Dear Councilmembers:

Re: **NO to raising Second Home Property Tax.**

I am a business owner and like many other business owners depend on visitors who stay in second homes.

Many second home owners are going to sell. These visitors are going to disappear from our communities without homes to rent.

Our small business and others like us will close.

Why not license the vacation rentals and charge a permit fee? It seems the county would save. This would be another way of getting out of debt.
