason thereof.

14. AUDITS. All of Lessee's records relating to the Property will be available for examination during normal business hours by the City, HUD, and/or representatives of the Comptroller General of the United States.

15. NEITHER PARTY AGENT, JOINT VENTURER OR PARTNER OF THE OTHER. Neither party hereto shall be construed to be an agent of, or a joint venturer or partner with, the other party.

16. BOND. Before the commencement of construction of any improvement on the Property exceeding \$5,000.00 in costs, Lessee will obtain and deposit with the City, a good and sufficient surety bond naming the City as an additional obligee, in a penal sum of not less than 100% of the cost for all labor and materials to be furnished and used for such construction, with a corporate surety authorized to do business in Hawaii guaranteeing (1) the full and faithful performance and completion of the construction contract and (2) completion of the construction free and clear of all mechanics' and materialmen's liens.

17. PROPERTY INSURANCE. During the Term, Lessee shall be responsible for any and all loss or damage to Lessee's personal property, including all goods, materials, supplies, tools, machinery, equipment, furnishings, or other property, and at Lessee's discretion, may insure such property. Lessee waives any right of recovery against the City for any loss or damage to Lessee's property.

During the Term, the City may, at its own expense and in its sole discretion, keep all buildings now or hereafter erected on the Property, insured against loss or damage by fire with extended coverage. If there is any casualty to the Property normally covered by such insurance, the City shall have the sole discretion to determine whether to repair, rebuild, or replace the building. The City shall provide written notice to Lessee of such election, at which time Lessee shall, after payment to the City of all accrued rent and unpaid taxes and all other required payments, be relieved of any further obligation hereunder. The City waives any right of recovery against Lessee for any casualty to the Property unless caused, in whole or in part, by the Lessee.

Lessee shall report the occurrence of any loss or damage to the Property to the City as soon as practicable within 48 hours after such occurrence.

18. LIABILITY INSURANCE. Lessee will procure and maintain at all times during the term of this Lease any and all insurance required under any federal, state or local law, statute, ordinance, or rules and regulations as may be applicable to Lessee's operations and activities hereunder, including but not limited to workers compensation insurance. In addition, Lessee shall procure and maintain Commercial General Liability (CGL) insurance covering the premises, covering against bodily injury and property damage, with limits of not less than \$1,000,000 per occurrence and general aggregate, with the following extensions: (1) contractual liability to cover liability assumed under this Lease; (2) personal injury liability with the "employee" and "contractual" exclusions deleted; and (3) products and completed operations coverage. This policy shall name the City, its elected and appointed officials, employees and agents as additional insureds; provide that this insurance is primary coverage with respect to all insureds; contain a severability of interest clause providing that the insurance applies separately to each insured and that the policies cover claims or suits by one insured against another; and provide that the policy will not be cancelled, or terminated without 60 days prior written notice to the City.

Lessee will provide the City with current certificates of insurance for all policies and/or coverages required herein. The City reserves the right to review these requirements from time to time and require additional amounts or types of insurance.

19. CITY'S COSTS AND EXPENSES. Lessee shall pay to the City on demand all costs, including reasonable attorneys' fees, incurred by the City in enforcing any of the terms of this Lease, in remedying any breach of the terms of this Lease by Lessee, in recovering possession of the Property, in collecting any delinquent rent, taxes or other charges hereunder payable by Lessee, or in connection with any litigation commenced by or against Lessee to which the City shall be made a party without any fault on its part.

20. INDEMNITY. Lessee will indemnify and defend the City, and hold the City harmless against all claims whatsoever for: (a) failure of Lessee or its agents and employees to make any required disclosures in connection with the Property to users or any other person as required by law; (b) any misrepresentations made by Lessee or its agents and employees in connection with the Property to any person; (c) the failure of Lessee or its occupants, its clients, agents, employees, tenants, contractors, or subcontractors to observe all applicable laws and covenants as stated in Section 8., above, (d) the failure of Lessee to observe and perform its obligations stated in this Lease; and (e) loss or damage, including property damage, bodily injury, and wrongful death, arising out of or in connection with the use or occupancy of the Property by Lessee or any client, tenant, occupant, or other person claiming by, through or under Lessee, or any accident or fire on the Property, or any nuisance made or suffered thereon, or any failure by Lessee to keep the Property in a safe condition, or any other liability whatsoever on account of the Property, or on account of the acts or omissions of Lessee, its employees, agents, contractors, subcontractors, tenants, occupants, clients, or any other persons present upon the Property in connection with Lessee's use or occupancy thereof. In connection with the foregoing, the Lessee will reimburse the City for all its costs and expenses including but not limited to reasonable attorneys' fees incurred in connection with the defense of any such claims, and will hold all goods, materials, furniture, fixtures, equipment, machinery and other property whatsoever within the Property at the sole risk of Lessee and hold the City harmless for any loss or damage thereto by any cause whatsoever.

21. LIENS. Lessee will keep the Property free of all liens and encumbrances arising out of its activities. Should any such lien or encumbrance attach to the Property then: (a) Lessee shall immediately notify the City of such attachment, and (b) Lessee shall pay the claim and cause the same to be satisfied and discharged of record, and if Lessee shall not pay the same and cause it to be satisfied and discharged of record promptly, City may, at its option, pay the same and any amount paid by the City shall become immediately due and payable by Lessee to City as additional rent. Lessee will indemnify and hold the City harmless against such lien or encumbrance and all expenses incurred by the City including but not limited to reasonable attorneys' fees.

22. SURRENDER. At the end of the Term, Lessee will peaceably deliver up to the City

possession of the Property and all improvements in good condition except for reasonable wear and tear, free and clear of encumbrances which shall include, without being limited to, all claims, liens, charges or liabilities.

23. CONDEMNATION. In case at any time or times during the Term, the Property or any part thereof shall be required, taken, or condemned by any authority having the power of eminent domain, then and in every such case the estate and interest of Lessee in the Property so required, taken or condemned shall at once cease and terminate, and Lessee shall not by reason thereof be entitled to any claim against the City or others for compensation or indemnity for the leasehold interest, and all compensation and damages payable for or on account of the Property or portion thereof shall be payable to and be the sole property of the City.

24. TRANSFER BY CITY. City may transfer, assign, or sell this Lease, or any interest in this Lease or the Property, at any time, with prior notice to Lessee, upon which transfer, assignment or sale, City shall be released of all liability hereunder. Lessee shall attorn to the transferee, assignee, or purchaser, and shall perform all obligations required to be performed by Lessee under this Lease after the date Lessee is notified of the transfer, assignment, or sale, as though the transferee, assignee or purchaser was the original Lessor named in this Lease.

25. PROTECTION OF MORTGAGEE. During the existence of any mortgage of this Lease, to which the City has consented in writing, the City will not terminate this Lease because of any default by Lessee if, within a period of 30 days after the City has mailed written notice to the mortgagee of intention to terminate this Lease at the last known address thereof, such mortgagee shall either cure such default or, if the same cannot be cured by the payment of money, shall undertake in writing to perform all the terms of this Lease until this Lease is sold upon foreclosure. Upon such undertaking, the City will not terminate this Lease within such further time as may be required by the mortgagee to complete the foreclosure process provided that such process is pursued and completed diligently. Ownership by the same person of both the fee and leasehold estates in the Property shall not effect the merger thereof without the prior written consent of any mortgagee to such merger.

26. DEFAULT. Lessee shall be in default of its obligations under this Lease upon occurrence of any of the following events (hereinafter called "events of default"):

1. Failure to Pay Rent. Lessee's failure to pay rent or other charges required to be paid by Lessee under this Lease within ten days of its due date; or

2. Failure to Comply. Lessee's failure to comply with any other provision of this Lease which Lessee is obligated to comply with within thirty days of written notice from City to Lessee of such non-compliance, provided that if the cure cannot be completed within thirty days, then so long as Lessee has commenced the action to comply and diligently prosecutes the same, Lessee shall not be in default; or

3. Abandonment. Lessee's abandonment of the Property, for a period of 30 consecutive days or more; or

4. Assignment to Creditors. Lessee's assignment of this Lease for the benefit of creditors; or

5. Writ of Execution. Lessee's interest in this Lease, or any interest in it, being taken under a writ of execution; or

6. Bankruptcy. Lessee's seeking voluntarily or the filing of an involuntary bankruptcy against Lessee, seeking the protection of the bankruptcy laws of the United States or any similar law for the relief of debtors; or

7. Breach of Covenant. Lessee's breach of any covenant, warranty, promise or representation herein contained and the continuance of such breach for a period of thirty days after written notice to Lessee; or

8. Misrepresentation. Any material representation or warranty of Lessee contained herein or any material representation to City concerning the financial condition or credit standing of either Lessee or any party ("Guarantor") obligated to City under any agreement guaranteeing performance of any of the obligations of Lessee referred to herein proves to be false or misleading, or City reasonably determines that its position as City is threatened by reason of a material adverse change in the financial condition or credit standing of either Lessee or of any Guarantor.

27. REMEDIES.

1. Interest and Late Payment Charge. If Lessee shall be delinquent in payment of the rent or the payment of any other charge required to be paid by Lessee under this Lease, Lessee shall pay, with each overdue payment, interest on the overdue payment at the rate of twelve percent (12%) per year. In addition to interest, Lessee shall also pay to City a late fee equal to five percent (5%) of the overdue payment to cover City's administration costs of processing such overdue payment.

2. Remedies Upon Default. Upon occurrence of any event of default, City may exercise any of the following remedies:

a. Re-entry: Termination. City may elect to terminate this Lease, but only by specific written notice of its election to Lessee, and may terminate the rights of Lessee to this Lease and the Property, and may reenter the Property to take possession of it;

b. Re-entry: No Termination. Without terminating this Lease, City may reenter the Property and occupy it and may, but is not obligated to, relet any portion or all of the Property for the account of Lessee; provided that City may terminate this Lease at any time after Lessee's default, even if City has relet any portion of the Property for the account of Lessee.

c. Cure. City may but shall not be obligated to cure any event of default and to charge Lessee for the cost of effecting such cure.

3. Exercising City's Remedies. Upon City exercising any of its above-listed remedies, Lessee agrees to the following:

a. Removal of Persons and Property. If City reenters the Property, it may remove all persons from the Property by any lawful means available. City may also remove all property of Lessee from the Property, and may enforce its right against that property, or may store the property at the expense of Lessee, or may dispose of the property if Lessee does not reclaim the property within 30 days after City has re-entered the Property.

b. No Termination. City's re-entry into the Property or its action to obtain possession of the Property shall not be deemed to constitute a termination of this Lease Agreement, or a termination of Lessee's obligation to pay rent or any other charge required to be paid by Lessee under this Lease Agreement, or a termination of any other liability of Lessee under this Lease Agreement including but not limited to Lessee's liability for damages.

c. Reletting. If City elects to relet the Property to a replacement Lessee, with or without terminating this Lease Agreement, City may enter into an agreement with the replacement Lessee for such rent and on such terms as City in its sole discretion deems appropriate. City may repair or alter the Property to suit the purposes of the replacement Lessee or to enable City to relet the Property or any portion of the Property.

d. Application of Rent. City shall apply the rent and other payments received from the replacement Lessee, in the following order and priority: (1) to the costs incurred by City to recover possession of the Property, including but not limited to reasonable attorney's fees and costs; (2) to the costs

incurred by City to relet the Property, including but not limited to the costs of repairs and alterations, and broker's commissions; (3) to the unpaid rent and other payments required to be paid by Lessee under this Lease Agreement. If there shall be a surplus, City may retain such surplus to pay subsequent amounts which become due and payable by Lessee under this Lease Agreement, and if there shall be any surplus at the expiration of this Lease Agreement, City shall pay such surplus to Lessee at the expiration of this Lease Agreement. If there shall be any deficiency between the rent and payments received from the replacement Lessee and the amount required to pay the items described in subparagraphs (1), (2), and (3) of this paragraph, Lessee shall be liable to City for such deficiency.

e. Legal Action. City may initiate legal action against Lessee at any time to recover amounts owed to City under this Lease Agreement, even though such action is initiated prior to termination of this Lease Agreement or prior to a final determination of amounts owed to City by Lessee. Initiating an action pursuant to this provision shall not be deemed a termination of this Lease Agreement and shall not preclude City from initiating subsequent actions against Lessee to recover any amounts due from Lessee.

f. Additional Remedies. If City terminates this Lease Agreement, then in addition to any other remedy available to City, City may recover from Lessee either (1) all damage sustained by City as a result of Lessee's default, and (2) the amount by which the total rent and other amounts payable for the remainder of the term of this Lease Agreement exceed the rent that City can be expected to receive for the Property for such period, together with the costs of recovering possession of the Property, the anticipated costs of reletting the Property, and reasonable attorney's fees and costs incurred by City.

g. Remedies Cumulative. The remedies available to the City are cumulative and not exclusive, and the exercise of any remedy by City shall not preclude its exercise of any other available remedies.

h. Costs and Attorney's Fees. City shall be entitled to recover from Lessee all costs incurred by City in enforcing any provision of this Lease which Lessee is required to comply with, including but not limited to reasonable attorney's fees and costs.

## 28. SURRENDER: HOLDING OVER.

1. Surrender. Upon expiration or earlier termination of this Lease Agreement, Lessee shall immediately vacate and surrender the Property to City, together with all improvements, additions and fixtures then on the Property, whether installed by City or by Lessee, including any air conditioning units or systems, all in good condition, ordinary wear and tear excepted; provided that City, at its option, may require Lessee to remove any or all improvements, additions and fixtures installed by Lessee in the Property, in which event Lessee shall do so and shall restore the Property to its original condition at the commencement of this Lease Agreement within seven days following the expiration or earlier termination of this Lease Agreement. Lessee shall remove all of its personal property before surrendering the Property and shall repair any damage to the Property caused thereby. Lessee's obligation to observe or perform this covenant shall survive the expiration or other termination of the term of this Lease Agreement. Personal property is defined as inventory, operating equipment or other property not affixed to the Property.

2. Failure to Restore. If Lessee fails to complete the removal and the restoration in the manner and within the time specified, City may complete such removal and restoration in which event Lessee shall be liable to City for all costs incurred by City which amount shall be immediately due and payable after notice to Lessee by City of the amount due.

3. Holding Over. If Lessee remains in possession of the Property after the expiration or earlier termination of this Lease Agreement without the consent of City, Lessee shall be liable (1) for two times the fair market rent for the premises, determined as of the expiration or earlier termination of this Lease Agreement, (2) for all other charges payable by Lessee pursuant to other provisions of this Lease Agreement, and (3) for all other damages City may sustain as a result of such wrongful holdover. Acceptance

of rent or other payments by City from Lessee during any holdover period shall not be deemed to create a new tenancy in favor of Lessee, but to the contrary, City may initiate action against Lessee at any time to recover possession of the Property, and to recover all damages sustained by City as a result of Lessee's wrongful holdover.

29. DISSOLUTION OF LESSEE. In the event of the corporate dissolution of Lessee, the City may terminate this Lease.

30. HAZARDOUS SUBSTANCES. Lessee shall not cause, permit, or allow the storage, use, escape, disposal or release of any hazardous substances or materials in or about the Property by Lessee, Lessee's agents, employees, contractors, invitees or licensees, except in full compliance with all hazardous materials laws. Hazardous substances and materials shall include those described in the Hazardous Materials Laws. "Hazardous Materials Laws" shall include, but not be limited to, the Comprehensive Environmental Response Compensation and Liability Act of 1980, as amended, 42 U.S.C. Section 9601 et seq., the Resource Conservation and Recovery Act, as amended, 42 USC Section 6901 et seq., the Hazardous Materials Transportation Act, the Clean Water Act, the Clean Air Act, the Toxic Substances Control Act and the Safe Drinking Water Act, the Hawaii Environmental Response Law, Hawaii Revised Statutes Chapter 128D, as well as any similar state and local laws and ordinances and regulations now or hereafter adopted, published and/or promulgated pursuant thereto as the same may be amended from time to time. If any lender or governmental agency shall ever require testing to ascertain whether or not there has been any storage, presence or release of hazardous substances or materials, then the reasonable costs thereof shall be reimbursed by Lessee to the City upon demand as additional charges if such requirement applies to the Property. In addition, Lessee shall execute affidavits, representations and the like from time to time at the City's request concerning Lessee's best knowledge and belief regarding the presence of hazardous substances or materials on the Property. In all events, Lessee shall defend, indemnify and hold harmless the City, its employees, agents, successors and assigns from and against any claims, demands, actions, lawsuits, proceedings, losses, damages, liabilities, fines, penalties, judgments, awards, costs and expenses directly or indirectly arising out of or attributable to the use, generation, manufacture, treatment, handling, refining, production, processing, storage, release, threatened release, discharge, disposal, removal or presence of hazardous substances or materials on or under or about the Property by Lessee or attributable to Lessee including, but not limited to any damages, the cost of clean up or detoxification of the Property and the preparation and implementation of any closure or remedial or other required plans and all reasonable costs and expenses incurred by the City in connection with such items including, but not limited to, attorneys' fees and costs. The foregoing covenants shall survive the expiration or earlier termination of this Lease.

31. ADA COMPLIANCE. As between the City and Lessee, Lessee shall be responsible for ensuring that the Property, all alterations and improvements in the Property, and Lessee's use and occupancy of the Property complies with the requirements of the Americans with Disabilities Act of 1990 (42 U.S.C. 12181, *et seq.*), and all regulations promulgated thereunder, and all amendments, revisions or modifications thereto now or hereafter adopted or in effect therewith (the "ADA"). However, Lessee shall not make any such alterations or improvements except in accordance with the provisions of Sections 11 and 16.

32. SEXUAL HARASSMENT POLICY FOR EMPLOYER HAVING A CONTRACT WITH THE CITY. All entities having a contract with the City (referred to in this Section as a "Contractor") must comply with the Revised Ordinances of Honolulu, 1990, Chapter 1, Article 18 ("Article 18") on sexual harassment. All Contractors shall have and enforce a policy prohibiting sexual harassment. The Contractor's sexual harassment policy must set forth the same or greater protection than those contained or required by the ordinance. The ordinance is applicable to the Contractor's business and includes the following:

- a. Prohibitions against an officer's or employee's sexual harassment of the following:
  - (1) Another officer or employee of the employer;
  - (2) An individual under consideration for employment with the employer; or
  - (3) An individual doing business with the employer;

b. A provision prohibiting a management or supervisory officer or employee from knowingly permitting a subordinate officer or employee to engage in the sexual harassment prohibited under Subdivision a of the ordinance;

c. A prohibition against retaliation towards an officer, employee, or individual who has complained of sexual harassment, conducted an investigation of a complaint, or acted as a witness during an investigation of a complaint;

d. A prohibition against a malicious false complaint of sexual harassment by an officer, employee, or individual;

e. Provisions allowing an officer, employee, or individual to make a sexual harassment complaint to an appropriate management, supervisory, or personnel officer or employee;

f. Procedures for investigating a sexual harassment complaint in an unbiased, fair, and discreet manner with appropriate safeguards to maintain confidentiality and protection from embarrassment;

g. A provision requiring the use of the "reasonable person of the same gender standard," to determine if sexual harassment has occurred. Under the standard, sexual harassment shall be deemed to have occurred if the alleged offender's conduct would be considered sexual harassment from the perspective of a reasonable person of the same gender as the alleged victim. If the alleged victim is a woman, the "reasonable person of the same gender standard" shall be equivalent to and may be called the "reasonable woman standard;"

h. Disciplinary action which may be imposed on an officer or employee who committed a prohibited act; and

i. For a Contractor with at least five (5) employees, a provision requiring the annual viewing of a video on the sexual harassment policy by each management or supervisory officer or employee.

The policy required under this section shall be in effect for at least the duration of the Contractor's contract with the City. The action of the bidder or proposer in submitting its bid, proposal or signing of the contract shall constitute its pledge and acceptance of the provisions for the sexual harassment policy as required by Article 18. Article 18 is on file and available for viewing in the Purchasing Division. Contractors needing a copy must pick up the copy from the Office of the City Clerk, Room 203, City Hall, 530 South King Street, Honolulu, Hawaii, 96813.

**GROUP HOME MANAGEMENT AGREEMENT  
HOME INVESTMENT PARTNERSHIPS  
PROGRAM (HOME)**

Lessee Name: \_\_\_\_\_

Property Name: 91-1015 MAKAALOA STREET

The Lessee agrees as follows:

1. 91-1015 MAKAALOA STREET shall be managed as a HOME-assisted group home rental project. The Lessee shall comply with all applicable HOME regulations and HUD's January 2009 guidelines entitled "Compliance in HOME Rental Projects: A Guide for Property Owners" (hereafter "Guide"). (The latter guidebook is on the web at: <http://www.hud.gov/offices/cpd/affordablehousing/library/modelguides/2009/2009homereentalpo.cfm>)
2. This Agreement summarizes the main points in the aforementioned regulations and Guide, but does not substitute for them. If there is a conflict, the regulations and Guide take precedence over this Agreement.
3. The lessee shall manage 91-1015 MAKAALOA STREET in compliance with the HOME regulations for \_\_\_\_ years as a group home.
4. A group home is defined as the following:

A Group Home consists of housing occupied by two or more single persons or families consisting of common space and/or facilities for group use by the occupants of the unit, and (except in the case of shared one bedroom units) separate private space for each family. A Group Home may be a single-family dwelling unit that is being used as a group home.
5. 91-1015 MAKAALOA STREET has \_\_\_\_ dwelling units total, ALL of which are considered HOME-assisted.
6. 91-1015 MAKAALOA STREET'S HOME-assisted units are (check one):

\_\_\_\_ fixed \_\_\_\_ floating

If the HOME units are fixed, then the designated HOME units are listed as follows: \_\_\_\_\_ (List each unit individually, by apartment number.
7. If there is any conflict, the HOME regulations and guidelines take precedence over the Hawaii Landlord Tenant Code.

8. While a transitional housing project may not be subject to the Hawaii Landlord Tenant Code, it is still wholly subject to the HOME regulations and the Guide.
9. HOME rental projects, including transitional housing projects and 91-1015 MAKAALOA STREET, shall charge rent. The rent may be nominal. The Lessor may charge program or service fees; provided, however, that it charges for program or service fees separately from the rent.
10. The total cost to the tenant of rent plus utility costs plus any mandatory fees (including mandatory fees for parking, programs, food, or services) shall not exceed the HOME rent limits. HUD revises the HOME rent limits annually; the Lessee shall annually obtain and use the latest rent limits.

NOTE: The maximum rent for a bedroom in the Group Home is the current HUD Fair Market Rent for a single-family dwelling unit with the same number of bedrooms as the group home, divided equally between the number of bedrooms in the group home. For example, the rent for one bedroom in a 6-bedroom group home, for which the 2012 HUD Fair Market Rent is \$3,731 will be \$3,732 divided by 6, or \$621.

11. HOME rental projects, including 91-1015 MAKAALOA STREET, may provide programs and services to their tenants.
12. HOME rental projects, including HOME transitional housing projects and 91-1015 MAKAALOA STREET, may require tenants to participate in the programs and accept services as a condition of living in the project; however, before doing so, they must secure the City's prior written approval of any mandatory programs and services. (The City, in turn, must secure HUD's written approval of the programs and services.)
13. HOME transitional rental housing projects must provide supportive services; and they must secure the City's prior written approval of the services.
14. With the exception noted below, HOME transitional rental housing projects may require the tenants to accept services as a condition of living in the project.
15. HOME-assisted group homes for people with disabilities and HOME-assisted SROs for people with disabilities may require the disabled tenants to accept some services as a condition of living in the project; however, they may not require the disabled tenants to accept "disability-related services" as a condition of living in the project.
16. All HOME rental projects, including transitional housing projects and 91-1015 MAKAALOA STREET, must execute lease agreements with tenants. A program agreement does not substitute for a lease agreement. If it so desires, Lessee may execute a separate program agreement with tenants in addition to a lease agreement.
17. The HOME lease agreement, including that for transitional housing projects and 91-1015 MAKAALOA STREET, shall meet the specifications and contain the disclosures stated in the Guide. The City will be satisfied that the lease agreement complies if the Lessee uses the language in the attached sample "Addendum to Lease Agreement," attached as Attachment A to this Management Agreement.
18. All HOME rental projects, including transitional housing projects and 91-1015 MAKAALOA STREET, must comply with the HOME regulation at 24 CFR 92.253(c), which requires the Lessee to give 30-days written notice to any tenant before terminating the tenant's occupancy, regardless of any provision to the contrary in the Hawaii Landlord Tenant Code. The lease agreement shall contain a provision to this effect.

19. The lease agreement shall state whether any fee-based services are optional or required. The lease agreement must identify the amount of the additional fees or surcharges separately from the basic HOME rent for each tenant.
20. The lease agreement shall be for at least one year.
21. The Lessee shall maintain the property in accordance with the housing, plumbing, building, and fire codes in the Revised Ordinances of Honolulu.
22. The Lessee shall inspect the units for compliance every year, using a checklist.
23. When selecting tenants, the Lessee shall date- and time-stamp applications and use a waiting list system with written procedures.
24. The Lessee shall maintain contacts with as many service agencies as possible to refer clients to the project.
25. The Lessee shall post the HUD Fair Housing poster in a site accessible and visible to tenants. The Lessee shall use the HUD Fair Housing Logo on its lease agreement and marketing materials.
26. Every five years, the Lessee shall update its HUD Form 935.2A, the Affirmative Fair Housing Marketing Plan, and provide it to the City.
27. Every year, the Lessee shall provide the City a report on the race and ethnicity of all the tenants served during the program year.
28. Every year, the Lessee shall provide the City a report of the number households headed by single females and households headed by single males.
29. The Lessee shall certify the income of every household who enters the project. Only households with incomes of less than 60 percent of the Honolulu median income are eligible to enter into the project.
30. At least 20 percent of the HOME units must be occupied by tenants who have incomes below 50 percent of the Honolulu median income.
31. Every year, the Lessee shall fully re-certify every tenant's income.
32. When certifying incomes, the Lessee shall use the latest schedule of income limits published by HUD.
33. When certifying incomes, the Lessee shall select one definition of income from those listed below and apply it consistently to all households:
  - Section 8
  - IRS Form 1040
  - U.S. Census long form
34. Every year, the Lessee shall provide the City with a 12-month cash flow that shows the revenues and expenses of the project. If audited financial statements and audit reports available, the Lessee shall provide those to the City.
35. Every year, the Lessee shall provide the City with any insurance certificates required in its contract.

36. Throughout the year, the Lessee shall maintain the HOME Rental Project Compliance Report using an Excel spreadsheet, in a form that is specified by or otherwise acceptable to the City, and provide this report to the City annually. Such a form attached as Attachment B to this Management Agreement.

- B. Affordability period.

The owner shall manage the Property in compliance with the HOME regulations for \_\_\_\_\_ years.

- C. Definition of Group Home.

A Group Home consists of housing occupied by two or more single persons or families consisting of common space and/or facilities for group use by the occupants of the unit, and (except in the case of shared one bedroom units) separate private space for each family. A Group Home may be used for elderly or disabled persons or minor children. Supportive services may be provided. A Group Home may be a single-family dwelling unit that is being used as a group home.

D. Property standards requirements.

1. The Owner shall maintain the Group Home in accordance with the City's housing codes, which are published in the Revised Ordinances of Honolulu, available on the City's website, as follows:

- Chapters 16 & 18 - Building Code
- Chapter 17 - Electrical Code
- Chapter 19 - Plumbing Code
- Chapter 20 - Fire Code
- Chapter 21 - Land Use (permits)
- Chapter 27 - Light and sanitation

2. The Owner shall inspect the units annually for compliance with these standards.
3. The Owner shall file the inspection reports as evidence that the unit meets the standards.

E. Tenant Selection Procedures (24 CFR 92.253(d))

1. The Owner of must adopt written tenant selection policies and criteria that:
  - a. Are consistent with the purpose of providing housing for very low-income and low-income families;
  - b. Are reasonably related to program eligibility and the applicants' ability to perform the obligations of the lease;
  - c. Provide for the selection of tenants from a written waiting list in the chronological order of their application, insofar as is practicable; and
  - d. Give prompt written notification to any rejected applicant of the grounds for any rejection.
2. The Owner shall comply with Federal regulations pertaining to affirmative marketing, fair housing, and equal opportunity (24 CFR 1.4; 24 CFR 92.351).
  - a. In general, the Property must serve all persons without regards to race, color, national origin, religion, sex, handicap, or familial status.
  - b. No person shall be denied the benefits of the Property because of familial status, age, or disability.
  - c. The HUD Fair Housing logo shall be placed on the Property's housing application forms, brochures, advertisements, and rental agreements. The HUD Fair Housing logo shall be displayed in the Project's administrative office.
  - d. The Owner shall provide the City with a completed and updated HUD Form 935.2 Affirmative Fair Housing Marketing Plan. The Owner must actively market and reach out to all persons, especially those persons that, for various reasons, are least likely to apply. Special needs housing

(e.g., transitional housing for the homeless or abused spouse) is not exempt from these regulations.

- e. The Owner shall annually complete and provide to the City HUD Form 27061 Race and Ethnic Data Reporting Form.
- f. The Owner shall track and keep records of the number of single-headed and female-headed households that it serves annually.

F. Income

- 1. To be eligible to occupy a bedroom in the Group Home, a tenant's household income must not exceed 60% of the Honolulu median income. If the tenant is a minor, then the household income of the tenants' guardian or parents must not exceed 60% of the Honolulu median income.
- 2. Definition of income.
  - a. If the rents in the Project are based on the tenants' ability to pay, e.g., the tenant never pays more than 30% of income for rent, then the Owner *must* use the Section 8 definition of income and calculate the tenants' *adjusted income*\* as described below. (see: <http://www.hud.gov/offices/cpd/affordablehousing/training/calculator/adjustedincome/index.cfm>)
  - b. However, if the rents in the Project are *not* based on the tenants' ability to pay, then the Owner may choose among three definitions of income stated in 24 CFR 92.203.

Section 8

IRS Form 1040

U.S. Census long form

- 3. Frequency of full income certification.

The managing agent shall certify incomes fully using the method prescribed in 24 CFR 92.203(a)(1)(i) every year.

- 4. \* To calculate *adjusted income*, use the HOME income calculator at the following website:

<http://www.hud.gov/offices/cpd/affordablehousing/training/calculator/adjustedincome/index.cfm>

or other approved HUD income calculators.

This website contains information such as:

"Adjusted income" is defined as the household's "annual (gross) income" that you certify annually, minus up to five additional deductions.

Determine if the household qualifies as "elderly," "disabled," or "family." Then, apply the following deductions to these households regardless of the definition of "annual (gross) income" that was initially used to determine their eligibility. The deductions are:

Elderly or disabled household deductions,  
Dependent deductions,  
Child care expenses deductions,  
Medical expenses deductions, and  
Disability assistance expenses deductions.

Use the website to learn how each deduction is applied when calculating adjusted income.

G. Rents.

1. The maximum rent for a bedroom in the Group Home is the current HUD Fair Market Rent for a single-family dwelling unit with the same number of bedrooms as the group home, divided equally between the number of bedrooms in the group home. For example the rent for one bedroom in a 6-bedroom group home, for which the 2005 HUD Fair Market Rent is \$2,295, will be \$2,295 divided by 6, or \$383.

NOTE: Live-in supportive service provider bedrooms are not counted in calculating tenants' rent. For example, if one bedroom of a four-bedroom unit is occupied by a service provider, the maximum unit rent is the FMR for a three-bedroom unit.

2. The HOME rents must include all utilities. If tenants pay any utilities, the Owner shall establish a utility allowance or adopt the current Section 8 utility allowance and credit it to the tenant.
3. If a tenant's income rises to >80%, then the tenant must pay as rent 30 percent of the household's *adjusted income*\* (see above); provided, however, that:
  - a. If the unit is a low-income housing tax credit (LIHTC) unit as well as a HOME unit, then the rent may not exceed the rent prescribed in the LIHTC program; and
  - b. If the unit is in a floating HOME unit Property, then the rent may not exceed the market rent for comparable, unassisted units in the neighborhood; and
4. Any rent changes must be in accordance with the terms of the Group Home's rental agreement.

H. Rental agreement

1. The Property must execute a rental agreement with tenants. Note that program service agreements and personal responsibility agreements are not rental agreements ("Compliance in HOME Rental Projects: A Guide for PJs," HUD Jan 2009, page 66).
2. The rental agreement with the tenant may not contain any of the prohibited terms listed in 24 CFR 92.253.
3. Termination of tenancy. An owner may not terminate the tenancy or refuse to renew the lease of a tenant of rental housing assisted with HOME funds except for serious or repeated violation of the terms and conditions of the lease; for violation of applicable Federal, State, or local law; for completion of the tenancy period for transitional housing; or for other good cause. To terminate or refuse to renew tenancy, the owner must serve written notice upon the tenant specifying the grounds for the action at least 30 days before the termination of tenancy. (24 CFR 92.253(c).)

I. Reports.

1. The Owner shall maintain a HOME Rental Project Compliance Report using an Excel spreadsheet. This Report is attached to this Addendum as Exhibit A. The Owner shall transmit this Report to the City annually. It should show all the tenants that the Property served over the Property's fiscal year, not just those tenants that are currently occupying the units.
2. The Owner shall complete and annually transmit to the monitoring agent HUD form 27061, Race and Ethnicity reporting. Should a fair housing complaint ever arise, this form will enable an investigator to determine if there is or has been a pattern of discrimination.
3. The Owner shall annually transmit to the City the results of any third party audit of the Group Home.
  - a. If the audit does not break out the Group Home separately, the Owner shall also transmit the Property's unaudited financial statements in addition to the audited statements. The financial statements should enable the monitoring agent to determine the amounts in the Group Home's reserve accounts.
  - b. If the Group Home received over \$500,000 in Federal aid that year, then the Group Home must undergo an A-133 audit.
4. The Owner shall annually transmit to the City an annual program report in a form specified by the City.
5. The Owner shall annually transmit to the City any other documents that are required by the agreements between the Owner and the City, e.g., insurance certificates.

J. Files and records

1. The Group Home's tenant or unit files should contain:
  - a. In a multi-funded project, a note whether this is a HOME unit. Each file should enable the reviewer to identify if the unit is currently a HOME unit and its past history as a HOME or non-HOME unit.
  - b. Evidence that the unit was inspected in accordance with the appropriate housing quality standards.
  - c. Evidence that the incomes of each unit's successive tenants were documented and certified in accordance with the HOME regulation at 92.203.
  - d. Documentation as to each unit's rent.
  - e. Copy of each tenant's rental agreement.
2. The owner should keep on file:
  - a. Evidence that the Group Home filed Form HUD-935.2 Affirmative Fair Housing Marketing Plan; and evidence that the plan was reviewed every five years.
  - b. Evidence of marketing and outreach to the Group Home's target groups.
  - c. Copies of Form HUD 27061 Race and Ethnicity Reporting for each year.
  - d. Records of the number of single-headed households and female-headed households for each year.
  - e. Copy of the tenant selection policy and procedures, including policy and procedures for administering waitlists. These policies and procedures should meet the specifications of 24 CFR 92.253(d).
  - f. Copies of any brochures and handouts that the managing agent distributes to applicants. These materials should:
    - i. Disclose and explain the HOME rules that directly affect the tenants.
    - ii. Display the fair housing logo.
  - g. Copy of the Section 8 housing quality standards.
  - h. Copies of the agreements between the City and the owner.
  - i. A note as to any utility allowances and how they were determined.
  - j. Copies of HOME Rental Project Compliance Report for each year.

- k. Copies of any insurance certificates required by agreements between the owner and the City.

K. Inspection Schedules (24 CFR 92.504(d)).

During the period of affordability, the City will perform on-site inspections of the Group Home to determine compliance with the above requirements no less than:

1. Every three years for projects containing 1 to 4 units;
2. Every two years for projects containing 5 to 25 units; and
3. Every year for projects containing 26 or more units.
