Chair and Members, Very little has been done to implement the Master Plan for the Patsy T. Mink Central Oahu Regional Park since its inception in 2001. As one of the founders of the Central Oahu Regional Park and a founding member of its Advisory Committee, I strongly support the allocation of \$500,000 million for maintenance support services as outlined on Attachment 11 of the proposed Budget. There has been no money allocated for the construction of a Dog Park, the design and construction of clay tennis courts, the provision of night lights on all play courts, and other improvements envisioned in the Master Plan. This money will be most useful maximizing the use and potential of Oahu's premier public recreational offering. Finally, I want to thank Councilmembers Martin and Menor for

continuing to promote and support the CORP as a community asset of national and international repute. Thank you. Dick Poirier Mililani Resident Chair, Mililani/Waipio/Melemanu Neighborhood Board #25
