Dear Honolulu City Council:

*I am in favor of the proposed lagoon because it will be a friendly alternative to a marina. The shoreline walking path will be inviting to beach users at White Plains Beach and Oneula Beach Park and encourage lagoon visitors to explore these beaches. The lagoon will be a safe place for people to practice canoe paddling, and use their kayaks and paddle boards. The public swim cove will provide a clean and safe place for families and their keiki to sunbathe and swim. Plus, there is a promenade around the lagoon for us to stroll, jog and bike.*

*The lagoon will invite local residents and island visitors to experience a vibrant waterfront. Please include the lagoon as an alternative to the marina on the Ewa Development Plan.*

*Mahalo for your support!*

Dear Honolulu City Council:

*I am in favor of the proposed lagoon because it will be a friendly alternative to a marina. The shoreline walking path will be inviting to beach users at White Plains Beach and Oneula Beach Park and encourage lagoon visitors to explore these beaches. The lagoon will be a safe place for people to practice canoe paddling, and use their kayaks and paddle boards. The public swim cove will provide a clean and safe place for families and their keiki to sunbathe and swim. Plus, there is a promenade around the lagoon for us to stroll, jog and bike.*

*The lagoon will invite local residents and island visitors to experience a vibrant waterfront. Please include the lagoon as an alternative to the marina on the Ewa Development Plan.*
