SECTION 10. Ordinance material to be repealed is bracketed. New ordinance material is underscored. The bracketed references cited at the end of the City and County of Honolulu Fire Code sections shall not be deleted by the revisor of ordinances.

The Council recognizes that at the time this bill is being considered for final approval by the Council, the Council is also considering for final approval Bill 56 (2015), which adopts, with modifications, the 2012 National Fire Protection Association (NFPA) 1 Fire Code, published and copyrighted by the NFPA. The Council intends the amendments in Section 9 of this ordinance to continue to apply regardless of the order in which this bill and Bill 56 (2015), in any form, take effect as ordinances. Accordingly, if this ordinance takes effect after any form of Bill 56 (2015) takes effect, the revisor shall substitute "3.3.127.1" for "3.3.111.1," wherever it occurs in Section 9 of this ordinance, and shall substitute "3.3.199A" for "3.3.179.1," wherever it occurs in Section 9 of this ordinance. If Bill 56 (2015), in any form, takes effect after this ordinance takes effect, such enactment will not be deemed to repeal the amendments to the State Fire Code enacted in Section 9 of this ordinance, and the revisor shall redesignate the provisions enacted by Section 9 to reflect the numbering of the State Fire Code as enacted by Bill 56 (2015), in its final form.
