TO: ALL COUNCILMEMBERS

FROM: COUNCILMEMBER IKAIKA ANDERSON, CHAIR
COMMITTEE ON ZONING AND PLANNING *JA*

SUBJECT: PROCEDURE FOR PROPOSING ZONING AND PLANNING
COMMITTEE AMENDMENTS TO BILLS TO ADOPT REVISED
DEVELOPMENT PLANS AND SUSTAINABLE COMMUNITIES PLANS *gm*

Bill 65 (2012), a bill to adopt the revised Ewa Development Plan, has passed First Reading and been referred to the Zoning and Planning Committee.

Councilmembers are reminded that any proposals for amendments to the bill or the attached revised Ewa Development Plan in the Zoning and Planning Committee should comply with the procedure I established in Council Communication No. 199, dated July 22, 2011, which calls for the submission of DP Amendment Proposal forms rather than proposed Committee Draft bills.

There is one minor change to the procedure due to a new OCS staffing assignment. After submitting hard copies of each set of proposals to me through the Zoning and Planning Committee clerk, please email the Word files of your proposals to OCS Legislative Analyst Dean Minakami (dminakami@honolulu.gov). Dean's telephone number is Extension 83871.

Thank you for your cooperation.
