Subject: Council Meeting Testimony

Aloha City Council of Honolulu. I humbly ask for your support in providing grant funds for Bill 11 (2013), CD2 Fiscal Year 2014? DTCHAWAII has been serving the less fortunate children and adults from 2004. This locally owned program is asking for help in many ways, and it is time for the City of Honolulu to assist DTCHAWAII by voting in support for grant funding of BILL 11 (2013), CD2 Fiscal Year 2014.

Thank you kindly,

Duane K. Medeiros
