SUPPORT Bill 20 CD1

Dear Chair Martin and City Council Members;

I am submitting testimony in STRONG SUPPORT of Bill 20 CD1,

I specifically support the inclusion of the subsection stipulating if an ADU is advertised as a B&B hotel or TVU, the existence of such advertisement is prima facie evidence that the ADU owner authorized the advertisement, and that a B&B or TVU is being operated at the advertised location.

Furthermore, I recommend the City Council and Administration adopt a similar stipulation that would allow "all" residential properties without NUC's advertising as B&B hotels or vacation rentals have their advertisements be considered prima facie evidence for issuing violations.

Best regards

Stu Simmons
