Subject: Parks Committee Testimony

Dear Councilmembers,

I support Resolution 13-1 regarding EBT terminals at all C&C POM's (People's Open Markets). There is no better way to encourage the health of our communities than to allow low income EBT holders the ability to buy healthful, local foods. This will also help to stimulate our economy, develop healthy minds and bodies and better contributors to society. Please pass this resolution!

Mahalo,
Christine Kauahikaua
