Dear Councilmembers:

Re: **NO to raising Second Home Property Tax.**

I work hard every day to take care of my family through a business I own on the North Shore. Local families do visit my business occasionally but the bulk of my business is from the people who stay in the short term rentals in my area.

Raising high rates of property taxes will discourage the transient home owners and they will sell. I will have to close my business.

Mahalo,

*Ree Brooke Ray
