City Council Committee Meeting Room

Aloha,

My name is SENATOR MAILE SHIMABUKURO

I write in **support** of Councilmember Kymberly Pine's proposed CD1 amendment to Bill 12 to add funding for the Makaha Beach Park Master Plan.

Makaha Beach is a world famous surfing beach. The beach and its waters are also used for activities such as swimming, diving, stand-up paddling, canoe racing and fishing. Past improvements to Makaha Beach Park have been made without the guidance of a park master plan.

Currently, Farrington Highway runs through the park, separating many of the park's facilities and recreation spaces with those located on the beach side of the park. To protect Farrington Highway from future wave damage and erosion, and to increase public safety, I **support** this amendment, which seeks to implement the Makaha Beach Master Plan, including uniting the makai section of the park with the mauka section containing parking, comfort and recreational facilities.

With the City Council's support, the Makaha Beach Master Plan will prevent further erosion of Farrington Highway, increase public safety, and provide better park facilities that a world-renown surfing beach park and community deserves.

Thank you for the opportunity to share our views with you and I kindly request your support On this Bill 12, CD1 amendment.
