Honorable Ernest Y. Martin
Chair, City Council
City and County of Honolulu

Mr. Chair:

Your Committee on Zoning and Planning, to which was referred Bill 20 (2015) entitled:

"A BILL FOR AN ORDINANCE TO AMEND CHAPTER 21, REVISED ORDINANCES OF HONOLULU 1990, AS AMENDED (THE LAND USE ORDINANCE), RELATING TO ACCESSORY DWELLING UNITS,"

which passed Second Reading and was the subject of a Public Hearing held at the Council's meeting of May 6, 2015, reports as follows:

The purpose of Bill 20 (2015) is to amend the Land Use Ordinance (LUO), Chapter 21, Revised Ordinances of Honolulu 1990, to establish accessory dwelling units (ADUs) as a permitted use in all residential zoning districts, encourage and accommodate the construction of accessory dwelling units, increase the number of affordable rental units and alleviate the housing shortage in the City, and establish land use standards for those accessory dwelling units.

Bill 20 would limit the size of ADUs to 400 square feet or 800 square feet, depending on the lot size, and allow the homeowner to rent the ADU to family or non-family members for a minimum rental period of three months. The ADUs could be attached to, or separate from the primary dwelling, with a full kitchen facility and with or without an interior access. The homeowner would be required to record a covenant running with the land with the State of Hawaii Bureau of Conveyances or the Land Court,

or both as appropriate, stating, among other assurances, that the ADU will not be used as a transient vacation unit.

Your Committee finds that the Planning Commission, after a public hearing held on February 18, 2015 at which seven oral and six written testimonies were received on both a Council-initiated and a Department of Planning and Permitting (DPP)-initiated proposal, voted to recommend approval of the DPP-initiated proposal in concurrence with the recommendation of the DPP in the Attachment to Departmental Communication No. 129 (2015).

Your Committee finds that at a public hearing held on May 6, 2015 by the City Council, twelve oral and four written testimonies were received in support of the proposed LUO amendment.

In Committee Report No. 155, which the Council adopted at its meeting on May 6, 2015, your Committee set forth background information on the subject bill.

At your Committee's meeting on August 20, 2015, your Committee considered and combined two CD1 versions of the bill that make the following amendments:

- A. In Section 21-2.140-1(o), corrects the reference to the section establishing maximum floor area from Section 21-8.20B(c)(2) to Section 21-5.__(c)(1), and adds Section 21-5.__(c)(4) as the section establishing off-street parking requirements.

A BILL FOR AN ORDINANCE

SECTION 5. Chapter 21, Article 5, Revised Ordinances of Honolulu 1990 ("Specific Use Development Standards"), is amended by adding a new Section for "Accessory dwelling units," to be appropriately numbered by the revisor of ordinances and to read as follows:

"Sec. 21-5. Accessory dwelling units.

- (a) The purpose of this section is to encourage and accommodate the construction of accessory dwelling units to increase the number of affordable rental units, without substantially altering existing neighborhood character, in order to alleviate the housing shortage in the city.
- (b) It is intended that accessory dwelling units only be allowed in areas where wastewater, water supply, and transportation facilities are adequate to support the additional dwelling units.
- (c) One accessory dwelling unit may be located on a lot in the country, R-3.5, R-5, R-7.5, R-10, and R-20 zoning districts, subject to the following conditions:

(1) The maximum size of an accessory dwelling unit shall be as follows:

| <u>Lot Area</u> | <u>Maximum Floor Area</u> |
|-------------------------------|---------------------------|
| <u>3,500 to 4,999 sq. ft.</u> | <u>400 sq. ft.</u> |
| <u>5,000 sq. ft. or more</u> | <u>800 sq. ft.</u> |

- (2) Accessory dwelling units are not permitted:
 - (A) On lots with a lot area of less than 3,500 square feet;
 - (B) On lots that have more than one dwelling unit, including but not necessarily limited to, more than one single-family dwelling, two-family dwelling, accessory authorized ohana dwelling, guest house, multi-family dwellings, planned development housing, cluster, or group living facility; or
 - (C) On lots that are landlocked.
- (3) The property owner or owners or persons who are related by blood, marriage, or adoption to the property owner or owners, or designated authorized representative shall occupy the primary dwelling unit or the accessory dwelling unit; except in unforeseen hardship circumstances

A BILL FOR AN ORDINANCE

(e.g., active military deployment, serious illness) that prevent the continued occupancy of the primary dwelling unit or the accessory dwelling unit, subject to confirmation by the director.

- (4) One off-street parking space per accessory dwelling unit must be provided in addition to the required off-street parking for the primary dwelling unit, except for accessory dwelling units located within one-half mile of a rail transit station. For purposes of this section, the minimum distance requirement is measured as the shortest straight line distance between the edge of the station area and the zoning lot line(s) of the project site.
- (5) The owner or owners of the lot shall record covenants running with the land with the bureau of conveyances or the land court of the State of Hawaii, or both, as is appropriate, stating that:
- (A) Neither the owner or owners, nor the heirs, successors or assigns of the owner or owners will submit the lot or any portion thereof to a condominium property regime under the provisions of HRS Chapter 514A to separate the ownership of an accessory dwelling unit from the ownership of its primary dwelling unit;
- (B) The property owner or owners, or persons who are related by blood, marriage, or adoption to the property owner or owners, or designated authorized representative(s) shall occupy the primary dwelling unit or the accessory dwelling unit so long as the other unit is being rented or otherwise occupied; except in cases of unforeseen hardship circumstances (e.g., active military deployment, serious illness) that prevent the continued occupancy of the primary dwelling unit or the accessory dwelling unit, subject to confirmation by the director. For purposes of this section, "designated authorized representative(s)" means the person or persons designated by the property owner or owners to the department of planning and permitting, who are responsible for managing the property;
- (C) The accessory dwelling unit may only be used for long-term rental or otherwise occupied for periods of at least six months, and cannot be used as a bed and breakfast home or transient vacation unit;
- (D) If the property owner or owners, or persons who are related by blood, marriage or adoption to the property owner or owners, or designated authorized representative(s) choose to receive rent for

A BILL FOR AN ORDINANCE

the primary dwelling unit and occupy the accessory dwelling unit, the primary dwelling unit may only be used for long-term rental or otherwise occupied for a minimum period of six months, and cannot be used as a bed and breakfast home or transient vacation unit;

- (E) The accessory dwelling unit is limited to the approved size in accordance with the provisions of Chapter 21; and
- (F) The deed restrictions lapse upon removal of the accessory dwelling unit, and all of the foregoing covenants are binding upon any and all heirs, successors and assigns of the owner or owners.

The covenant must be recorded on a form approved by or provided by the director and may contain such terms as the director deems necessary to ensure its enforceability. The failure of an owner or of an owner's heir, successor or assign to abide by such a covenant will be deemed a violation of Chapter 21 and will be grounds for enforcement by the director pursuant to Section 21-2.150, et seq.

- (6) All other provisions applicable to the zoning district apply.
- (7) All rentals of an accessory dwelling unit, or of the primary dwelling unit if the property owner or owners, or persons who are related by blood, marriage or adoption to the property owner or owners, or designated authorized representative(s) choose to receive rent for the primary dwelling unit and occupy the accessory dwelling unit, must be evidenced by a written rental agreement signed by the owner and the tenant for a lease period of at least six months; provided that after the initial lease period is concluded, the owner may allow the same tenant to continue renting the accessory dwelling unit on a consecutive month-to-month basis.
- (d) At the time of application, the applicant shall first obtain written confirmation from the responsible agencies that wastewater treatment and disposal, water supply, and access roadways are adequate to accommodate the accessory dwelling unit.
- (e) An accessory dwelling unit may be created by building a new structure (attached or detached from the primary dwelling unit) or through conversion of a legally established structure (attached to or detached from the primary dwelling unit), attic or basement, subject to meeting all pertaining zoning requirements.

A BILL FOR AN ORDINANCE

- (f) The owner of a structure constructed without a building permit prior to the effective date of this ordinance, who wants to convert that structure to an accessory dwelling unit shall obtain an after-the-fact building permit. In addition to fulfilling the base requirements of the after-the-fact permit, any adjustments to the structure must conform to the accessory dwelling unit regulations enumerated in this section and any additional adopted policies and rules.
- (g) The department of planning and permitting must be notified upon removal of an accessory dwelling unit.
- (h) Prima facie evidence. If an accessory dwelling unit is advertised as a bed and breakfast home or transient vacation unit, the existence of such advertisement will be prima facie evidence of the following:
- (1) That the owner of the advertised unit disseminated or directed the dissemination of the advertisement in that form and manner; and
 - (2) That a bed and breakfast home or transient vacation unit, as applicable, is being operated at the location advertised.

The burden of proof is on the owner to establish otherwise with respect to the advertisement and that the subject property either is not being used as a bed and breakfast or transient vacation unit, or that it is being used legally for such purpose."

SECTION 6. Section 21-6.30, Revised Ordinances of Honolulu 1990 ("Method of determining number"), is amended by amending subsection (d) to read as follows:
