Written Testimony

Aloha Harvest is a wonderful organization which helps hundreds of people. Their continued support to the leeward community is very much appreciated and needed. This grant in Aid would help them continue to help others. They have helped our non profit organization and I know they also help other non profits. Grants are very important to organizations to keep them up and running. Please help them so they can help others as that is what keeps things going. Mahalo for your time.
 Skidget Jespersen
