EXHIBIT A

JUSTIFICATION SHEET

TITLE: RELATING TO LANDOWNER LIABILITY.

PURPOSE: Creates a cause of action against a person who maintains a property nuisance on residential property that results in damage or injury to the person or property of another person.

MEANS: Adds a new section to Chapter 663, Hawaii Revised Statutes.

JUSTIFICATION: The state of Hawaii continues to be one of the most expensive states in the nation to purchase a home and as such, a home will be the largest financial asset for most of Hawaii's citizenry. Real estate investors have purchased large blocks of residential property only to then engage in the blighting of these same properties, as they have no intention of residing in the affected communities. This practice, commonly called "block busting," seeks to lower the neighborhood's overall property value, thereby enabling unscrupulous real estate investors to purchase additional surrounding properties in the same neighborhoods at lowered prices. As a result of "block busting," homeowners in the affected neighborhoods will see the value of their largest financial asset decline through no dereliction on the homeowners' part. The most effective tool to combat "block busting" is the creation and imposition of liability damages to financially deter unscrupulous real estate investors from engaging in property blighting.

JUSTIFICATION SHEET

TITLE: RELATING TO HELMETS.

PURPOSE: Requires all motorcycle and motor scooter drivers to wear a helmet.

MEANS: Amends §286-81, Hawaii Revised Statutes.

JUSTIFICATION: According to the National Highway Traffic Safety Administration (NHTSA), a driver who does not wear a safety helmet while operating a motorcycle or motor scooter is 40 percent more likely to suffer a fatal head injury. The NHTSA conducted the Crash Outcomes Data Evaluation System Study (commonly known as CODES) which concluded that motorcycle helmets are 67 percent effective in preventing brain injuries and motorcyclists not wearing helmets involved in crashes were three times more likely to suffer brain injuries than those wearing helmets. The Hawaii State Department of Health (DOH) estimates that hospital charges for head injuries suffered by motorcycle, motor scooters and moped riders in the state of Hawaii totals \$9.9 million per year. Recently, DOH issued its "Hawaii Injury Prevention Plan 2012-2017" which declared that its first traffic safety priority is to increase helmet use by motorcycle and moped riders by strengthening Hawaii's existing moped and motorcycle helmet laws.

JUSTIFICATION SHEET

TITLE: RELATING TO VOTING.

PURPOSE: Allows citizens to register to vote on election day.

MEANS: Adds a new section to Chapter 11, Hawaii Revised Statutes.

JUSTIFICATION: Hawaii Revised Statutes requires voters to register 30 days in advance to vote in a primary, general or special election. In 2012, only 40% of eligible Hawaii citizens turned out to vote according to the United States Elections Project. California, Connecticut, Colorado, the District of Columbia, Idaho, Iowa, Maine, Minnesota, Montana, New Hampshire, Wisconsin and Wyoming currently allow its voters to register and vote on the same day. Removal of the 30 day registration requirement and allowing citizens to register to vote on election day will increase the convenience and ease for Hawaii's citizenry to turn out to vote.

EXHIBIT E

JUSTIFICATION SHEET

TITLE: URGING THE UNITED STATES DEPARTMENT OF STATE, THE DEPARTMENT OF HOMELAND SECURITY, AND THE UNITED STATES ATTORNEY GENERAL TO EASE VISA RESTRICTIONS FOR THE PEOPLE'S REPUBLIC OF CHINA.

PURPOSE: Supporting the easing of visa restrictions for the People's Republic of China.

MEANS: Resolution.

JUSTIFICATION: The People's Republic of China (PRC) is now a major trade partner with the United States (U.S.), a world leader in the auto market and the world's largest producer of energy. PRC has approximately 1.3 billion citizens which represents a very large and lucrative pool of visitors, as the average PRC tourist to Hawaii spends on average \$368 per day, compared to the \$275 daily for every Japanese tourist and just \$178 per day for every other tourist to Hawaii. However, despite the reciprocity between China and Hawaii, the visa application and approval process for PRC business and tourist travelers is an arduous and often lengthy process which deters potential visitors to Hawaii and the U.S. A PRC citizen who wishes to visit the U.S. must appear in person before a U.S. consulate official to obtain the visa, but there are only five U.S. consulates in the entire PRC. The average wait time for a PRC visa applicant far exceeds wait times for other countries. The solution to ease this problem is for the PRC to be admitted to the U.S. State Department's Visa Waiver Program which allows nationals from foreign countries to enter the U.S. for tourism or business related purposes for a maximum of 90 days without obtaining a visa. Currently there are 36 countries admitted into the Visa Waiver Program.

RESOLUTION

JUSTIFICATION SHEET

TITLE: RELATING TO HAWAII EMPLOYER-UNION HEALTH BENEFITS TRUST FUND BOARD OF TRUSTEES.

PURPOSE: Designates one of the five seats allocated to represent "public employers" on the Hawaii Employer-Union Health Benefits Trust Fund Board of Trustees to be filled by an individual appointed by the four County Mayors and approved by the Hawaii State Association of Counties.

MEANS: Amends §87A-5, Hawaii Revised Statutes.

JUSTIFICATION: As one of the major public employers in the state of Hawaii, the Counties contribute a substantial amount to the Hawaii Employer-Union Health Benefit Trust Fund (EUTF) and County employees and retirees are deeply affected by the benefit decisions made by the EUTF Board of Trustees. However, the Counties do not have representation on the EUTF Board. A designated County Trustee on the EUTF Board would provide the Board with the needed fiscal expertise and knowledge of County finances and the County workplace.

A BILL FOR AN ACT

RELATING TO HAWAII EMPLOYER-UNION HEALTH BENEFITS TRUST FUND
BOARD OF TRUSTEES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the counties need
2 representation on the board of trustees of the Hawaii employer-
3 union health benefits trust fund. The counties contribute a
4 substantial amount to the fund, and the health and well-being of
5 their employees and retirees depend on the benefit decisions
6 made by the board of trustees. Despite their lack of
7 representation as public employers the counties are affected by
8 board decisions.

9 The purpose of this Act is to require that one of the five
10 seats on the board allocated to public employers be occupied by
11 a member appointed by the mayors of all four counties and
12 approved by the Hawaii State Association of Counties.

13 SECTION 2. Section 87A-5, Hawaii Revised Statutes, is
14 amended to read as follows:

15 "§87A-5 Composition of board.

.B. NO.

1 The board of trustees of the employer-union health benefits
2 trust fund shall consist of ten trustees appointed [~~by the~~
3 ~~governor~~] in accordance with the following procedure:

4 (1) Five trustees[~~7~~] appointed by the governor, one of
5 whom shall represent retirees, to represent employee-
6 beneficiaries and to be selected as follows:

7 (A) Three trustees shall be appointed from a list of
8 two nominees per trustee selected by each of the
9 three exclusive representative organizations that
10 have the largest number of employee-
11 beneficiaries;

12 (B) One trustee shall be appointed from a list of two
13 nominees selected by mutual agreement of the
14 remaining exclusive employee representative
15 organizations; and

16 (C) One trustee representing retirees shall be
17 appointed from a list of two nominees selected by
18 mutual agreement of all eligible exclusive

JUSTIFICATION SHEET

TITLE: RELATING TO THE EMPLOYEES' RETIREMENT SYSTEM.

PURPOSE: Adds one additional member to the Employees' Retirement System Board of Trustees, specifically designated to represent the Counties.

MEANS: Amends §88-24, Hawaii Revised Statutes.

JUSTIFICATION: As one of the major public employers in the state of Hawaii, the Counties contribute a substantial amount to the Employees' Retirement System (ERS) and County employees and retirees are deeply affected by the benefit decisions made by the ERS Board of Trustees. However, the Counties do not have representation on the ERS Board. A designated County Trustee on the ERS Board would provide the Board with the needed fiscal expertise and knowledge of County finances and the County workplace.

A BILL FOR AN ACT

RELATING TO THE EMPLOYEES' RETIREMENT SYSTEM.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the counties need
2 county representation on the board of trustees of the employees'
3 retirement system of the State. The counties contribute a
4 considerable share to retirement system costs, and their
5 employees and retirees are a significant portion of the system's
6 membership. County representation will ensure that the board
7 possesses expertise about county finances and the county
8 workforce in making benefit decisions. Lack of representation
9 may result in a situation where board members do not fully
10 consider the costs of their actions on the counties, resulting
11 in changes that may not be cost beneficial in the aggregate or
12 may affect the retirement income of county employees and
13 retirees.

14 The purpose of this Act is to include county representation
15 on the membership of the board of trustees of the employees'
16 retirement system.

- 5 (1) The director of finance of the State, ex officio;
- 6 (2) [~~Four~~] Five members of the system, [~~two~~] three of whom

11 election to serve for terms of six years each, one of
12 the terms to expire on January 1 of each even-numbered
13 year; provided that, if after the close of filing of
14 petitions for candidacy, a member is unopposed for
15 election to a trustee position, the member shall be
16 deemed and declared to be duly and legally elected to
17 the position of trustee without an election; and
- 18 (3) Three citizens of the State who are not employees, two
19 of whom have at least three years of experience

3 January 1 of each odd-numbered year[+]; and

4 (4) One member appointed by unanimous agreement of the
5 mayors of each of the four counties and approved by
6 the Hawaii State Association of Counties, subject to
7 the advice and consent of the senate in the same
8 manner as trustees appointed by the governor, to serve
9 for a term of six years, with each term to expire on
10 January 1 of an odd-numbered year. The counties shall
11 be responsible for all necessary expenses, including
12 travel, board, and lodging expenses, and any other
13 costs, incurred in the performance of the member's

EXHIBIT H

JUSTIFICATION SHEET

TITLE: RELATING TO TRAFFIC INFRACTIONS.

PURPOSE: Transmits a portion of the fines and forfeitures from uncontested traffic infractions to the counties.

MEANS: Adds a new chapter to Hawaii Revised Statutes.

JUSTIFICATION: Counties are the entities responsible for enforcing both the statewide traffic code and county traffic ordinances. The costs to the counties to enforce the state and county traffic laws and prosecute violators are substantial and presently paid primarily from county general funds. However, all fines and forfeitures from the state and county traffic violations are paid wholly to the state and deposited into the state general fund. None of the revenues derived from fines and forfeitures are transmitted to the county, the enforcement entity. A substantial portion of the traffic fines and forfeitures are uncontested and as such, require minimal fund expenditures by the state Judiciary to administer. As such, transferring a portion of uncontested fines and forfeitures stemming from uncontested traffic infractions would be equitable and assist the counties in covering the costs to enforce state and county traffic laws.

1 § -2 **Transmittal of fines and forfeitures.** (a) The state
2 director of finance shall transmit to each county not more than
3 thirty days after the end of each fiscal quarter ____ per cent of
4 all the fines and forfeitures collected for uncontested traffic
5 infractions committed in that county which are in excess of
6 amounts required by the State to pay the administrative costs of
7 the traffic violations bureau.

8 (b) Subsection (a) shall not apply to:

9 (1) Fines and forfeitures for violations that occur on
10 state off-street parking facilities, parks, airports,
11 and harbors that are subject to enforcement by the
12 State; and

13 (2) Fines and forfeitures that are required by law to be
14 paid into a special, revolving, or trust fund.

15 No county shall be entitled to any portion of the fines and
16 forfeitures described in this subsection."

17 SECTION 2. Section 291C-171, Hawaii Revised Statutes, is
18 amended by amending subsection (a) to read as follows:

19 "(a) All fines and forfeitures collected upon conviction or
20 upon the forfeiture of bail of any person charged with a
21 violation of any section or provision of the state traffic laws
22 and all assessments collected relating to the commission of

____.B. NO. ____

1 traffic infractions shall be paid to the state director of
2 finance [~~of the State~~].

3 The judiciary shall identify those uncontested traffic
4 infractions as defined in section -1. The disposition of fines
5 and forfeitures paid to the state director of finance shall be
6 subject to section -2."

7 SECTION 3. Statutory material to be deleted is bracketed
8 and stricken. New material is underscored.

9 SECTION 4. This Act shall take effect on July 1, 2014.
