Subject to the provisions hereof and applicable law, without further action of the Council of the City and County, the general obligation bonds authorized hereby or any portion thereof shall bear interest at the rates per annum as specified in the contract or contracts approved or in the bid or bids accepted. The Director of Budget and Fiscal Services and all officials of the City and County are hereby authorized to take such action and execute such orders, receipts and other documents as may be necessary in order to effectuate the sale of the general obligation bonds authorized hereby or any portion thereof, and, if any contract therefor be approved or any bid therefor be accepted, the preparation, execution and delivery thereof, in accordance with the provisions hereof and applicable law. In connection with, and at any time before or after the issuance of, such bonds, the Director may arrange for any insurance or banking arrangements as the Director may deem necessary or desirable, including, without limitation, credit or liquidity support facilities and interest rate swaps, swaptions, floors or caps and other similar contracts to hedge or reduce interest rate or similar risk or the cost of borrowing when used in conjunction with bonds.

SECTION 2. The proceeds of the bonds herein authorized shall only be used to pay all of or part of those appropriations for public improvements of the City and County made in the aforesaid Capital Budget Ordinance and specified therein to be financed from the proceeds of general obligation bonds and to be expended from the General Improvement Bond Fund, the Highway Improvement Bond Fund, Solid Waste Improvement Bond Fund, or the Housing Development Special Fund.

A BILL FOR AN ORDINANCE

SECTION 3. A portion of the bonds authorized hereby are bonds which shall be issued for public undertakings from which revenues are derived, to wit: for the development of housing by the City and County for sale or for rental by the City and County, respectively, and for which the interest and principal payments on said bonds shall be a charge upon and paid from the General Fund of the City and County of Honolulu; provided, however, that the Director of Budget and Fiscal Services shall reimburse the General Fund for the payment of the principal of and interest on bonds, the proceeds of which have been expended from the Housing Development Special Fund as provided in Chapter 6, Article 46, Revised Ordinances of Honolulu 1990, as amended, from revenues derived from the sale or rental of housing developed from moneys on deposit in the Housing Development Special Fund.

SECTION 4. Pursuant to Section 47-16, HRS, the Director of Budget and Fiscal Services is hereby authorized to issue and sell general obligation bond anticipation notes in anticipation of the issuance of all or any portion of the bonds authorized hereby. The notes authorized hereby may be sold at one time or in part from time to time in such principal amounts as the Director of Budget and Fiscal Services shall determine to be in the best interest of the City and County; provided, however, that the Council of the City and County shall determine the principal amount of such notes to be offered for sale from time to time by resolution of one reading adopted prior to such sale. Nothing herein shall prohibit the contemporaneous issuance and sale of general obligation bonds and notes.

SECTION 5. The City and County of Honolulu shall comply with all applicable provisions of Sections 103 and 141-150 of the Internal Revenue Code of 1986, as amended, and applicable regulations of the Internal Revenue Service proposed or promulgated thereunder in the issuance of the bonds and notes authorized hereby and the application of the proceeds thereof.

SECTION 6. Any part of the bonds herein authorized remaining unissued and not required for any part of the appropriations hereinabove referred to made in the aforesaid Capital Budget Ordinance shall lapse as provided by the Charter.

A BILL FOR AN ORDINANCE

RELATING TO VALUATION OF SOLAR ENERGY AND SOLAR WATER HEATING IMPROVEMENTS FOR REAL PROPERTY TAX PURPOSES.

BE IT ORDAINED by the People of the City and County of Honolulu:

SECTION 1. Purpose. The purpose of this ordinance is to specify that the value of solar powered energy improvements and solar powered water heating improvements are not assessed for real property taxation purposes.

SECTION 2. Section 8-1.2, Revised Ordinances of Honolulu 1990, as amended, is amended by amending the definition of "Property" or "real property" to read as follows:

""Property" or "real property" means and includes all land and appurtenances thereof and the buildings, structures, fences and improvements erected on or affixed to the same, and any fixture which is erected on or affixed to such land, buildings, structures, fences and improvements, including all machinery and other mechanical or other allied equipment and the foundations thereof, whose use thereof is necessary to the utility of such land, buildings, structures, fences and improvements, or whose removal therefrom cannot be accomplished without substantial damage to such land, buildings, structures, fences and improvements, excluding, however, any growing crops and any device that converts solar radiation to electricity or heat."

SECTION 3. Section 8-10.15, Revised Ordinances of Honolulu 1990 ("Exemption—Alternate energy improvements"), as amended, is amended by amending subsections (b) and (c) to read as follows:

"(b) As used in this section "alternate energy improvement" means any construction or addition, alteration, modification, improvement or repair work undertaken upon or made to any building, property or land which results in:

- (1) The production of energy from a source, or uses a process which does not use fossil fuels, nuclear fuels or geothermal source. Such energy source may include, but shall not be limited to, solid wastes, wind[, solar] or ocean waves, tides or currents; or
- (2) An increased level of efficiency in the utilization of energy produced by fossil fuels or in the utilization of secondary forms of energy dependent upon fossil fuels for its generation.

A BILL FOR AN ORDINANCE

- (c) Application for the exemption provided by this section shall be made with the director on or before September 30th, preceding the tax year for which the exemption is claimed[, except that no claim need be filed for the exemption of [solar water collectors, heaters, heat pumps and similar devices]. No exemption may be claimed for devices that convert solar radiation to electricity or heat because these devices are excluded from the definition of "property" or "real property" and are not assessed. The director may require the taxpayer to furnish reasonable information in order that the director may ascertain the validity of the claim for exemption."

SECTION 4. Ordinance material to be repealed is bracketed. New material is underscored. When revising, compiling or printing this ordinance for inclusion in the Revised Ordinances of Honolulu, the revisor of ordinances need not include the brackets, the bracketed material or the underscoring.
