Assets School, which services children who are gifted and/or dyslexic, has a broad reach into the community. In partnership with Kamehameha Schools, we have just opened a center within their Ka Pua Early Learning Complex. In this venture, Assets Outreach Center for Tutoring and Teacher Training Program will be part of a cooperative of service providers at the Ka Pua Community Learning Center in Ma'ili. Assets was selected because of its successful partnerships with Waianae coast schools over the past several years. These partnerships include an association with the Community Learning Center at Nanakuli (CLCN) to perform early reading screenings for K-3 families.
