Subject: Thomas Square

Hi. Recently I was at Thomas Square for a dog show, which will be another one this Sunday. The situation at Thomas Square is beyond disgusting. Homeless people are sleeping around the park, soliciting for money, relief themselves at the water fountain. The homeless even leave their belongings around the park. When I was walking in the park, it's disgusting. Please, please to have the park cleaned up. We enjoy using Thomas Square for our events and hate to find another location because of the situation of the park. Thank you for your consideration.

Sincerely
Shirley Wong
