Please support Bill 9. It hurts our soul to see that our girls who dance for Halau Kaululaua'e and the thousands of keiki that play sports there or families just spending the day in the park have to see that beautiful murals and clean up is marred by those who do not understand the significance of the Pu'u. Our daughters who dance Hula at the Pu'u have to walk through graffiti, trash, debris and damage before sharing their beautiful spirit through their dance and music. It's more than a skate park and an old hill. A marker is a starting point to identify the cultural significance.
