Written Testimony

I am in full support of Bill 20 that creates further opportunity to provide a greater inventory for housing on Oahu. The ADU's will allow families the flexibility to provide room for extended family members as well as provide something affordable for many others looking to housing. I have a number of my families in my congregation who will definitely consider this opportunity as it would lessen the cost of having to build an attachment or separate house according to the previous city building regulations. This is but one alternative that will help to ease our housing/homeless crisis. I urge passage of Bill 20.
