Written Testimony

Aloha, I have two children that attend the SSS program and in the few short weeks of participating, their attitudes towards life, school, and in the home have changed for the better. They have found nurturing and supportive adults they can trust and rely on besides mom. There is a popular saying, "It takes a village to raise a child," my children have found that sense of community in SSS and I am forever grateful. Please support Bill 13 so that programs like SSS thrive.
