I am retired Family Court Judge Karen Radius. Unfortunately I cannot stay throughout the afternoon to testify

I am the volunteer President of the Board of Directors of Surfrider Spirit Sessions. We appreciate the proposed amendment on page 29 of the Grants in Aid Bill 13 to include funding to ~~us~~ our program.

The services provided are vital to our at risk youth. many of whom appear in our courts or in the foster care system.

Our executive director has submitted written testimony including some typed comments of youth who participate & have so clearly benefitted from Surfrider Spirit Sessions
