CITY CLERK
HONOLULU, HAWAII

Subject: Transportation Committee Testimony

To: The Honorable Breene Harimoto, Chair and Members, Committee on Transportation, Honolulu City Council

From: Michael D. Caswell, Senior Vice President, Pasha Hawaii/Pasha Stevedoring & Terminals, Honolulu, Hawaii

Subject: Support of Confirmation for Mr. Michael Formby, Director of Transportation Services

Please find that on behalf of Pasha Hawaii, The Pasha Group of businesses, and the Pasha family, we wholeheartedly support the confirmation of Michael Formby, as Director of Transportation Services, Honolulu.

I personally have worked closely over the years with Mr. Formby, who had served as Director, Hawaii Harbors, State of Hawaii, whereas we were able to address many of the ocean transportation and facility related issues facing our growing industry. He had always proven to be very fair, equitable and extremely knowledgeable relative to the complexities of our business and offered short/long term planning solutions that were cooperative, and mutually acceptable. He always worked in the best interest of the State of Hawaii, and able to meet the demands and ever-changing needs of general commerce. His financial effectiveness and understanding of contractual performance are exquisite and communications were regular, crisp and clear.

We wish him the very best in his endeavors.

Respectfully yours,

Michael D. Caswell
