I am writing in support of Bill 24 (2013), which offers a technical amendment to the recently passed Bill 72 (2012), prohibiting smoking at beaches and parks in Waikiki, Ala Moana, and Sandy Beach Park. I strongly support this bill, in order to make beaches owned by the state, namely beaches in Waikiki that are managed by the City & County, subject to the provisions of Bill 72. This amendment will enable enforcement of the measure.

Please pass Bill 24, in order to protect personal and environmental health and safety on Oahu's most heavily used beaches and parks.

Mahalo.

I am writing in support of Bill 24 (2013), which offers a technical amendment to the recently passed Bill 72 (2012), prohibiting smoking at beaches and parks in Waikiki, Ala Moana, and Sandy Beach Park. I strongly support this bill, in order to make beaches owned by the state, namely beaches in Waikiki that are managed by the City & County, subject to the provisions of Bill 72. This amendment will enable enforcement of the measure.

Please pass Bill 24, in order to protect personal and environmental health and safety on Oahu's most heavily used beaches and parks.

I am writing in support of Bill 24 (2013), which offers a technical amendment to the recently passed Bill 72 (2012), prohibiting smoking at beaches and parks in Waikiki, Ala Moana, and Sandy Beach Park. I strongly support this bill, in order to make beaches owned by the state, namely beaches in Waikiki that are managed by the City & County, subject to the provisions of Bill 72. This amendment will enable enforcement of the measure.

Please pass Bill 24, in order to protect personal and environmental health and safety on Oahu's most heavily used beaches and parks.

Re: Support of Bill 24

Date: May 7, 2013

I am writing in support of Bill 24, which provides the technical amendments necessary to make Bill 72 a more enforceable law.

The dangers of smoking on public health and the environment are well-known. This bill would be a step in the right direction of making Hawaii's outdoor areas safer and more beautiful by reducing second-hand smoke and cigarette butt litter.

This incremental step would allow community and business organizations to work with the City & County to develop ways which might succeed in the reduction of smoking and cigarette butt litter.

I encourage you to pass Bill 24.
