Subject: Zoning and Planning Committee Testimony

Aloha mai Council Members,

I am writing in support of Haseko's (Haseko Development, Inc) request to amend the Ewa Development Plan (EDP) which would allow for the development of a lagoon in the Ocean Pointe/Hoakalei Resort subdivisions as opposed to the previously approved marina. A lagoon would serve a greater number of residents in the Ewa Community, and beach and swimming facilities open to the general public would provide a needed recreational area for our families and their children. Conversely, a marina would only serve a limited number of residents in the Ewa Community and duplicate a service already available at the nearby Ko'olina Resort.

I strongly request that you support an amendment to the EDP which would allow for the development of a lagoon that would better serve the broader community. Mahalo for your consideration.

Sincerely,

Lawrence A. Woode, Jr.
Ewa Beach Resident
