Written Testimony

Both my husband and I have aging parents, in their 80's and 90's. Out of respect for their life work and for their dignity, we would like them to have a living space in our house. Ohana housing would be the perfect solution for their independent lifestyle. I ask that their living space should not be too restrictive and small as it would be confining and disrespectful. When I become old and decrepit, no longer able to drive, I would wish to be close to my children for safety, yet have a separate living space for my dignity. My husband and I would like to provide nothing less than how we would like to be treated. Therefore, please allow a comfortable living space, at least 1,200 sq ft.
