TESTIMONY OF DAWN K. WASSON
OF THE HAWAIIAN KINGDOM GOVERNMENT
OF THE 'AHUPUA'A OF LAIE

ALOHA, members of City & County of Honolulu, today I give notice to all of you as representatives of the illegal government of the United States of America, the State of Hawaii and this agency as illegal entities falsely representing members of the general public and the citizens of the Hawaiian Kingdom. Each of you are libel personally and in your capacity as City Council members for the action you take today pertaining to the Malaekahana lands, Ko'olauloa General Plans and Ko'olauloa Sustainable Development Plans and any plans regarding development in the Ko'olauloa District. As representative of the Hawaiian Kingdom we order you to cease this action/proposal on the table for discussion and voting on development in the Koolauloa District. You are committing an illegal act without the consent of its citizenry. You have failed to disclose to the general public and its citizenry that as representatives of the City Council of Honolulu you do not have JURISDICTION to make or accept any proposals as made. Each of you have no AUTHORITY as admitted in 1993 the Apology Bill by the President of United States, William Bill Clinton as he states the overthrow was an illegal act and apologizes to the citizenry of the Hawaiian Kingdom.

We, the Hawaiian Kingdom citizens come before you today to order all of you to cease this hearing immediately because it is an illegal act. In addition we advise you to seek legal counsel so you are not personally liable for any and all action or decisions you make today, past and into the future.

Any questions you may have please refer to our Attorney General Tom Anthony at 155 Mamo Street, Hilo, Hawaii or email k8n8k8@yahoo.com or call 808 494-9699. Mahalo...
