In her written response to questions posed by your Chair, Ms. Kanda stated that her three best qualities are being thoughtful, creative and helpful. She further went on to explain that a major part of "the success of Civil Defense action plans depends on good communications with the general public" and hoped that her communications experience, and thoughtful, creative, and helpful input will assist the planning work of DEM.

The president of Kimura International, Inc, strongly supported her reappointment, explaining that as a former commissioner and chair of the Civil Defense, he had the opportunity to professionally work with her and could attest to her being a responsible and committed commissioner and leader in fulfilling the mission of DEM.

Three other individuals submitted testimony in support.

Your Committee expresses its gratitude and extends its appreciation to Ms. Kanda for her willingness to serve the City and County of Honolulu in this capacity.

Your Committee on Public Safety and Economic Development is in accord with the intent and purpose of Resolution 13-242 and recommends its adoption. (Ayes: Fukunaga, Anderson, Chang, Harimoto, Pine – 5; Noes: None.)

Respectfully submitted,

Committee Chair
